NB Bespoke Service charges are inclusive of VAT, the Statutory Service does not attract VAT. **Please note your request for advice will not be processed without payment.**

### **Exemptions to Charging**

- Enquiries made by Monmouthshire County Council
- Enquiries made by a Town or Community Council relating to their statutory functions
- Enquiries may be waved in the case of Monmouthshire community-based projects by not-for-profit groups where the project's purpose has a direct benefit to the communities of Monmouthshire. This will be at the discretion of officers.
- Enquiries made by a person who is registered disabled – where the development is to benefit this person, except where a new dwelling is proposed.
- Enquiries made for the repair of a Listed Building where Listed Building Consent is not required.
- Statutory undertakings linked to domestic development – i.e. telecommunications

### **Notes**

- Following the issue of the Officers written advice the pre-application case enquiry will be considered closed. In the event of further advice being sought a charge will apply.
- If you are unsure of which level of service to choose or if you feel your development proposal falls outside of the service levels available please contact **Monmouthshire Planning Support on: 01633 644 880** or email [planning@monmouthshire.gov.uk](mailto:planning@monmouthshire.gov.uk) where a member of the team will assist.
- If you are carrying out any kind of building works it is likely that you will require Building Regulations. If you are unsure or would like further advice regarding building regulations please contact **Monmouthshire Building Control Services on: 01633 644833** or email [buildingcontrol@monmouthshire.gov.uk](mailto:buildingcontrol@monmouthshire.gov.uk)
- The Development Management Officer will notify the Building Control Team of your enquiry and proposed development scheme and where appropriate a Building Surveyor may accompany them at your site meeting at no extra charge.
