VARIATION

Do you want the proposed variation to have effect as soon as possible? Yes No

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

Yes No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

To vary the permitted hours for the sale of alcohol to commence 0700 each day and to permit on sales in the customer cafe. The Premises Licence already permits on sales in the Partners Dining Room. Finally, to approve alterations to the premises - these involve a new sushi counter to the left hand side (hatched in black) and changes to the existing counters and merchandising in that area; one half of the single large manned till is being removed to allow for a re-configuration of the self-scanning tills which are being increased in number. The changes are identified in colour on the enclosed plan for ease of reference. Those alterations/works commence 13th August 2017.
