		Мо	onmouthshire C	ounty Council INM R	oute Schedule
Scheme Number	Scheme Name	Location	Proposal type	Use	Proposal
MCC-U1	A472	Usk	Improvement	Pedestrian / Cycle	Widen footway to provide shared use facility or provide dedicated cycle lane to separate cyclist and vehicle flows
MCC-U2	A472 to RFC	Usk	Improvement	Pedestrian / Cycle	Widen footway to provide shared use facility or provide dedicated cycle lane to separate cyclist and vehicle flows
MCC-U3	B4598 Abergavenny Road	Usk	Improvement	Pedestrian / Cycle	Widen footway to allow for shared use facility or provide dedicated cycle lane to separate cyclist and vehicle flows
MCC-U4	Monmouth Road	Usk	Improvement	Pedestrian / Cycle	Upgrade and widen narrow sections of footway.
MCC-U5	Maryport Street	Usk	Improvement	Pedestrian / Cycle	Proposed shared use path. Widen footway to allow for cyclists
MCC-U6	River Usk Path	Usk	Improvement	Pedestrian / Cycle	Remove the barriers to cycling to make this path more cycle friendly.
MCC-U8	Tunnel Footpath	Usk	Improvement	Pedestrian / Cycle	Resurface defects to ensure width is suitable for cyclists and wheelchair users.
MCC-U9	Usk to County Hall	Usk	Improvement	Pedestrian / Cycle	Construct new shared use path along a disused railway line between the Island, Usk and MCC County Hall
MCC-M1	Wonastow Road	Monmouth	Improvement	Pedestrian / Cycle	Provide suitable cycle infrastructure, either by widening the footway to create a shared use facility or provide a dedicated cycle lane
MCC-M2	Off road route to Monnow St	Monmouth	Improvement	Pedestrian / Cycle	Off road shared use path adjacent to playing fields.
МСС-М3	Watery Lane	Monmouth	New	Pedestrian / Cycle	Construct new footway along carriageway and provide cycle infrastructure
MCC-M4	A466	Monmouth	Improvement	Pedestrian / Cycle	Widen narrow sections and the subway under the A40 for cyclists, wheelchair users and pushchairs
MCC-M5	River Wye Path	Monmouth	Improvement	Pedestrian / Cycle	Improve maintenance and provide surfaced path. Remove gates which restrict access to cyclists and all other users
МСС-М6	Route through Over Monnow residential estate	Monmouth	Improvement	Pedestrian / Cycle	Route through Over Monnow residential estate
MCC-M7	Off-road route through southern residential area	Monmouth	Improvement	Pedestrian / Cycle	Widen sections which are narrow and have give and take between users. Also extend along B4233 currently only footpath alongside, proposed shared use
MCC-M8	Williams Field Lane/ Victoria Ct footpath	Monmouth	Improvement	Pedestrian / Cycle	ERM walking route, proposed shared use. Widen footpath and resurface and provide lighting to the north beyond Williams Field Lane. Maintain overgrown vegetation.
MCC-M9	Monnow St	Monmouth	New	Pedestrian / Cycle	Proposed town centre pedestrian and cycle route
MCC-M10	A4136 / St John St / B4293	Monmouth	Improvement	Cycle	Upgrade route for cycling
MCC-M11 MCC-M12	Osbaston Road Hereford Road	Monmouth Monmouth	Improvement	Pedestrian / Cycle Pedestrian / Cycle	Proposed pedestrian and cycle route along Osbaston Road
MCC-M13	A466	Monmouth	Improvement Improvement	Pedestrian / Cycle	Proposed pedestrian and cycle route along Hereford Road Central links to Monmouthshire Centre
MCC-M14	Wyesham Road	Monmouth	Improvement	Pedestrian / Cycle	Proposed pedestrian and cycle provision along Wyesham Rd
MCC-M15	St Mary St / Whitecross St	Monmouth	Improvement	Pedestrian	Pedestrian links in town centre
MCC-M16	Hadnock Road	Monmouth	Improvement	Cycle	On road cycle link - needs upgrading
MCC-G1	Canal towpath	Gilwern	Improvement	Pedestrian / Cycle	Short term improvements to ERM Shared use path- a missing dropped kerb, and no lighting.
MCC-G2	Upper common recreation ground	Gilwern	Improvement	Pedestrian / Cycle	Remove gates that restrict access and provide cycle signage
MCC-G3	Abergavenny Rd	Gilwern	New	Pedestrian / Cycle	Pedestrian / cyclist provision along Abergavenny Road. Potential for shared use path
MCC-G4	Glangyrwyney Rd	Gilwern	New	Pedestrian / Cycle	Pedestrian / cyclist provision along Glangyrwyney Road. Potential for shared use path
MCC-G5	Cae Meldon	Gilwern	New	Pedestrian / Cycle	Pedestrian / cyclist provision along Cae Meldon. Potential for shared use path
MCC-A1	A4143 to The cutting	Abergavenny	Improvement	Pedestrian / Cycle	Upgrade A4143 section for cyclists
MCC-A2	Linda Vista Gardens	Abergavenny	Improvement	Pedestrian	Upgrade provision for cyclists through pedestrianised town centre, where cycling is currently prohibited
MCC-A3	River Usk Path	Abergavenny	Improvement	Pedestrian / Cycle	Some improvements to the surface are needed. Assessments need to be made to determine whether gates are required.
MCC-A4	Castle Street	Abergavenny	Improvement	Pedestrian / Cycle	The middle section of the route should be improved to be safer and more cycle friendly. Provide footway between Castle Street and the woodland.
MCC-A5	Road around Abergavenny Castle and Museum	Abergavenny	Improvement	Cycle	Extension of route east along Mill St for cyclists.
MCC-A6	Gavenny River Path	Abergavenny	Improvement	Pedestrian / Cycle	Remove gates that restrict access, improve lighting and surfacing along route
