# FAIRTRADE Directory

A guide to local Fairtrade outlets

## Monmouthshire FAIRTRADE Directory

This directory tells you where you can buy FAIRTRADE products and enjoy FAIRTRADE refreshments in Monmouthshire. There are now more than 2000 products that carry the FAIRTRADE mark including; chocolate, coffee, fruit, spices, footballs and socks. Many of these are readily available in our local shops - making it easier for shoppers to switch to FAIRTRADE.

### Why buy FAIRTRADE?

Many farmers and workers in developing countries who provide us with sugar, cocoa, fruit and coffee do not get their fair share of the benefits of trade, and market prices fluctuate widely. They often work in poor conditions with low wages and little job security.

### FAIRTRADE is different

The FAIRTRADE Mark is an independent certification label that guarantees:

- Farmers receive a fair and stable **price** for their products
- Producer groups receive a **premium** to invest in improving their communities and businesses
- Greater respect for the **environment**
- Small farmers have a **stronger position** in world markets
- A **closer link** between shoppers and producers

For many farmers and workers in developing countries, FAIRTRADE has brought hope for the future.

*Look for this MARK on products when you shop*

By choosing to buy FAIRTRADE goods you can make a real difference to the lives of millions of people across the globe.

The range of FAIRTRADE products and places where you can buy them is growing all the time. This directory lists the retail and refreshment outlets in Monmouthshire which as at March 2008 provide FAIRTRADE products.
