

Sports Development

The Sports Development Team are on hand to actively promote sporting opportunities for all through working with schools, community clubs and groups. We can also offer advice on grant funding and accessing such funding. In addition clubs can access support by contacting sport specific development officers. We also support schools in providing high quality provision and opportunities in both curricular and extra-curricular time.

Community Chest is a Sport Wales, National Lottery funded grant aid scheme. It is designed to support the development of sport and encourage physical activity as a whole. Decisions on grants will be made by local Community Chest Committees; one for each local authority area in Wales. The local administration of the scheme is made possible thanks to the support of each local authority in Wales. If you wish to discuss your project before applying please contact Monmouthshire Sports and Community Development.
