

## Monmouthshire Local Transport Plan 2015 – Appendix 2

### The “Equality Initial Challenge

1. Equality Impact Assessment Form
2. The “Sustainability Challenge”
3. Equality Impact Assessment of the South East Wales Regional Transport Plan 2010

### 1. THE EQUALITY INITIAL CHALLENGE

Name: Christian Schmidt Service area: Transport Date completed: 9 January 2015		Please give a <b>brief description</b> of what you are aiming to do. Review the equality impact of the proposals in the Local Transport Plan. The review looked at the high-level interventions and their impact on people with protected characteristics where it is stronger than the normal impact. Note the review only highlighted those The review should be read in conjunction with the Equality Impact Assessment of the Sewta RTP, which includes an analysis of travel behavior of different groups, their specific transport needs, and the impact of the long-term strategy (objectives).	
Protected characteristic	Potential <b>Negative</b> impact Please give details	Potential <b>Neutral</b> impact Please give details	Potential <b>Positive</b> Impact Please give details
Age		Ensure that all routes to school are safe Improve freight access Integrated land use & transport policy Park & ride Proactive maintenance Promote active travel Road safety education Targeted highway improvements Travel planning Work with developers	Additional bus services Additional rail stations Better PT information Bus priority along key corridors Concessionary fares Flexible transport initiatives Improve active travel network Improve PT security Improve PT service quality Improve PT services to key sites Improve PT timetable integration Integrated ticketing Lower fares
