

Library Challenge

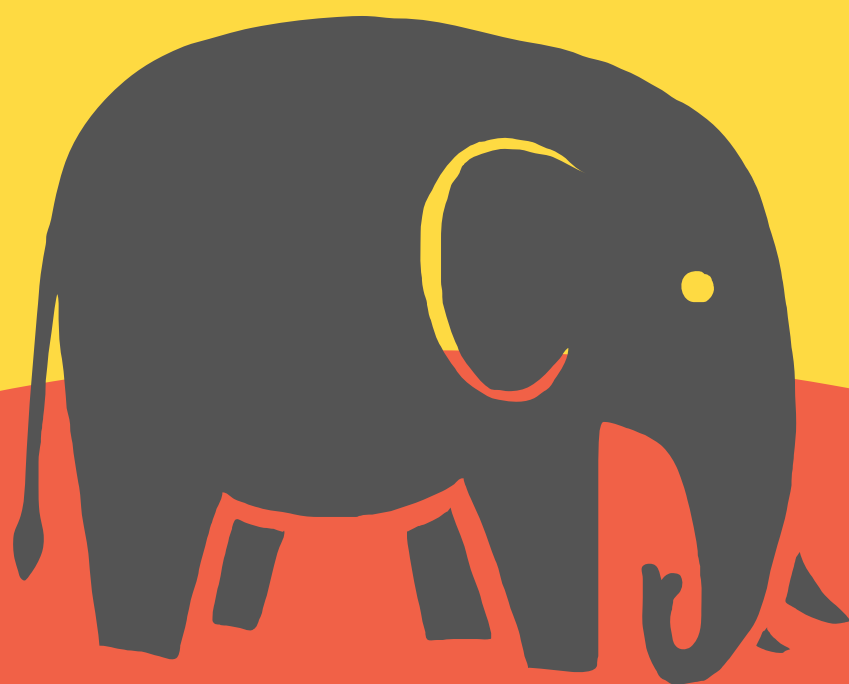

150 word story

Message for all parents/carers in Monmouthshire - our librarians are missing story time! Can your child help?

Each week our librarians will write the 1st line of a story and would be so happy if your child could finish it. The stories should be short (no more than 150 words) and you can either record a video of their story – or simply email it to us (FionaAshley@monmouthshire.gov.uk) so we can read it online and post on our Facebook page (we will use your child's 1st name and general location)

**Our first #150wordstory starts:
“The elephant at the door looked very cross”.**

The Challenge starts now ...

**The elephant at the door
looked very cross...**
