

Free service to assist with

EUSS Appeals

Who can we help?

We can help EUSS applicants who wish to challenge their outcome of UKVI's decision by appealing to the Immigration Tribunal.

How can we help?

- We offer a 'paper based service' which includes preparing bundles and appeal statements, and the submission of appeals
- For the most vulnerable clients we can offer full representation, which can include assistance with applying to waive appeal fees
- We can also provide initial advice on appeal matters
