

Do you keep birds (even as pets)?

By 1 October 2024 all bird keepers in Wales (except keepers of pet birds without any outside access) must register as a bird keeper with APHA.

You will:

- receive important updates on any local avian disease outbreaks
- receive information on biosecurity rules to help protect your birds.

Take action now, register online at [GOV.UK](https://gov.uk).

You are breaking the law if you do not register.

You must also review your data on an annual basis.
