please take the time to read it, the duty manager is always on hand to provide you with any further information or answer any queries.

QU: Will my children be swimming?

A: **Yes.** As part of The Monmouthshire Games, we are trying to incorporate swimming and swimming activities for all children, **Every Day**. *For those attending Monmouth Leisure Centre, due to the pool being closed, we will find plenty of other activities to fill your day.*

QU: What else will my children be doing?

A: We have packed lots of fun activities, sports and games into the programme. Throughout the Monmouthshire Games, children will be able to try more than 20 different sports and activities (**ranging from Ultimate Frisbee, Dodgeball, Archery, Parachute Games, Seated Volley Ball, Crazy Golf, Dance, plus much more**).

The main feature will be 'The Games', developed around last summer's Rio Olympic and Paralympic Games 2016 and the feedback from young people who participated in last summer's Monmouthshire Games. There will be a weekly opportunity for children to take part in The Games.

Each leisure centre will be competing against each other, so we expect you to practise your skills learnt throughout the week, ready to take part in The Games. There will also be weekly prizes, certificates and things to take home so all the family can get involved.

QU: Do you require any specific information regarding my child attending the scheme?

A: **Yes.** You **MUST** complete a registration form for your child/ children each holiday programme. It is your responsibility to give us the most up-to-date information and sign and tick the relevant boxes on the registration form. We cannot be responsible for any information that isn't present on the form. The forms will be replaced on an annual basis. If you have previously attended during that year you will need to sign the original document to confirm contact details are still correct.

We have an 'opt out' box on the registration form that you **MUST** tick if you do not want your child/ children to feature in any media and not to be photographed as part of The Monmouthshire Games. Again this is your responsibility to complete the registration form accurately.

Emergency contact numbers and pick up and drop off arrangements for your child/ children is paramount and you **MUST** complete this information on the registration form.

QU: Tell me more about the Pre-paid option and 25% discount for The Monmouthshire Games.

A: As a result of the positive feedback received from both parents and young people we have decided to extend The Monmouthshire Games for 2017 to include the same format for all school half term and summer holidays.

Therefore, we would like to offer a 25% discount for parents and carers who would like to 'bulk purchase' days for The Monmouthshire Games only. Following feedback from the summer's discount scheme, we have made the new discount scheme more flexible:

- Prepaid Monmouthshire Games – pay for 10 days at the same time and receive a 25% discount (£12 per day instead of £16 per day).
- No need to book all 10 days at once. The 'days' will be added to your child/ children's individual Monleisure card and you will be able to redeem the 'days' when you book in.
- The prepaid Monleisure card doesn't guarantee you a space on The Monmouthshire Games, you will still need to book in advance with the leisure centre of your choice.
- The 'days' on The Monleisure card are valid until March 31st 2018.
- If you wish to upgrade any of these days to The Monmouthshire Games **PLUS** this can be done for an additional payment of **£4.90 per day, purchased on the day of booking.**

QU: When will I be able to enrol my child onto The Monmouthshire Games?

A: Each leisure centre will be able to take enrolments from **Monday 5th June.** Enrolments can be made over the telephone but not online. In order to book over the phone a current registration form must have been previously completed. A registration form **MUST** be completed for all children attending The Monmouthshire Games. Unfortunately there will be no refunds for the cancellation of any enrolments. However, your child can transfer onto an alternative day if there is availability.
