

**MONMOUTHSHIRE COUNTY COUNCIL
(TRAFFIC REGULATION ORDER)
(BELMONT ROAD & BELMONT CLOSE), ABERGAVENNY,
MONMOUTHSHIRE)
(EXPERIMENTAL) TRAFFIC ORDER 2021**

Statement of Reasons for making the Order

Following representations received from residents of the above named roads regarding concerns of commuters to the nearby railway station parking for long periods and often over residential driveways, obstructing access for emergency service vehicles and refuse vehicles. Monmouthshire County Council proposes to introduce an experimental Prohibition of Driving (except for access) Order on these roads to prohibit non-residential vehicles from parking within the identified roads.

Whilst the Order is being made on an experimental basis, it is with a view to be made permanent on or before the 18-month period comes to an end; however, gives officers time to consider and monitor its effectiveness prior to making it permanent.

The Order has the full support of colleagues in the Police and residents have been in continual communication with officers to ensure that the Order is enforced as and where necessary.

Monmouthshire County Council has determined that the introduction of this Order will contribute in creating a safer highway environment for all road users within this area.
