HOARDING OR SCAFFOLD REQUIRED?

Demolition of a building will require the provision of a suitable hoarding to separate the building from the street or court **before** demolition commences. Any scaffold proposed on or over a public highway (including grassed verges and footpaths) will require a licence **before** it is erected. Contact the Highways Department on 01633 644644

NOTES

1. The applicant is the person on whose behalf the work is being carried out e.g the building owner.
2. No Notice need be given under Section 80 of the Building Act 1984 for the following work:
 - A demolition pursuant to an order under the Housing Act 1957.
 - Demolition of an internal part of a building, where the building is occupied and is intended that it should continue to be occupied.
 - A building that is no greater than 1750 cubic feet (50m³) or where it is a Greenhouse, Conservatory, Shed or Prefabricated Garage forming part of a larger building.
3. Notification should be given to the Health & Safety Executive and if the building is thought to contain asbestos.
4. You may be required to submit a Traffic Management plan to the Council if required.
5. Together with this notice you should submit a **site location plan of the building(s)** to be demolished, and a method statement where available.
6. No demolition work must commence before this notice is given under section 18 of the Building Act 1984 and either the Local Authority had given notice under the act or six weeks has elapsed from serving this notice.
7. Persons proposing to carry out building work are reminded that permission under the Town & Country Planning Acts may be necessary.
