LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Several precautions will be put in place to promote the licensing objectives. These are also covered in the Event Management Plan submitted for the event. A brief summary of steps taken will be:

Security will be SIA licensed with a solid knowledge of processes and procedures in place for the event.

Communications will be established on-site via radios, with the Production Office acting as a command and control centre, monitoring the event and communications across the site and also be ready to liaise with local authorities at any relevant time.

A qualified medical team will be available on-site, contactable by radio and with appropriate signage so patrons, staff, and performers can easily find assistance if needed. Staff and stewards will be appropriately briefed on procedures for serious or minor incidents and an incident log will be maintained at the production office.

An experienced welfare team will be on site to provide non-medical advice and support throughout the event.

Procedures at the bars will be in place to avoid over consumption of alcohol and prevent any under-age drinking. Although all ticket-holders for the event should be 18 years or older, a 'Challenge 25' policy will be in place. Bar staff will also be aware of the 'Ask for Angela' scheme and be trained to spot any anti-social behaviour.

Measures will also be in place to curb noise and public nuisance with amplified music ending as scheduled.

Risk assessments will be conducted prior to the event and health and safety monitored throughout the event and a traffic management plan will be put in place. These are also discussed in the Event Management Plan being submitted for the event.

b) The prevention of crime and disorder

Although alcohol will be available for sell at the event, there will be no promotions such as buy one get one free or similar that would encourage excessive consumption of alcohol.

A Challenge 25 Policy will be put in place with the bar maintaining a list of refusals and details of any fake identity documents.

There will be a strict limit on the amount of alcohol festival goers can bring onto the premises upon entrance to the event and return trips to the parking area will be limited and monitored by security and stewards. These limits on alcohol will be communicated to ticket-holders prior to the event.

There will be searches and preventative measures in place to ensure weapons or drugs are not brought on to the site.

Glass bottles or containers will not be brought on-site and any spirits will be decanted. The bar will maintain back-of-house control on any spirits and will utilise plastic containers where possible and serve drinks in plastic, reusable cups.

Bar staff, security and stewards will be made aware of the 'Ask for Angela' Scheme which is a scheme where patrons can use the code word "Angela" to alert staff that they are in a situation where they feel unsafe. Staff will also be trained in spotting any potential anti-social behaviour, unwanted sexual advances, or discrimination.

c) Public safety

The festival grounds as a premises has more than sufficient space throughout for the numbers we will have in attendance.

There will be an ample amount of SIA security as well as stewards, volunteers and staff to safeguard against accidents, injuries or mishaps.

Tap water will also be provided at the bar and around the site free of charge.

There will be a qualified medical team on-site and several of the core staff and volunteers have also had First Aid training.

An experienced welfare team will be on-site to provide non-medical help and advice.

Appropriate Health and Safety precautions will be taken and procedures will be in place in case of fire or emergency as well as safeguards put in place to protect from basic mishaps such as slips, trips and falls. Staff and volunteers will be adequately trained in procedures.

Installation of stages, electrics, internal infrastructure, art and other installations will be conducted by responsible and qualified individuals.

d) The prevention of public nuisance

Signage on and off-site will be in place to provide safety for everyone involved. A Traffic Management Plan will also be in place, and stewards and traffic marshals to ensure safe movement in and around the site.

The majority of vehicle traffic onto and off the site will take place in daytime hours with limited entry or movement during the festival.

Noise controls will be in place in music performance areas and music will be un-amplified as scheduled to reduce any disturbance to local residents

The event is fairly low in numbers and not in a heavy populated area and therefore not expected to cause any major disruption or inconvenience to local residents or neighbours.

Any local residents in the immediate area will be contacted prior to the event, to make them aware of the event and offer a direct contact number for the event production office should they have any issue to discuss.

The festival is a very green event and will make every effort to minimise any environmental damage, with a dedicated team to remind all patrons to keep the area clean. The site will not be left with any unnecessary rubbish.

e) The protection of children from harm

Ticket sales to the event will be restricted to those aged 18 years and older.

Although no children will be allowed to purchase a ticket and no under 18s will be expected from the public at the event, there may be a small number (<5) of children on site at the event. These children would be for example, the children of the directors or core crew, and will be safeguarded at all times.

The number of children on site at the event will be kept to a minimum and they will be supervised by a responsible adult at all times. Any children arriving on site will be logged in at production and listed by name to ensure this safeguarding takes place.

Measures such as Challenge 25 will be put in place at the bars.

The event will not be hosting any adult entertainment, gambling activities, or viewing of inappropriate films that may inadvertently attract under 18s.

While alcohol will be served, the primary purpose of the event is to provide music and not the consumption of alcohol.

Section 19 of 21

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is A British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at https://www.gov.uk/prove-right-to-work) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
