

## Sports Development

The Sports Development Team are on hand to actively promote sporting opportunities for all through working with schools, community clubs and groups. We can also offer advice on grant funding and accessing such funding. In addition clubs can access support by contacting sport specific development officers. We also support schools in providing high quality provision and opportunities in both curricular and extra-curricular time.

### WOULD YOUR CLUB LIKE TO BE PART OF A NATIONAL PROGRAMME?

insport is a Disability Sport Wales programme which is intended to support national governing bodies of sport, Local authorities and sports clubs to provide inclusive, quality sessions to disabled people within their communities and at a level of their choice or potential. For more information please contact our Disability Sports Development Officer - Mark Foster

Tel: 07753850550 email: [markfoster@monmouthshire.gov.uk](mailto:markfoster@monmouthshire.gov.uk)
