PART 1 - INTRODUCTION

2 INTRODUCTION

2.1 Purpose and Content of the Constitution

- 2.1.1 The Constitution is at the heart of the Council's business and describes the various bodies that make up the Council, their functions, Membership and procedural rules. It is divided between articles and rules of procedure and associated material. Articles are intended to set the overall framework and in general will not be subject to frequent change. They are about what is to be done and by whom. Procedure rules, codes of conduct and the other material located after the articles are broadly about how the articles will be put into effect. They may be subject to more frequent change.
- 2.1.2 Section 4 provides information for members of the public on how you can get information about the Council, and how you can get involved. We hope that this will help people who have an interest in the Council's work, or a particular matter it is dealing with, understand where they can get more information, and how they can contribute to Council activities.
- 2.1.3 You can get a better understanding of what each of the Council's bodies do in the Articles of the Constitution at Part 2, including Full Council, Cabinet, Scrutiny Committees, Standards Committee and Regulatory Committees. Section 14 provides information on the management and Officer structures of the Council. Some Officers have a specific duty to ensure that the Council operates within the law and uses resources wisely. Responsibility for functions is at Part 3 and details which Council bodies, and which Officers, have authority to make which decisions.
- 2.1.4 The procedural rules that apply to the different Council bodies are contained in Part 4 in the sections relating to those bodies, e.g. Full Council (Standing Orders), the Cabinet (Executive Procedure Rules) and Overview and Scrutiny (Scrutiny Committee Procedure Rules). You may find these useful if you want to attend a meeting, particularly if you want to be able to ask questions, have a matter discussed, or put your point of view.
- 2.1.5 Part 5 has the Codes of Conduct and Protocols with which Officers and Members have agreed to comply. They set the standards of behaviour.
- 2.1.6 A Constitution Guide is available on the website.

2.2 How the Council Operates

- 2.2.1 The Council comprises 46 Councillors elected every 5 years except as otherwise directed by the Welsh Government. Each Councillor is democratically accountable to the residents of their electoral division as well as all of those who live in Monmouthshire. The overriding duty of Councillors is to the whole community, but they have a special duty to their constituents, including those that did not vote for them.
- 2.2.2 All Councillors have agreed to follow a Code of Conduct, to ensure high standards in the way they undertake their duties. The Standards Committee is responsible for training and advising on the Code of Conduct.
- 2.2.3 All Councillors meet together regularly as the Council. Meetings of the Council are normally open to the public. Here Councillors decide the Council's overall Policy Framework and set the budget each year. The Council appoints the Leader of the Council annually. The Leader then decides the size and Membership of the Cabinet i.e. the role of individual Members of the Cabinet and arrangements for the exercise and delegation of Executive Functions. The Cabinet is appointed to carry out all of the Council's functions which are not the responsibility of any other part of the Council, whether by Law or under this Constitution, together with making decisions within the Budget and Policy Framework set by the Council.

3 SUMMARY AND EXPLANATION

3.1 Purpose of the Constitution

3.1.1 The purpose of the Constitution is to:

- (a) enable the Council to provide clear leadership to the Community in partnership with citizens, businesses and other organisations;
- (b) support the active involvement of citizens in the process of local authority decision making;
- (c) help Councillors represent their constituents more effectively;
- (d) enable decisions to be taken efficiently and effectively;
- (e) create a powerful and effective means of holding decision makers to public account;
- (f) ensure that no one will scrutinise a decision in which they are directly involved;
- (g) ensure that those responsible for decision making are clearly identifiable to local people and that they explain the reasons for decisions; and
- (h) provide a means of improving the delivery of services to the community.

3.2 Definitions

3.2.1 This Constitution and all its appendices is the Constitution of Monmouthshire County Council.

3.2.2 Within the Constitution the following words and phrases have the meaning set out below unless the context specifically or otherwise requires:

Budget	the overall revenue and capital budget approved by Full Council (Article 4);
Chief Officer	as defined by Local Authorities (Standing Orders)(Wales) Regulations 2006;
Councillor	a person elected to the Council to represent an area (called an electoral division) within Monmouthshire County Council;
Executive	when exercising Executive Functions; the Cabinet or a Member or Members of the Cabinet
Executive Decision	any decision taken by the Cabinet to exercise or refrain from exercising an Executive Function. It also includes decisions made by persons or Member bodies to whom the Cabinet has delegated Executive Functions to exercise or refrain exercising those functions;
Executive Function	(a) Executive Functions are defined by the Local Government Act 2000, subsidiary legislation and associated guidance. Any function that is not exercisable only by Full Council or delegated to another Member body is an Executive Function;

(b) contractual matters, the acquisition and disposal of land and financial support to organisations and individuals are also Executive Functions;

it should be noted that Regulatory functions such as planning licensing and building control, are not Executive Functions;

Forward Work Programme	the document that lists all of the decisions that the Council and the Cabinet intend to take and when those matters will be discussed. This does not prevent urgent or unforeseen matters being considered;
Full Council	the body where all Councillors act to exercise functions of the Council;
Head of Democratic Services	an Officer who must be appointed by law to carry out certain functions. See Section 14 for a description of those functions. The Officer will usually have other duties and a different job title.

The submission of both paper and e-petitions to the Council are acceptable however people will only be able to sign a petition once regardless of the format they use.

- 4.3.5 How do petitions work? You create a petition. Only people or organisations that live, work or study within Monmouthshire are able to create a petition. If you are using a paper petition there is no set format that needs to be followed and you can devise your own petition for submission, but it must meet the requirements set out in paragraph 4.3.8, below. If you wish to create an e-petition, you can do so on the Monmouthshire County Council website.

- 4.3.9 When an e-petition reaches its closing date, people will no longer be able to sign the petition online. In order for the Council to take action, the petition will require a minimum 25 signatories.

PART 3 – RESPONSIBILITY FOR FUNCTIONS

19 INTRODUCTION TO FUNCTIONS

19.1 Purpose

19.1.1 Part 3 – Responsibility for Functions is designed to set out who is responsible for making decisions in Monmouthshire County Council. It should be read in conjunction with the guidance in Section 15 Decision Making.

19.2 Who can be Decision Makers?

19.2.1 Under this constitution, there are a number of different decision makers:

- (a) Full Council;
- (b) Committee or Sub-Committee of the Council;
- (c) the Executive Leader;
- (d) the Executive (Cabinet);
- (e) a Committee of Cabinet;
- (f) an individual Cabinet Member;

- (g) a Joint Committee;
- (h) a corporate joint committee;
- (i) an Officer.

19.2.2 The Council must issue and keep up to date a record of which individual has responsibility for particular types of decisions. This is the purpose of Part 3.

19.3 Executive Councils

19.3.1 Monmouthshire County Council is an Executive authority with a Leader elected by the Council (as opposed to, for example, having a directly elected Mayor). This is the most common form of Local Government in Wales.

19.3.2 Under this system, decisions and functions fall by default to the Executive as established by Part II of the Local Government Act 2000. However, this does not make the Executive supreme, and subsequent legislation such as the Local Authorities (Executive Arrangements) (Functions and Responsibilities) (Wales) Regulations 2007 and its subsequent amendments provide further detail on what functions have to sit with the Executive, what functions must not sit with the Executive, and what functions are left to individual Local Authorities to decide where they wish them to sit.

19.4 Functions

19.4.1 Given the legislative structure referred to at 19.3.2, Functions fall into the following categories.

19.4.2 Functions of the Full Council. The Council is the supreme decision-making body and may, with some exceptions, exercise any of the functions vested in the Council by Law. It may also delegate many of those functions to a Committee, Sub-Committee or Officer.

19.4.3 Non-Executive Functions. These are functions which, by law, may not be the responsibility of the Cabinet. In some cases, only the Full Council meeting may take the decision. In other cases, the Council may delegate the responsibility for taking the decision to a Committee (who may further sub-delegate) or an Officer.

19.4.4 'Local Choice' Functions. There are some functions which the Council may treat as being the responsibility of the Cabinet (in whole or in part) or as being non-executive, at its discretion. Again, these functions may be delegated to a Committee or an Officer.

19.4.5 Executive Functions. As per 19.3.2, all other functions not defined as falling under the above categories are Executive functions that may be delegated to individual Cabinet Members, Committees or Officers by the Leader.

19.5 Other Bodies

19.5.1 Advisory Bodies. The Council and/or the Leader can also set up Advisory Committees and Joint Advisory Committees.

19.5.2 Scrutiny Committees. Scrutiny Committees are responsible for the overview and scrutiny function. They cannot exercise other functions and make decisions.

19.5.3 Officer Delegations. Officer delegations are also contained in this Section of the Constitution.

19.5.4 Joint Committees. Committees established in agreement with other authorities or bodies with a view to having decision making powers.

19.6 Removal of Delegation

- 19.6.1 Where a function has been delegated, the body that delegated the function may withdraw the delegation generally or in any case and may exercise the function itself.
- 19.6.2 Where a function has been delegated, the decision maker is not required to exercise the delegation and may refer any matter to the body that made the delegation or any other body that has power to exercise the function.

19.7 Who May Exercise Officer Delegations?

- 19.7.1 Where a function has been delegated to an Officer(s) (“delegated Officer(s)”), the decision may be taken in the name of (but not necessarily personally by) such delegated Officer(s) (“authorised Officer(s)”) in accordance with arrangements made from time to time by such delegated Officer(s) for this purpose. The Officer with delegated powers can delegate to a third party unless that Officer is specifically restricted from doing so relevant to that specific power.
- 19.7.2 Where a function has been delegated, the body that delegated the function may withdraw the delegation generally or in any case and may exercise the function itself.
- 19.7.3 Where a function has been delegated, the decision maker is not required to exercise the delegation and may refer any matter to the body that made the delegation or any other body that has power to exercise the function.

20 FULL COUNCIL

20.1 Functions Only to be Exercised by Full Council

20.1.1 In accordance with sub-para 6.3.1 only the Full Council will exercise the following functions:

- (a) adopting and changing the Constitution;
- (b) approving or adopting the Corporate Plan, Policy Framework, the budget and any application to the Senedd in respect of any Housing Land Transfer;
- (c) subject to the urgency procedure contained in the Access to Information Procedure Rules, making decisions about any matter in the discharge of an Executive Function which is covered by the Policy Framework or the budget where the decision maker is minded to make it in a manner which would be contrary to the Policy Framework or contrary to/or not wholly in accordance with the budget;
- (d) appointing and removing the Leader;
- (e) agreeing and/or amending the terms of reference for Committees, deciding on their composition and making appointments to them (in accordance with the Local Government and Housing Act 1989) unless the appointments have been delegated by the Council;

- (k) appointing representatives to outside bodies unless the appointment has been delegated by the Council or is exercisable only by the Cabinet.

The policy framework includes the plans and strategies listed in Schedule 3 to the Local Authorities (Executive Arrangements) (Functions and Responsibilities) (Wales) Regulations 2007 (as amended), together with such other plans and strategies which the Authority may decide should be adopted by the Council as a matter of local choice, as set out in this Constitution.

23 EXECUTIVE

23.1 What are they?

23.1.1 These are the functions to be carried out by the Executive (Cabinet) on behalf of the authority. They are subject to the restrictions and obligations placed upon the Executive by the Local Authorities (Executive Arrangements) (Functions and Responsibilities) (Wales) Regulations 2007 as amended.

23.2 The Functions

23.2.1 References are made throughout this Constitution to matters that must be dealt with by Cabinet; these are not repeated here. The above legislation, and the general purpose of an Executive-led Council, is that matters not reserved to Council, allocated elsewhere via the Local Choice Functions table or prohibited from sitting with the Executive by legislation default to being an Executive matter and any desired delegation thereafter.

23.2.2 The list below therefore is not definitive nor exhaustive and, where doubt exists, the Monitoring Officer should be consulted.

23.3 Delegation of Functions

23.3.1 Responsibility is delegated to each Executive Member for functions within the scope of their portfolio, provided a matter is:

- (a) within the policy framework or corporate policy;
- (b) is not in conflict, or does not compromise any existing or proposed policy;

- (c) has no corporate impact (does not apply to decisions within corporate portfolios);
- (d) is within approved budgets or within virement discretion;
- (e) is not considered (by the executive member or the Leader) to be too sensitive or controversial to be decided “within-portfolio”;

and subject:

- (f) in all cases to the Leader being able to require any proposed decision to be taken by the Executive itself (where they judge this appropriate);
- (g) to the executive taking the final decision on joint arrangements, arrangements to provide well-being-partnership arrangements and delegations to other local authorities;
- (h) to the Executive itself making policy framework and byelaw recommendations to Council.

23.3.2 Providing the above criteria are met, cross-portfolio decisions may be made by individual Executive Members in respect of their responsibilities provided there is agreement between the Executive Member concerned on the cross-portfolio decisions to be taken. In the absence of this, the decisions will fall to the Executive.

23.3.3 Cabinet may delegate matters to an appropriate Officer as long as it is a matter within the remit of the Executive.

23.4 Executive Functions List

23.4.1 The following list needs to be read in conjunction with the rest of Section 23:

- (a) to take any urgent decisions which are contrary or not wholly in accordance with the approved Budget or contrary to the Policy Framework;
- (b) to develop a medium term financial strategy, with priorities and targets, over a rolling three year period;
- (c) to prepare, agree and, if appropriate, consult on the Authority’s plans, policies and strategies which do not form part of the Policy Framework;

- (f) to agree responses to consultation papers from the Government (including White and Green papers), from the Welsh Government, LGA, WLGA and all other bodies in respect of strategic policy;
- (g) to determine the response to reports from Scrutiny Committees;
- (h) to receive financial forecasts including the medium term financial strategy and the monitoring of financial information and indicators;
- (i) to recommend to the Council the annual budget, including the Capital and Revenue Budgets and the level of Council Tax;
- (j) to ensure that the annual budget is implemented and the underlying principles adhered to in any changes required from time to time and between annual budgets. This will include recommending to Council any changes to policy that will materially

reduce or increase the services of the Authority or create significant financial commitments in future years;

- (k) to agree and oversee the Authority's overall policy in relation to grants to external bodies and to agree the Authority's strategy for the payment of grants;
- (l) to approve the purchase, sale or appropriation of land and buildings in any case where arrangements have not been made for discharge of the function by an officer;

- (o) to consider, at least annually, the level of reserves, provisions and balances held by the Authority and to make recommendations to Council where appropriate;
- (p) to approve writing-off of debts in any case where arrangements have not been made for discharge of the function by an officer;
- (q) to approve the write-off of stocks, stores and other assets in any case where arrangements have not been made for discharge of the function by an officer;
- (r) to approve revenue and capital budget virements or any inter-service virements where the purpose of the budget has been amended or in any case where arrangements have not been made for discharge of the function by an officer and within the Policy and Budgetary Framework and Financial procedure Rules;

- (x) to consider the reports of external review bodies on matters of strategic service delivery;
- (y) to determine any matter delegated to an officer, where that officer considers it more appropriate for it to be dealt with by the Cabinet and it is not reserved to Full Council or prohibited for Executive decision by law;
- (z) to receive reports from appropriate officers of the Council, and/or Cabinet Members, on significant matters requiring consideration/decision, and/or proposals for new or amended policy and its implementation;

- (aa) to have discretion to seek the advice or comments, of a Scrutiny Committee or other relevant body, in relation to significant matters before making a decision.

28.13.2 The public interest should be assessed on a case by case basis having regard to all relevant factors, to ensure a proper balance is achieved between the right to know, the right to personal privacy and the delivery of effective government.

28.13.3 In making such an assessment the proper officer should have regard to any relevant prejudice which may be caused to the Authority or any other party if the information were disclosed, having regard to the full context of any disclosure. Account may be taken of whether disclosure would breach any obligation of confidence or the rights of any individual under the Data Protection Act 2018 or the Human Rights Act 1998.

28.15 The Forward Work Programme

- 28.15.1 Period of forward work programme. The forward work programme will be prepared by the Chief Executive to cover a period of 4 months. It will be updated quarterly on a rolling basis.
- 28.15.2 Contents of forward work programme. The forward work programme will contain matters which the executive, Scrutiny committees and full Council are likely to consider. It will contain information on:
- (a) the timetable for considering the budget and any plans forming part of the policy framework and requiring council approval, and which body is to consider them;
 - (b) the timetable for considering any plans which are the responsibility of the executive;
 - (c) any individual matters on which the executive intends to consult in advance of taking a decision, and the timetable for consultation and decision;
 - (d) the work programme of the Scrutiny committees, to the extent that it is known.

28.16 Consultation on Proposals to be Considered by the Executive

- 28.16.1 At least 2 weeks should be permitted in the forward plan timetable for consultation with relevant Scrutiny committees and ward members where a matter is to be considered by the executive and is not urgent (as defined below) or confidential or exempt.
- 28.16.2 A matter may be considered urgent where the events to which it is addressed were unforeseen at the time that the last forward work programme was produced and a decision is required within (the minimum time provided for consultation as specified above).
- 28.16.3 A decision can only be treated as urgent if the decision taker (if an individual) or the chair of the body making the decision obtains the agreement of the chair of a relevant Scrutiny committee that the taking of the decision cannot be reasonably deferred. If there is no chair of a relevant Scrutiny committee, or if the chair of each relevant Scrutiny committee is unable to act, then the agreement of the Chief Executive, will suffice.
- 28.16.4 Any decisions taken under this urgency procedure will be recorded as having been taken in the absence of consultation in the decision record.

28.17 Record of Decisions of the Executive

- 28.17.1 The decision record:
- (a) a written record will be made of every executive decision made by the executive and its committees (if any) and individual members, and to joint committees and joint sub-committees whose members are all members of a local authority executive;
 - (b) this decision record will include a statement, for each decision, of:

- (i) the decision made;
- (ii) the date the decision was made;
- (iii) the reasons for that decision;
- (iv) any personal interest declared;
- (v) any dispensation to speak granted by the authority's standards committee;
- (vi) the consultation undertaken prior to the decision and, if such consultation has not taken place, the reason why.

28.17.2 Preparing the decision record:

- (a) the proper officer or their representative shall attend any meeting of the executive, a committee of the executive or a joint committee or joint sub-committee where all its members are members of a local authority executive, and shall as soon as reasonably practicable after the meeting produce a decision record;
- (b) where an individual member has made any executive decision:
 - (i) that member shall as soon as reasonably practicable instruct the proper officer to produce a decision record; and
 - (ii) the decision shall not be implemented until that decision record has been produced, subject to (c) below;
- (c) where the date by which an executive decision made by an individual member must be implemented makes compliance with (b) ii above impracticable, the decision may be implemented if the decision maker has the agreement of the Chair (or in their absence, the vice-chair) of the relevant Scrutiny committee, that the making of the decision is urgent and cannot reasonably be deferred.

28.18 Decisions by an Individual Member of the Executive

28.18.1 Reports intended to be taken into account. Where an individual member of the executive receives a report which they intend to take into account in making any decision, then they will not make the decision until at least 5 clear working days after receipt of that report.

28.18.2 Provision of copies of reports to Scrutiny committees. On giving of such a report to an individual decision maker, the person who prepared the report will give a copy of it to the chair of every relevant Scrutiny committee as soon as reasonably practicable, and make it publicly available at the same time.

28.18.3 Record of individual decision. The decision recording rules above will apply.

28.19 Scrutiny Committee Members' Access to Documents

- (a) any business transacted at a meeting of the executive or its committees; or

unless that information is relevant to an action or decision that is being reviewed or scrutinised or any review contained in a programme of work of that committee or sub-committee.

28.19.3 Disclosure. Exempt or confidential information supplied to a member in accordance remains exempt or confidential.

28.20 Additional Rights of Access for Members

28.20.1 Rights of access. All members will be entitled to inspect any document which is in the possession or under the control of the executive or its committees and contains material relating to any business transacted at a meeting of a decision making body of that authority or by an individual member of the executive.

28.20.2 Limitation on rights. A member will not be entitled to any part of a document where:

- (a) it would disclose exempt information falling within paragraphs 12 to 18, 21, 23, 24 and 26 of Schedule 12A of the Local Government Act 1972, or

29 BUDGET AND POLICY FRAMEWORK

29.1 The Budget Setting Process

29.1.1 The Council will be responsible for the adoption of its policy framework and budget. The budget needs to accord with legal time constraints and so this procedure is designed to assist that. The budget adopted by the Council will be based on that proposed by the executive. Once a budget is in place, it will be the responsibility of the executive to implement it.

29.1.2 The process by which the budget shall be developed is:

- (a) the executive will publicise by including in the forward plan and at the Council's offices a timetable for making proposals to the Council for the adoption of the budget, and its arrangements for consultation after publication of those initial proposals. The chair of Scrutiny committees will also be notified. The consultation period shall in each instance be not less than 3 weeks;
- (b) at the end of that period, the executive will then draw up firm proposals having regard to the responses to that consultation. If a relevant Scrutiny committee wishes to respond to the executive in that consultation process then it may do so. As the Scrutiny committees have responsibility for fixing their own work programme, it is open to the Scrutiny committee to investigate, research or report in detail with policy recommendations before the end of the consultation period. The executive will take any response from a Scrutiny committee into account in drawing up firm proposals for submission to the Council, and its report to Council will reflect the comments made by consultees and the executive's response;
- (c) once the executive has approved the firm proposals, the Chief Executive will refer them at the earliest opportunity to the Council for decision;
- (d) in reaching a decision, the Council may adopt the executive's proposals, amend them, refer them back to the executive for further consideration, or in principle, substitute its own proposals in their place;
- (e) if it accepts the recommendation of the executive without amendment, the Council may make a decision which has immediate effect. Otherwise, it may only make an in-principle decision. In either case, the decision will be made on the basis of a simple majority of votes cast at the meeting;
- (f) the decision will be publicised and a copy shall be given to the Leader;
- (g) an in-principle decision will automatically become effective 5 days from the date of the Council's decision, unless the Leader informs the proper officer in writing within five days that they object to the decision becoming effective and provides reasons why;
- (h) similarly, if the budget is defeated, and therefore returns to the executive for further consideration, then the Leader has 5 days from the date of the Council's decision to inform the Chief Executive of their intention to return to Council with a proposal;
- (i) in each case, the proper officer will call a Council meeting within a further 10 days. The Council will be required to re-consider its decision and the Leader's written submission at that meeting. The Council may:

- (i) approve the executive's recommendation by a simple majority of votes cast at the meeting; or
- (ii) approve a different decision which does not accord with the recommendation of the executive by a simple majority;
- (j) the decision shall then be made public implemented immediately;
- (k) in approving the budget and policy framework, the Council will also specify the extent of virement within the budget and degree of in-year changes to the policy framework which may be undertaken by the executive, in accordance 29.1.5 and 29.1.6 (virement and in-year adjustments). Any other changes to the policy and budgetary framework are reserved to the Council.

29.2 Decisions Outside the Budget or Policy Framework

29.2.1 Subject to the provisions of 29.2.4 (virement) the executive, a committee of the executive, an individual member of the executive and any officers, area committees or joint arrangements discharging executive functions may only take decisions which are in line with the budget and policy framework. If any of these bodies or persons wishes to make a decision which is contrary to the policy framework, or contrary to or not wholly in accordance with the budget approved by full council, then that decision may only be taken by the Council, subject to 29.2.3 below.

29.2.2 If the executive, a committee of the executive, an individual member of the executive and any officers, area committees or joint arrangements discharging executive functions want to make such a decision, they shall take advice from the monitoring officer and/or the chief financial officer as to whether the decision they want to make would be contrary to the policy framework, or contrary to or not wholly in accordance with the budget. If the advice of either of those officers is that the decision would not be in line with the existing budget and/or policy framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in 29.2.3 shall apply.

29.2.3 Urgent decisions outside the budget or policy framework:

- (a) the executive, a committee of the executive, an individual member of the executive or officers, area committees or joint arrangements discharging executive functions may take a decision which is contrary to the Council's policy framework or contrary to or not wholly in accordance with the budget approved by full Council if the decision is a matter of urgency. However, the decision may only be taken:
 - (i) if it is not practical to convene a quorate meeting of the full Council; and
 - (ii) if the chair (or if unavailable the vice chairman) of a relevant Scrutiny committee agrees that the decision is a matter of urgency.

The reasons why it is not practical to convene a quorate meeting of full Council and the chair of the relevant Scrutiny committees' consent to the decision being taken as a matter of urgency must be noted on the record of the decision;

- (b) following the decision, the decision taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

29.2.4 Virement. The Council operates a scheme enabling controlled virement of revenue and capital expenditure as detailed within its Financial Procedure Rules.

29.2.5 In-year changes to policy framework. The responsibility for agreeing the budget and policy framework lies with the Council, and decisions by the executive, a committee of the executive an individual member of the executive or officers, area committees or joint arrangements discharging executive functions must be in line with it. No changes to any policy and strategy which makes up the policy framework may be made by those bodies or individuals except those changes:

- (a) which will result in the closure or discontinuance of a service or part of service to meet a budgetary constraint;
- (b) necessary to ensure compliance with the law, ministerial direction or government guidance;
- (c) in relation to the policy framework in respect of a policy which would normally be agreed annually by the Council following consultation, but where the existing policy document is silent on the matter under consideration.

29.2.6 Call-in of decisions outside the budget or policy framework:

- (a) where a Scrutiny committee is of the opinion that an executive decision is, or if made would be, contrary to the policy framework, or contrary to or not wholly in accordance with the Council's budget, then it shall seek advice from the monitoring officer and/or chief financial officer;
- (b) in respect of functions which are the responsibility of the executive, the monitoring officer's report and/or chief financial officer's report shall be to the executive with a copy to every member of the Council. Regardless of whether the decision is delegated or not, the executive must meet to decide what action to take in respect of the monitoring officer's report and to prepare a report to Council in the event that the monitoring officer or the chief finance officer conclude that the decision was a departure, and to the Scrutiny committee if the monitoring officer or the chief finance officer conclude that the decision was not a departure;
- (c) if the decision has yet to be made, or has been made but not yet implemented, and the advice from the monitoring officer and/or the chief financial officer is that the decision is or would be contrary to the policy framework or contrary to or not wholly in accordance with the budget, the Scrutiny committee may refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Council shall meet within 21 days of the request by the Scrutiny committee. At the meeting it will receive a report of the decision or proposals and the advice of the monitoring officer and/or the chief financial officer. The Council may either:
 - (i) endorse a decision or proposal of the executive decision taker as falling within the existing budget and policy framework. In this case no

further action is required, save that the decision of the Council be minuted and circulated to all councillors in the normal way; or

- (ii) amend the council's budget or policy concerned to encompass the decision or proposal of the body or individual responsible for that executive function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all councillors in the normal way; or
- (iii) where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to or not wholly in accordance with the budget, and does not amend the existing framework to accommodate it, require the executive to reconsider the matter in accordance with the advice of either the monitoring officer/chief financial officer.

32.3 Who chairs Scrutiny Committee Meetings?

32.3.1 Each Scrutiny Committee will be Chaired by a Chair appointed from the membership of that Scrutiny Committee

32.4 Who may sit on Scrutiny Committees?

32.4.1 There will be cross party Membership of all Scrutiny Committees. All councillors except members of the executive may be members of a Scrutiny committee. However, no member may be involved in scrutinising a decision in which they have been directly involved.

The Chair, or in their absence the Vice Chair, may change the date or cancel meetings, or call additional meetings as they consider necessary to deal with the Scrutiny Committee's work programme. A meeting of a Scrutiny Committee may be called by the Chair (or in their absence, the Vice Chair) or by the Monitoring Officer or by the Head of Democratic Services, if they consider it necessary or appropriate.

32.7 Agenda Items

32.7.1 Any Member of a particular Scrutiny Committee shall be entitled to give notice to the Proper Officer that they wish an item relevant to the functions of the that Scrutiny Committees to be included on the agenda for the next available meeting. Seven working days' notice of the item should be given to Proper Officer together with sufficient information to enable the Officer to advise about the nature and purpose of the item.

32.7.2 On receipt of such a request, so long as it is an appropriate matter to be considered, the Proper Officer will ensure that it is included on the next available agenda.

32.7.3 Scrutiny Committees shall also respond, as soon as their work programme permits, to requests from the Council and/or the Cabinet to review particular areas of Council activity. Where they do so, the particular Scrutiny Committees shall report their findings and any recommendations back to the Cabinet and/or Council. The Council and/or the Cabinet shall consider the report of the Scrutiny Committees within one month of receiving it.

32.8 Policy Review and Development

32.8.1 The role of the Scrutiny Committees in relation to the development of the Council's Budget and Policy Framework is set out in detail in the Budget and Policy Framework Procedure Rules above.

32.8.2 In relation to the development of the Council's approach to other matters not forming part of its Budget and Policy Framework, Scrutiny Committees may make proposals to the Cabinet for developments in so far as they relate to matters within their terms of reference.

32.8.3 Scrutiny Committees may hold enquiries and investigate the available options for future direction in policy development and may appoint advisers and assessors to assist them in this process. They may go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to attend to address them on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and expenses for doing so.

32.9 Reports from the Scrutiny Committees

32.9.1 All formal reports from the Scrutiny Committees will be submitted to the Proper Officer for consideration by the Cabinet (if the proposals are consistent with the existing Budget and Policy Framework), or to the Council as appropriate (e.g. if the recommendation would require a departure from or a change to the agreed Budget and Policy Framework).

32.9.2 If a Scrutiny Committee cannot agree on one single final report to the Council or Cabinet as appropriate, one minority report may be prepared and submitted for consideration by the Council or Cabinet with the majority report.

32.9.3 The Council or Cabinet shall consider the report of a Scrutiny Committee within one month of it being submitted to the Proper Officer.

32.10 Making sure that Overview and Scrutiny Reports are considered by the Cabinet

32.10.1 The agenda for Cabinet meetings shall include an item entitled "Issues Arising from Overview and Scrutiny". The reports of the Scrutiny Committees referred to the Cabinet shall be included at this point in the agenda (unless they have been considered in the context of the Cabinet's deliberations on a substantive item on the agenda) as soon as practicable. Where an item is not considered by the Cabinet within 3 months, the Cabinet will give an explanation of the reasons to the Chair of the relevant Scrutiny Committee as soon as practicable.

32.10.2 Where the Cabinet has delegated decision making power to another individual Member of the Cabinet, the relevant Scrutiny Committee will submit a copy of its report to them for consideration. At the time of doing so the Scrutiny Committee shall serve a copy on the Monitoring Officer. The Member with delegated decision making power must consider the report and respond in writing to the Scrutiny Committee within 3 months of receiving it. A copy of their written response to it shall be sent to the Proper Officer and the Leader. The Member will also attend a future meeting of that Scrutiny Committee to present their response.

32.11 Rights of Members of the Scrutiny Committees to Documents

32.11.1 In addition to their rights as Councillors, Members of the Scrutiny Committees have the additional right to documents, and to notice of meetings as set out in the Access to Information Procedure Rules.

32.11.2 Nothing in this paragraph prevents more detailed liaison between the Cabinet and the Scrutiny Committee as appropriate depending on the particular matter under consideration.

32.12 Members and Officers Giving Account

32.12.1 The Scrutiny Committees may scrutinise and review decisions made or actions taken in connection with the discharge of any Council functions. As well as reviewing documentation, in fulfilling the Scrutiny role, it may require any Member of the Cabinet, the Chief Executive and/or any senior Officer to attend before it to explain in relation to matters within their remit:

- (a) any particular decision or series of decisions;
- (b) the extent to which the actions taken implement Council policy; and/or
- (c) their performance and it is the duty of those persons to attend if so required.

32.12.2 For this purpose, senior Officer includes any chief Officer, Deputy Chief Officer and other appropriate senior Officer. Where there are concerns about the appropriateness of the Officer who should attend, the relevant chief Officer shall discuss this with the appropriate Overview and Scrutiny Chair or Vice Chair with a view to achieving consensus.

32.12.3 Where any Member or Officer is required to attend a Scrutiny Committee under this provision, the Chair of that Committee will inform the Proper Officer. The Proper Officer shall inform the Member or Officer, if necessary in writing, giving at least 10 working days' notice of the meeting at which they are required to attend (unless agreed otherwise). Any notice will state the nature of the item on which they are required to attend to give account and whether any papers are required to be produced for the Committee.

32.12.4 Where the account to be given to a Scrutiny Committee will require the production of a report, then the Member or Officer concerned will be given sufficient notice to allow for preparation of that documentation.

32.12.5 Where, in exceptional circumstances, the Member or Officer is unable to attend on the required date, then the Scrutiny Committee shall in consultation with the Member or Officer arrange an alternative date for attendance.

32.13 Attendance by Others

32.13.1 Scrutiny Committees may invite people other than those people referred to above to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, stakeholders and Members and Officers in other parts of the public sector and shall invite such people to attend.

32.14 Call-In

32.14.1 All decisions taken by Cabinet, an individual member of the Cabinet, a Committee of the Cabinet or decisions taken under joint arrangements are subject to call-in.

32.14.2 All Key Decisions (as defined by paragraph 24.2.3) taken by Officers are subject to call-in.

32.14.3 Where a decision falling within 31.14. 1 and 31.14.2 is made, it shall be published by the Proper Officer, including by electronic means, and shall be available at the main offices of the Council within 2 clear working days of it being made. All members of the Scrutiny Committees will be sent copies of the records of all such decisions within the same time scale, by the person responsible for publishing the decision.

32.14.4 That notice will bear the date on which it is published and will specify that the decision will come into force and may then be implemented, on the expiry of 5 clear working days after the publication of the decision, unless a Scrutiny Committee objects to it and calls it in for review.

32.14.5 During that period the Proper Officer shall call-in a decision for scrutiny by a Scrutiny Committee if so requested in the specified format by 3 Members of the Council and, shall then notify the decision taker of the call-in. They shall call a meeting of that Scrutiny Committees on such a date as they may determine, where possible after consultation with the Chair or Vice Chair of that Scrutiny Committees, and in any case within 15 clear working days of the decision to call-in (only in exceptional circumstances will the Chair of the Scrutiny Committee consider extending this time limit)

32.14.6 If, having considered the decision, the Scrutiny Committee is still concerned about it, then it may refer it back to the decision making body for reconsideration, setting out in writing the nature of its concerns or refer the matter to Full Council. If referred to the decision maker they shall then reconsider within a further 10 clear working days, amending the decision or not, before adopting a final decision. If referred to full Council, the Proper Officer will convene a meeting of the Council within 15 clear working days.

32.14.7 If following an objection to the decision, a Scrutiny Committee does not meet within the period set out above, or does meet but does not refer the matter back to the decision making person or body, the decision shall take effect on the date of the Scrutiny Committee' meeting, or the expiry of that further 15 clear working day period, whichever is the earlier.

32.14.8 If the matter was referred to Full Council and the Council does not object to a decision which has been made, then no further action is necessary and the decision will be effective in accordance with the provision below. However, if the Council does object, the Council will refer any decisions to which it objects back to the decision making person or body, together with the Council's views on the decision. That decision making body or person shall choose whether to amend the decision or not before reaching a final decision and implementing it. Where the decision was taken by the Cabinet as a whole or a Committee of it, a meeting will be convened to reconsider within ten working days of the Council's request. Where the decision was made by an individual, the individual will reconsider within ten working days of the Council's request.

32.14.9 If the Council does not meet, or if it does but does not refer the decision back to the decision making body or person, the decision will become effective on the date of the Council meeting or expiry of the period in which the Council meeting should have been held, whichever is earlier.

32.14.10 No Education Co-opted Members may call-in a decision.

32.14.11 The call-in procedure shall not apply to:

a) matters that are substantially similar to those that have already been considered by a Scrutiny Committee prior to the decision being made or have been the subject of a previous call-in within the last six months, unless there has been a material change in circumstances;

b) urgent decisions as defined within these rules;

c) Operational Decisions by officers.

32.14.12 The Monitoring Officer, in consultation with the Chief Executive, will determine whether or not a request for call-in falls within the rules the scheme.

32.14.13 Save in exceptional circumstances (as adjudicated by the Chief Executive) all Members requesting a matter be called in must attend the meeting at which the matter is being considered. The relevant cabinet member or, in their absence, the Leader or a deputy leader should also attend.

32.15 Urgent Decisions and Call-in

32.15.1 The call-in procedure set out above shall not apply where the decision being taken by the Cabinet is urgent. A decision will be urgent if any delay likely to be caused by the call-in process would, for example, seriously prejudice the Council's or other public interests. The record of the decision, and notice by which it is made public, shall state whether in the opinion of the decision making person or body, the decision is an urgent one, and therefore not subject to call-in.

32.15.2 A decision can only be treated as urgent if the decision taker (if an individual) or the chair of the body making the decision obtains the agreement of the chair of a relevant Scrutiny committee that the taking of the decision cannot be reasonably deferred. If there is no chair of a relevant Scrutiny committee, or if the chair is unable to act, then the agreement of the Chief Executive of the Council, will suffice.

32.15.3 The chair of the relevant Scrutiny Committee or Chief Executive, as the case may be, must agree both that the decision proposed is reasonable in all the circumstances and to it being treated as a matter of urgency. Decisions taken as a matter of urgency must be reported at the next available meeting of the Council, together with the reasons for urgency.

32.15.4 The operation of the provisions relating to call-in and urgency shall be monitored annually and a report submitted to Council with proposals for review if necessary.

32.16 The Party Whip

32.16.1 If a Member of a Scrutiny Committee is subject to a party whip in respect of an issue to be considered by it, that Member must declare the existence of the whip and the nature of it before the commencement of deliberations on the matter. The declaration, and the detail of the whipping arrangements, shall be recorded in the minutes of the meeting.

32.17 Procedure at Scrutiny Committee Meetings

32.17.1 Scrutiny Committees shall consider the following business:

- (a) minutes of the last meeting;
- (b) declarations of interest;
- (c) consideration of any matter referred to that Scrutiny Committee for a decision in relation to call in of a decision;
- (d) responses of the Cabinet to reports of that Scrutiny Committee;
- (e) the business otherwise set out on the agenda for the meeting.

32.17.2 The rules of debate at a Scrutiny Committee will be the same as the Committee Meeting Procedure Rules except that the Chair of the meeting may allow the rules of debate to be relaxed to enable a full contribution by those attending the meeting whether as Members of a Scrutiny Committee or in any other capacity which allows them to contribute to the function of scrutiny.

32.17.3 Scrutiny Committees may ask people to attend to give evidence or answer questions about any items on their agenda. Meetings should be conducted in accordance with the following principles:

- (a) that the business be conducted fairly and all Members of the Scrutiny Committees be given the opportunity to ask questions of witnesses, and to contribute and speak;
- (b) that those assisting by giving evidence be treated with respect and courtesy;

(c) that the business be conducted as efficiently as possible.

32.17.4 Any Scrutiny Committee may, following the scrutiny of any decision or forthcoming decision, prepare a report for submission to the Cabinet and/or Council as appropriate.

32.18 Matters within the Remit of more than one Scrutiny Committees

Where a matter for consideration by a Scrutiny Committee also falls within the remit of one or more other Scrutiny Committee, the decision as to which Scrutiny Committees will consider it will be resolved by agreement of the respective Chairs. If no such agreement is possible, then the relevant Chief Officer shall determine which Scrutiny Committee is the most appropriate forum.

32.19 Councillor Call for Action

32.19.1 The Councillor Call for Action is a mechanism for enabling elected Members to bring matters of local concern to the attention of the Council via the Scrutiny process. It should be an option of "last resort".

32.19.2 Any Member may request that an item is placed on the agenda of an Scrutiny Committees for consideration.

32.19.3 The procedure for dealing with a Call for Action is set out in the Councillor Call for Action - Guidance for Councillors attached to these Rules at Section 32.

33 COUNCILLOR CALL FOR ACTION – GUIDANCE FOR COUNCILLORS

33.1 Introduction

33.1.1 The Local Government Wales Measure 2011 introduced a number of new provisions aimed at strengthening local democracy. Section 63 of the Measure introduced a provision for "Councillor Calls for Action" (CCfA) which enables Councillors to refer issues of local importance to Scrutiny Committees.

33.1.2 CCfAs are intended to enable local Councillors and their electors to obtain a response from their Council Leadership on issues of local importance. CCfAs should be regarded as one of a series of tools which elected Members have at their disposal to resolve local issues and make a positive difference in their community. Previously in Wales, only local Crime and Disorder issues could be referred by the local Member to the designated Crime and Disorder Scrutiny Committee for action and it should be noted that these local crime and disorder referrals will remain in place under separate legislation.

33.1.3 As part of their community leadership role, councillors have always attempted to resolve issues on behalf of their local residents and CCfAs provide an additional avenue for councillors to follow if the normal ways of resolving an issue have not been successful and the issue meets the criteria for a referral. It should be noted that a referral under this process should be seen as a last resort after all other avenues have been exhausted.

33.1.4 CCfAs have been introduced alongside other powers for scrutiny, including powers to scrutinise a wide range of bodies not previously subject to local authority scrutiny. CCfAs are intended to enable any Member for the Council to refer to a Scrutiny Committee, “a local government matter” which falls within the Scrutiny Committees remit.

33.2 How Should I Normally Attempt to Resolve a Local Issue in my Area?

33.2.1 Local issues can be resolved in a number of ways by councillors on behalf of their residents as listed in the Welsh Government’s Statutory Guidance from the Local Government Measure 2011:

- (a) informal discussions with Officers or other councillors;
- (b) informal discussions with partner representatives;
- (c) referral to other “scrutiny” bodies such as Community Health Councils or internal audit committee;
- (d) formal discussions with Officers and councillors;
- (e) formal letters to the Cabinet Members;
- (f) asking questions at Full Council;
- (g) submitting a motion to Full Council;
- (h) organising public meetings;
- (i) use of petitions;
- (j) making a complaint;
- (k) questions at Full Council;
- (l) freedom of information requests;
- (m) communication with local AMs or MPs;
- (n) use of social media or email based campaigns.

33.2.2 This is not an exhaustive list and councillors may choose different routes for specific issues. If an issue has not been resolved after exhausting all possible alternative routes, then a local councillor can refer it to the appropriate Scrutiny Committees.

33.3 What is a Councillor Call for Action?

33.3.1 In order for the Scrutiny Committees to accept a CCfA as an agenda item for discussion at one of their meetings, the issue must affect either all or part of a councillor’s electoral area or it must affect someone who lives or works in that area.

33.3.2 A Councillor does not however need a referral from a constituent in order to start the process. It is important to recognise that a CCfA is not guaranteed to solve a given problem, though it can provide a method for discussing such problems and, through discussion, attempt to overcome them.

33.4 How and When Should I Make a CCFA?

33.4.1 A flowchart showing the process is provided at Annex A. A councillor may initiate the process by completing the form at Annex B. Further copies are available from the Head of Democratic Services. It is important that the local councillor specifies what outcome is expected from the referral. After completion the form should be returned to the Head of Democratic Services who will log and acknowledge the referral within 5 working days, to track its progress and forward a copy of the form to the Proper Officer.

33.4.2 The Proper Officer will confirm whether or not the referral satisfies the requirements outlined above to enable it to be placed on the agenda for discussion at a meeting of the Scrutiny Committee. The Proper Officer reserves the right to exclude from the agenda any matter which is vexatious, discriminatory or otherwise potentially unlawful; and the Councillor will be informed of this outcome as soon as practicable.

33.5 Criteria to be Followed by a Scrutiny Committee

33.5.1 It is up to the Members of a Scrutiny Committee to decide whether, and in what form, to take the matter further. The Scrutiny Committee will use the following criteria to decide whether or not the referral is appropriate to be considered by that Scrutiny Committee:

- (a) is that Scrutiny Committee satisfied that all reasonable attempts have been made to resolve the issue by the local councillor? Do the responses received by the referring councillor demonstrate that the matter is not being progressed?
- (b) Has that Scrutiny Committee considered a similar issue recently? If so, have the circumstances or evidence changed?
- (c) Is there a similar or related issue which is the subject of a review on the current work programme? It may be more appropriate to link the new issue to an existing review, rather than hold a separate CCfA hearing. Relevant time pressures on resolving the CCfA should be taken into account;
- (d) have all relevant service areas or partner organisations been informed and been given enough time to resolve the issue? What response has the councillor received?
- (e) Is this a case that is being or should be pursued via the Council's corporate complaints procedure?
- (f) Is it relating to a "quasi-judicial" matter or decision such as planning or licensing?
- (g) Is the matter an issue of genuine local concern which impacts on the local community rather than a personal matter?

- (h) Is this an issue currently being looked at by another form of local scrutiny?
- (i) Does the matter have the potential for scrutiny to produce recommendations which could realistically be implemented and lead to improvements for anyone living or working in the Member's electoral division?

33.5.2 Crime and Disorder referrals should be directed to the designated Crime and Disorder Scrutiny Committee (Public Services Scrutiny Committee).

33.5.3 If a Scrutiny Committee decides not to accept the CCfA it must inform the councillor of the decision and the reasons for it.

33.5.4 If a Scrutiny Committee decides to accept the CCfA the Councillor will be informed and advised of the agreed Protocol, e.g. the Councillor will be given adequate notice (a minimum of 10 clear working days) of the date of the Scrutiny Committee's meeting. The Councillor will be requested to attend to the Scrutiny Committee and informed that they will have 5 minutes in which to address the Scrutiny Committee.

33.5.5 The Scrutiny Committee may then wish to question the Councillor further before deciding how it intends to take the matter forward. This could include:

- (a) asking the relevant responsible authorities to respond to the CCfA;
- (b) setting up a research or task and finish group to undertake a more in-depth review;
- (c) asking for further evidence and/or witnesses to be brought to a future meeting. The Scrutiny Committee has the power to request "designated persons" such as representatives from other public bodies/agencies to attend, where relevant, and to request information.

33.6 Potential Outcomes from a CCFA

33.6.1 A Scrutiny Committee could:

- (a) determine that it is a complex issue that requires further investigation and commission a scrutiny review of the issue;
- (b) write a response and make recommendations on the CCfA to a relevant responsible authority;
- (c) decide that further action is not appropriate giving its reasons.

33.6.2 Once a Scrutiny Committee has completed its work, the Councillor who made the referral will receive a copy of any response or recommendations made.

33.7 Timescales for Dealing with a CCFA

33.7.1 In exceptional circumstances, for example where there are unavoidable time constraints, a special Scrutiny Committee meeting may be convened.

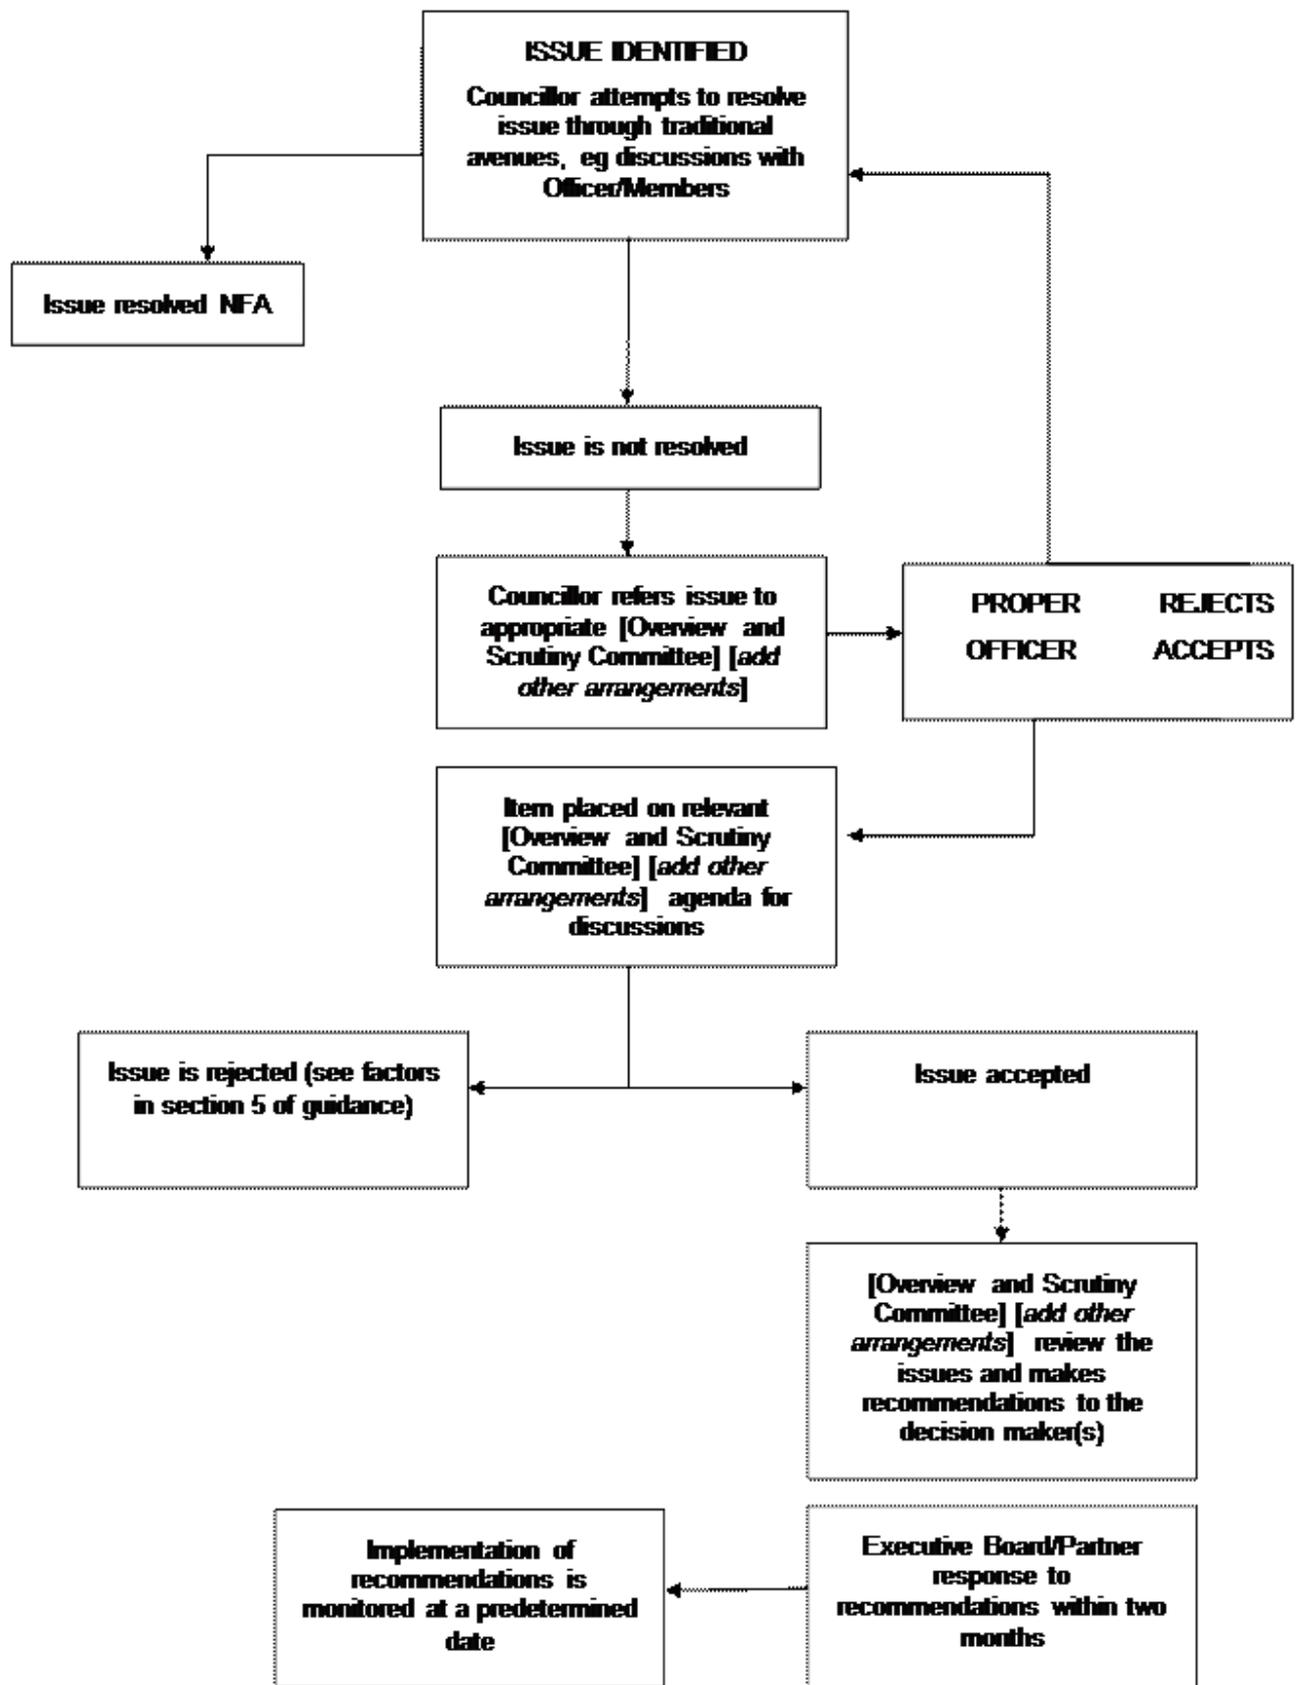

33.7.2 Should a CCfA result in recommendations to the Cabinet responsible authorities, they will be requested to make a response to the recommendations within 28 days and 2 months respectively.

Scrutiny Committees will monitor implementation of any recommendations as part of their Forward Work Programme.

33.8 Review of this Guidance

33.8.1 This guidance is based on a model prepared and approved by the Association of Council Secretaries and Solicitors (ACSeS) in October 2009. ACSeS will review their model guidance in light of experience of the use of these procedures by local authorities in Wales, and this guidance may therefore be modified accordingly. Scrutiny Committee review the issues and makes recommendations to the decision maker(s). Cabinet/Partner response to recommendations within 2 months .Implementation of recommendations is monitored at a predetermined date.

2. Please consider whether your referral might be considered premature by the Scrutiny Committees. Consider whether other potential remedies have been exhausted, before a referral is made. Members should be aware that if a premature referral is made, the Committee is likely to refuse to deal with the issue, based on the criteria outlined above. If the Proper Officer believes that the referral is premature, they will advise you accordingly.

34.2.7 The s151 Officer is responsible for issuing advice and guidance to underpin the Financial Procedure Rules that members, officers and others acting on behalf of the Council are required to follow.

34.2.8 Chief Officers and Heads of Service are responsible for ensuring that all staff in their service areas are aware of the existence and content of the Authority's Financial Procedure Rules, and guidance documents issued by the s151 Officer, and that they comply with them. Failure to comply with the Financial Procedure Rules, or the instructions issued under them, or any arrangements made for the purposes of them, will constitute misconduct, possibly gross misconduct.

34.2.9 Other related documents approved by the Authority include the Constitution, Delegations, Contract Procedure Rules and Codes of Conduct.

34.2.10 The s151 Officer is responsible for promoting the same high standards of conduct in the management of partnerships as with the Council. - (b) virement Guidelines are approved by Cabinet. There are different levels and types of budget virement that can occur, each requiring different levels of Member/Officer approval; this is outlined in the document.

34.4.2 Key Controls. Key controls for the scheme of virement are:

- (a) the overall revenue budget is drawn up by the Cabinet and approved by the full Council. Chief Officers and budget holders are, therefore, authorised to incur expenditure in accordance with the estimates that make up the budget as set out in the budget book. The rules below cover virement; that is, switching resources between approved cost centres:
 - (i) virement does not create additional overall budget liability. Chief Officers and budget holders are expected to exercise their discretion in managing their budgets responsibly and prudently. For example, they should not support recurring revenue expenditure from one-off sources of savings or additional income, or creating future commitments, including full-year effects of decisions made part way through a year, for which they have not identified future resources. Chief Officers must plan to fund such commitments from within their own budgets;
 - (ii) the capital programme is drawn up by the Cabinet and approved by the full Council and contains details of approved expenditure on capital schemes.

34.4.3 Responsibility of the Cabinet. To approve revenue and capital budget virements outside of the delegations identified below:

34.12 Revenue Budget Preparation and Medium-Term Financial Planning

34.12.1 The Council is a large and complex organisation responsible for delivering a wide variety of services. It needs to plan effectively and to develop systems to enable scarce resources to be allocated in accordance with carefully weighed priorities. The budget is the financial expression of the Authority's plans and policies.

34.12.2 The revenue budget must be constructed so as to ensure that resource allocation properly reflects the service plans and priorities of the full Council. Budgets (spending plans) are needed so that the Authority can plan, authorise, monitor and control the way money is allocated and spent. It is unlawful for a local authority to budget for a deficit.

34.12.3 In considering the affordability of its capital plans the Council is required to consider all the resource currently available, and for the future together with an estimate of its requirements for the following year and each of the following three years. The Council is also required to consider known significant changes beyond this timeframe. This requires the development of rolling 4-year forecasts.

34.12.4 Key Controls. The Key Controls for budgets and medium-term financial planning are:

- (a) budget holders are responsible for the preparation of the budgets for which they will be held responsible and accept accountability within delegations set by the Cabinet for their budgets and the level of service to be delivered;

34.12.5 Responsibilities of the s151 Officer:

- (a) to prepare a report annually on a budget strategy for the following financial year for consideration by the Cabinet. This will take account of the commitments, resource constraints and shall include medium term prospects. It will cover all the services of the Authority. The Cabinet having considered the report of the s151 Officer will then agree a medium term financial plan;
- (b) to prepare, after the budget strategy has been agreed by the Cabinet, in conjunction with the Chief Officers and Heads of Service, estimates of the income and expenditure of the various service areas and submit them to the Cabinet. The Cabinet shall consider the aggregate effect of these estimates upon the Authority's financial resources and, subject to any other considerations of policy and to any amendments which it proposes to make,

shall draw up proposals for the Budget and the amount of Council Tax to be levied for the ensuing financial year to be referred to the Council. The inclusion of items in approved revenue estimates shall constitute authority to incur such expenditure save to the extent of which the Council shall have placed a reservation on any such items. Expenditure on any such reserved items may be incurred only when and to the extent that such reservations have been removed;

- (c) to prescribe the Budget format required and to ensure that there is a budget setting timetable in place;
- (d) to advise on the medium term implications of spending decisions and prepare medium term plans;
- (e) to encourage the best use of resources and value for money by working with Chief Officers and Heads of Service to identify opportunities to improve economy, efficiency and effectiveness, and by encouraging good practice in conducting financial appraisals of development or savings options, and in developing financial aspects of service planning;

 - (i) spending / income patterns and pressures revealed through the budget monitoring process;
 - (ii) legal requirements;
 - (iii) policy requirements as defined by the full Council in the approved policy framework;

- (iv) initiatives already under way;
- (v) areas where savings/efficiencies can be made.

34.13 Resource Allocation

34.13.1 A mismatch often exists between available resources and required resources. A common scenario is that available resources are not adequate to fulfil need/desire. It is therefore imperative that needs/desires are carefully prioritised and that resources are fairly allocated, in order to fulfil all legal responsibilities. Resources may include staff, money, equipment, goods, property and materials.

34.13.2 Key Controls. The key controls for resource allocation are:

- (a) resources are acquired in accordance with the law and using an approved authorisation process;
- (b) resources are used only for the purpose intended, to achieve the approved policies and objectives, and are properly accounted for;

- (b) to identify opportunities to minimise or eliminate resource requirements or consumption without having a detrimental effect on service delivery.

34.14 Revenue Budget Monitoring and Control

34.14.1 Proper budget management ensures that, once the budget has been approved by the full Council, resources are used for their intended purposes and are properly accounted for. Budgetary control is a continuous process, enabling the Authority to review and adjust its budget targets during the financial year. It also provides the mechanism that calls to account managers responsible for defined elements of the budget.

34.14.2 By continuously identifying and explaining variances against budgetary targets, the Authority can identify changes in trends and resource at the earliest opportunity. The Authority itself operates within an annual cash limit, approved when setting the overall budget. To ensure that the Authority, in total, does not overspend, each service area is required to manage its own expenditure within the cash limited budget allocated to it.

34.14.3 Chief Officers and Heads of Service are expected to exercise their discretion in managing their budgets responsibly and prudently. For example, they should not support recurring revenue expenditure from one-off sources of savings or additional income, or creating future commitments, including full-year effects of decisions made part way through a year, for which they have not identified future resources. They must plan to fund such commitments from within their own budgets.

34.14.4 For the purposes of budgetary control by managers, a budget will normally be the planned income and expenditure for a service area or cost centre. However, budgetary control may take place at a more detailed level if this is required.

34.14.5 Key Controls. The minimum key controls for managing and controlling the revenue budget are:

- (a) there is a nominated budget manager for each cost centre;
- (b) budget holders accept accountability for their budgets and the level of service to be delivered and understand their financial responsibilities;
- (c) budget holders follow an approved certification process for all expenditure;
- (d) income and expenditure are properly recorded and accounted for;
- (e) performance levels/levels of service are monitored in conjunction with the budget and necessary action is taken to align service outputs and budget; and
- (f) specific budget approval is given for all expenditure.

34.14.6 Responsibilities of the s151 Officer:

- (a) to establish an appropriate framework of budgetary management and control that ensures that:
 - (i) budget management is exercised within annual cash limits unless the full Council agrees otherwise;
 - (ii) all Chief Officers and Heads of Service are furnished with periodical statements of receipts and payments and such other relevant information as they have which is sufficiently detailed to enable managers to fulfil their budgetary responsibilities;
 - (iii) in consultation with Chief Officers and Heads of Service, reports are submitted, as determined by the s151 Officer, to the Cabinet, Scrutiny Committees, monitoring expenditure and comparing anticipated outturn with estimates;

- (iv) each cost centre has a single named manager, determined by the relevant Head of Service. As a general principle, budget responsibility should be aligned as closely as possible to the decision making processes that commits expenditure; and
- (v) significant variances from approved budgets are investigated and reported by budget holders regularly;
- (b) to ensure that Members and Strategic Leadership Team are appropriately briefed to allow them to understand the reports that are presented to them where a Head of Service is unable to balance expenditure and resources within existing approved budgets under their control.

34.14.7 Responsibilities of Chief Officers and Heads of Service:

- (a) to be responsible for keeping strict supervision of the expenditure of their respective service areas and for drawing the attention of the s151 Officer and the Cabinet and the Council to any contemplated expenditure not provided for in the estimates or which, if incurred, would exceed the amount allocated for the purpose in the estimates;
- (b) to maintain budgetary control within their service areas, in adherence to the principles above, and to ensure that all income and expenditure is properly recorded and accounted for;
- (c) to ensure that budgetary provision is identified for all expenditure incurred;
- (d) to ensure that officers responsible for committing expenditure comply with relevant guidance and financial regulations;
- (e) to ensure, after consultation with the s151 Officer that there is subsequent approval by the full Council or Cabinet (as appropriate) for new proposals, of whatever amount, that:
 - (i) create financial commitments in future years;
 - (ii) change existing policies, initiate new policies or cease existing policies;
 - (iii) materially extend or reduce the Authority's services;
- (f) to ensure compliance with procedures regarding virement.

34.15 Capital Budgeting and Monitoring

34.15.1 Capital expenditure (including use of capital grants and PFI/PPP projects or similar type arrangements) involves acquiring or enhancing fixed assets with a long term value to the Authority, such as land, buildings, infrastructure and major items of plant, equipment or vehicles. Capital assets shape the way services are delivered in the long term and create financial commitments for the future in the form of financing costs and revenue running costs.

34.15.2 The financing capacity of the Authority is restricted by the affordability, prudence and sustainability of the Capital Programme and the underlying borrowing that supports it. This means that capital expenditure should form part of an investment strategy and should be carefully prioritised in order to maximise the benefit of scarce resources.

34.15.3 Key Controls. The key controls for capital programmes are:

- (a) specific approval by the full Council for the programme of capital expenditure;
- (b) a scheme and estimate, including a robust business plan, options, progress targets and associated revenue expenditure is prepared for each capital project, for appraising by the s151 Officer;
- (c) proposals for improvements and alterations to buildings must be approved by the appropriate Head of Service in accordance with the Asset Management Plan;
- (d) schedules for individual projects within the overall budget approved by the Council must be approved by the appropriate Head of Service;
- (e) accountability for each proposal is accepted by a named project manager;
- (f) progress and expenditure should be monitored and compared to the approved budget;
- (g) Cabinet approval of any changes to the Council approved Capital Programme whereby all funding is grant or s106 Capital;
- (l) VAT is recorded and reported accurately and that payments are made in accordance with the requirements of VAT legislation and the HMRC's Construction Industry Scheme.

34.15.4 Responsibilities of the s151 Officer:

- (a) to issue guidance relating to the strategy and controls for capital schemes. The definition of 'capital' will be determined by the S151 Officer, having regard to Government regulations and accounting requirements;

- (c) to ensure all matters required to be taken into account are reported to the Cabinet and Council when setting and revising prudential indicators;
- (d) to establish procedures for the monitoring of prudential indicators;
- (e) to prepare a report on the Capital Programme for the service area proposals, taking into account the Prudential Code Borrowing, Policy Framework, commitments, resource constraints and Capital Receipts. This report shall compare the estimates with the finance available and propose the level of annual expenditure of each service area. The report will identify those

schemes where expenditure may only be incurred after further work has been undertaken;

- (f) to furnish all Chief Officers and Heads of Service with periodical statements of expenditure and progress on individual schemes. It shall be the responsibility of the s151 Officer in consultations with each Chief Officer and Head of Service to submit reports, as determined by the s151 Officer, to the Cabinet, Scrutiny Committees and the Council, monitoring expenditure and comparing with approved programme. The inclusion of items in the approved Capital Programme shall constitute authority to incur such expenditure save to the extent of which the Council shall have placed a reservation on any such items. Expenditure on any such reserved items may be incurred only when and to the extent that such reservations have been removed.

34.15.5 Responsibilities of Heads of Services and Capital Budget Holders:

- (a) to comply with guidance concerning capital projects and controls issued by the s151 Officer;
- (b) to carry out an option appraisal before bidding / incurring capital expenditure to determine alternative methods of meeting need;
- (c) to consider the revenue implications of Capital Projects over the whole life of projects and notify the s151 Officer when planning to undertake such schemes which do commit the Authority to additional Revenue expenditure;
- (d) to submit a prioritised list of bids as part of the Medium Term capital budgeting process representing the schemes required to deliver service and corporate strategy;
- (e) to ensure that all capital expenditure proposals are processed through the capital working group in advance of the s151 Officer making recommendations to Cabinet or Council as necessary;
- (f) to ensure that adequate records are maintained for all capital contracts and the preparation of grant claims;
- (g) to ensure compliance with the Authority's scheme of virement;
- (h) to report to the s151 Officer as soon as it becomes apparent that the total cost of a scheme including variations will or is likely to exceed £50,000 or 5% [whichever is the higher] above the capital budget available. This report should cover the reasons for increased cost, an analysis of options considered to reduce cost to budget and the funding options considered to meet any budget shortfall;
- (i) to ensure that credit arrangements, such as leasing agreements, are not entered into without the prior approval of the s151 Officer and, if applicable, approval of the scheme through the capital programme;
- (j) to consult with the s151 Officer where the Head of Service proposes to bid for Capital Funding to be issued by Government departments or others to support expenditure that has not been included in the current year's capital programme;

- (k) to ensure all expenditure charged against capital budgets meets the definition of capital expenditure in accordance with the Local Government Act 2003 and recommended accounting practice.

34.16 Maintenance of Reserves

34.16.1 Reserves can be provided as a working balance, a contingency for unexpected events or emergencies or to meet known or predicted liabilities.

34.16.2 Key Controls:

- (a) to maintain reserves in accordance with the relevant codes of practice on local authority accounting in the United Kingdom and agreed accounting policies'

34.19.2 The Authority has statutory obligations and, therefore, requires internal controls to identify, meet and monitor compliance with these obligations.

34.19.3 The Authority faces a wide range of financial, administrative and commercial risks, both from internal and external factors, which threaten the achievement of its objectives. Internal controls are necessary to manage these risks.

The Accounts and Audit Regulations (Wales) 2005, more specifically, require that a 'local government body shall maintain an adequate and effective system of internal audit of its accounting records and of its systems of internal control in accordance with the proper internal audit practices'.

34.20.2 Internal audit is an independent and objective assurance and consulting activity designed to add value and improve an organisation's operations. 34.40 External Arrangements

34.40.1 This is section 6 and covers Partnerships, External Funding and Work for third parties.

34.41 Partnerships

34.41.1 Partnerships play a key role in delivering community strategies and in helping to promote and improve the well-being of the area. Local authorities are working in partnership with others – Aneurin Bevan LHB, Heddlu Gwent Police, public agencies, private companies, community groups and voluntary organisations. Local authorities still deliver some services, but their distinctive leadership role is to bring together the contributions of the various stakeholders. They therefore need to deliver a shared vision of services based on user wishes.

34.41.2 Local authorities will mobilise investment, bid for funds, champion the needs of their areas and harness the energies of local people and community organisations. Local authorities will be measured by what they achieve in partnership with others.

34.41.3 Individual Cabinet Members are responsible for approving the contractual arrangements for any work for third parties or external bodies where the contract value exceeds £250,000.

34.41.4 The default position is that any external arrangements will be subject to the Council's financial regulations, unless specific approval has been granted by Cabinet to do otherwise.

34.41.5 The main reasons for entering into a partnership are to share risk, to access new resources, to provide new and better ways of delivering services and to forge new relationships.

34.41.6 A partner is defined as either:

- (a) an organisation (private or public) undertaking, part funding or participating as a beneficiary in a project, or
- (b) a body whose nature or status give it a right or obligation to support the project.

34.41.7 Partners have common responsibilities:

- (a) to be willing to take on a role in the broader programme appropriate to the skills and resources of the partner organisation;
- (b) to acknowledge that the best interest of the partnership is more important than the best interest of each participating group;
- (c) to acknowledge that the partnerships require a level of flexibility which may require non-compliance with the Authority's Financial and Contract Procedure Rules. Where this arises it should be formally approved by Cabinet;
- (d) to act in good faith at all times and in the best interests of the partnership's aims and objectives;
- (e) to be open about any conflict of interests that might arise;
- (f) to encourage joint working and promote the sharing of information, resources and skills between public, private and community sectors;
- (g) to hold confidentially any information received as a result of partnership activities or duties that is of a confidential or commercially sensitive nature;
- (h) to act wherever possible as ambassadors for the project.

34.41.8 Key Controls. The key controls for the Authority's partners are:

- (a) to be aware of their responsibilities under the Authority's Financial and Contract Procedure Rules and to consider the appropriateness of each control to the partnership and any external funding guidance received;
- (b) to ensure that processes are put in place which ensure that the partnership is effective in carrying out its duties in the required timely manner;
- (c) to ensure that risk management processes are in place to identify and assess and mitigate all known risks without affecting the ability of the partnership to effectively function;
- (d) to ensure that project appraisal processes and a strategic business case is in place to assess the viability of the project in terms of resources, staffing and expertise;
- (e) to ensure that there is a sound legal vehicle in place prior to any project commencing;
- (f) to ensure that there are robust arrangements for decision making and that budgets agreed by partners are lawful;
- (g) to ensure clear accountability where the partnership uses grant income as a source of funding;
- (h) to agree and accept formally the roles and responsibilities of each of the partners involved in the project before the project commences; and
- (i) to communicate regularly with other partners throughout the project so that problems can be identified and shared to achieve their successful resolution.

34.41.9 Responsibilities of the s151 Officer:

- (a) to advise on the use of effective and waiving of ineffective controls within the partnership in order to ensure that resources are not wasted;
- (b) to advise, as appropriate, on the key elements of funding a project, including:
 - (i) a scheme appraisal for financial viability in both the current and future years;
 - (ii) risk appraisal and management;
 - (iii) resourcing, including taxation issues;
 - (iv) audit, security and control requirements; and
 - (v) carry-forward arrangements;
- (c) to ensure that the accounting arrangements are satisfactory.

34.41.10 Responsibilities of Chief Officers and Heads of Service:

- (b) to ensure that risk management processes are in place to identify, assess and mitigate all known risks without affecting the ability of the partnership to effectively function;
- (c) to ensure that such agreements and arrangements do not impact adversely upon the services provided either by the Authority or the partnership;
- (d) to ensure that all agreements and arrangements are properly documented;
- (e) to provide appropriate information to the s151 Officer to enable a note to be entered into the Authority's statement of accounts concerning material items.

34.42 External Funding

34.42.1 External funding is potentially a very important source of income, but funding conditions need to be carefully considered to ensure that they are compatible with the aims and objectives of authorities. Local authorities are increasingly encouraged to provide seamless service delivery through working closely with other agencies and private service providers. Funds from external agencies provide additional resources to enable the Authority to deliver services to the local community. However, in some instances, although the scope for external funding has increased, such funding is linked to tight specifications and may not be flexible enough to link to the Authority's overall plan.

34.42.2 Key Controls. The key controls for external funding are:

- (a) to ensure that key conditions of funding and any statutory requirements are complied with and that the responsibilities of the accountable body are clearly understood;

- (b) to ensure that funds are acquired only to meet the priorities approved in the policy framework by the full Council;
- (c) to ensure that any match-funding requirements are given due consideration prior to entering into long-term agreements and that future capital and revenue budgets reflect these requirements.

34.42.3 Responsibilities of the s151 Officer:

- (a) to ensure that all funding notified by external bodies is received and properly recorded in the Authority's accounts and budgets;
- (b) to ensure that the match-funding requirements are considered prior to entering into the agreements and that future capital and revenue budgets reflect these requirements;
- (c) to ensure that audit requirements are met;
- (d) where they are specifically responsible for submitting grant claims, to ensure that all claims for funds are made by the due date.

34.42.4 Responsibilities of Chief Officers and Heads of Service:

- (a) to ensure that all checks are carried out to make certain that funding instructions associated in a bid for external funding are taken into account;
- (b) to maintain adequate supporting documentation to enable claims for funding to be maximised;
- (c) to ensure that all claims for funds are made by the due date;
- (d) to ensure that the project progresses in accordance with the agreed project plan and that all expenditure is properly incurred and recorded.

34.43 Work for Third Parties

34.43.1 Current legislation enables the Authority to provide a range of services to other bodies. Such work may enable a unit to maintain economies of scale and existing expertise. Arrangements should be in place to ensure that any risks associated with this work is minimised and that such work is within the Authority's legal powers.

34.43.2 Key Controls. The key controls for working with third parties are:

- (a) to ensure that proposals are costed properly in accordance with guidance provided by the s151 Officer; and
- (b) to ensure that contracts are drawn up using guidance provided by the s151 Officer and that the formal approvals process is adhered to.

34.43.3 Responsibilities of s151 Officer:

- (a) to issue guidance with regard to the financial aspects of third party contracts.

- 34.43.4 Responsibilities of Chief Officers and Heads of Service:
- (a) to ensure that appropriate insurance arrangements are made;
 - (b) to ensure that the Authority is not put at risk from any bad debts;
 - (c) to ensure that, wherever practicable, payment is received in advance of the delivery of the service;
 - (d) to ensure that the department/unit has the appropriate expertise to undertake the contract;
 - (e) to ensure that such contracts do not impact adversely upon the services provided for the Authority;
 - (f) to ensure that all contracts are properly documented;
 - (g) to provide appropriate information to the s151 Officer to enable a note to be entered into the statement of accounts.

35 CONTRACT PROCEDURE RULES—

Introduction

1.1 These Contract Procedure Rules provide a corporate framework for the procurement of all Goods, Services and Works for the Council, including concession contracts. These Rules apply to all procurements commenced on or after 24 February 2025 when the Procurement Act 2023 came into force. Any procurements commenced prior to that date shall continue to be governed by the requirements of the Public Contracts Regulations 2015 (“PCR”).

1.2 Sustainable Procurement is defined in the Wales Procurement Policy Statement as “the process whereby organisations meet their needs for goods, services, works and utilities in a way that achieves **value for money** on a whole life basis in terms of generating benefits not only to the organisation, but also providing opportunity for how this money can be spent in a way that delivers wider economic, social, environmental and cultural well-being both locally and within Wales but also to society and the economy, whilst minimising damage to the environment”. “Procurement” under the Procurement Act 2023 means the award, entry into and management of a **contract**.

1.3 Procurement includes the identification of need, consideration of options, the actual procurement process and the subsequent management and review of the contracts.

1.4 The Council spends in the region of £150 million per annum on the external procurement of Goods, Services and Works. It is therefore important that the Council strategically manages this spend to ensure that it:

- i. Obtains value for money and the required level of quality and performance in all contracts let.
- ii. Conducts its procurement activity openly, transparently and, where practicable, based on standard approaches and use of common systems that appropriately minimise complexity, cost, timescales and requirements for suppliers.

- iii. Complies with all, English and Welsh law that governs and / or relates to the procurement of goods, services and works and the letting of concession contracts.
- iv. Meets the principles of the Welsh Government's Wales Procurement Policy Statement (WPPS).
- v. Considers all relevant guidance issued by Welsh Government including Welsh Procurement Advice Notes and the Code of Practice on Ethical Employment in Supply Chains.
- vi. Supports the achievement of the seven well-being goals for Wales as set out in the Well-being of Future Generations (Wales) Act (2015).
- vii. Has procurement procedures which, when followed, should protect members and officers of the Council from any allegation of acting unfairly or unlawfully in connection with any procurement by the Council.
- viii. Subject to compliance with (iii), has considered, assessed and where practicable mitigated any risks associated with a particular procurement process and subsequently entering into contracts; and
- ix. Achieves the organisational outcomes of the Council's Socially Responsible Procurement Strategy and Policy.

1.5 These Rules are not intended as detailed guidance for implementation. Any **procurement guidance** issued by the Council's **Strategic Procurement Lead** must be taken into account, including the **Buying Responsibly Guides**. Appendix 2 (Definitions and Interpretations) - the first time a key word is used within the CPRs it is **italicised in bold blue text** to indicate that it is included within Appendix 2.

1.6 Contracts, which involve the receipt of income by the Council or the disposal of an asset or an undertaking by the Council, may often require competitive **tender**. The reason for this, for instance, is because they amount to a "concession", or confer a competitive advantage on the **contractor** as against its competitors, or the Council needs to be able to demonstrate that it has received an appropriate market value. Therefore, all references to competitive tenders and **quotations** within these CPRs shall apply (with such changes as are appropriate) equally to circumstances where the contract involves the receipt of income by the Council or the disposal of any asset or undertaking by the Council, as they do to purchases to be made by the Council, unless specifically stated otherwise.

1.7 These CPRs govern organisational behaviour in the conduct of procurement. It is important that such behaviour is undertaken in support and delivery of the wider policies and objectives of the Council and in respect of officers, this includes the Employees' Code of Conduct.

1.8 All Officers must comply with the Council's "Code of Conduct" in addition to the Council's "Anti-Fraud, Bribery and Corruption Policy" and must not invite or accept any gift or reward in respect of the award or performance of any contract. It will be for the officer to prove that anything received was not received corruptly. High standards of conduct are obligatory. Corrupt behaviour will lead to investigation under the council's disciplinary procedures and is a criminal offence under the "Bribery Act 2010"

1.9 Any person who is not an officer of the Council, but is engaged by the Council to advise, conduct, or supervise any stage of a Tender, must Comply with the Council's Contract Procedure and Financial Procedure Rules. No consultant shall make any decision on whether to award a contract or who a contract should be awarded to.

1.10 In conducting any procurement, the [Seven Principles of Public Life](#) and utmost probity must be demonstrated at all times

1.11 All values referred to in these Rules are **exclusive** of VAT **unless they refer to procurements above the *Procurement Act Thresholds* (PAT) which are inclusive of VAT.**

1.12 Any dispute regarding interpretation of these Rules shall be referred to the S151 Officer or their nominated officers for resolution in consultation with the Council's Strategic Procurement Lead.

1.13 These Rules shall be read in conjunction with the Council's Constitution as a whole and, in particular, in respect of contract payments, including compliance with the Council's Financial Procedure Rules.

1.14 The S151 Officer or their nominated officers in consultation with the Strategic Procurement Lead will amend these Rules from time to time, to ensure that they meet all Legal Requirements.

1.15 The S151 Officer or their nominated officers and the Strategic Procurement Lead shall periodically undertake a formal review of these Rules.

2. Compliance with these Rules

2.1 These Rules must be followed when dealing with any Council Procurement except for those Procurements and other matters referred to in Rule 3 (Exemptions).

2.2 Every Procurement undertaken by the Council or any other party on its behalf must comply with:

- i. All, English and Welsh law and associated guidance that governs and or relates to the procurement of goods, services and works and the letting of concession contracts and to the extent of any conflict between these CPR and any such legal requirements then the provisions of such legal requirements shall prevail.
- ii. The Council's Constitution as a whole, and
- iii. The Council's strategic objectives and policies including its Socially Responsible Procurement Strategy and Policy, and
- iv. Other objectives and requirements listed in clause 1.4 of these rules.

2.3 The Strategic Procurement Lead may from time-to-time issue procurement guidance, following consultation with the Council's **Section 151** and **Monitoring Officer**. Senior Officer in each Council Service Area must ensure that employees in their Service Area are aware of such guidance and must require compliance with such guidance.

2.4 Any failure by officers to comply with any of the provisions of these CPRs or associated guidance adopted by the Council may result in disciplinary action. Any procurement carried out on behalf of the Council may only be undertaken by officers with the appropriate delegated authority to carry out such tasks and who have access to the relevant training, Guidance and support to undertake the particular procurement.

3. Exemptions to the Rules

These Rules do not apply to: -

3.1 The acquisition or disposal of land (see Procedural Rules for the Acquisition or Disposal of Land. Any land contracts which involve development agreements shall be notified to the Chief Officer Law & Governance and legal advice sought on the procurement law implications)

3.2 Contracts of employment which make an individual a direct employee of the Council.

3.3 Use of the Council's in-house services.

3.4 Grants (Grants are not regulated by public procurement law, as they are not public contracts. Grants are, however, regulated by the rules on subsidy control (formerly known as state aid) and by general public law controls relating to fiduciary duty and proper spending of public money. As appropriate, legal and financial advice should be obtained from the relevant Council officers). If there are any procurements for services, goods or works for which grant money is used then these will be caught by these CPRs.

3.5 Individual orders placed under a Framework Agreement or a contract which provide for orders to be placed against an agreed schedule of rates, or under a measured term contract, provided that such contracts or Framework Agreements have been let by the Council in accordance with these Rules and the orders placed in accordance with the applicable Framework Agreement or contract. The Strategic Procurement Lead must be consulted before the use of any Framework not listed on the Council Supply Directory. If a Framework was let under Public Contracts Regulations 2015 ("PCR") any 'call offs' will continue to be governed by the PCR.

3.6 An individual care contract. That is a contract for services entered into in pursuance of powers under The Social Services and Well-being (Wales) Act 2014 for the benefit of an individual, where: -

- i. the estimated value is below the *Light Touch* Regime under the Procurement Act (and/or is not a Regulated Below Threshold Contract).
- ii. the Council does not have any existing framework or umbrella arrangements in place in respect of the relevant service.
- iii. the individual care contract represents value for money and;
- iv. where the contract is required to honour the preference of the individual service user; or
- v. is required as a matter of emergency in the interest of the welfare of the individual service user.

3.7 Instructions and briefs to Counsel issued by or on behalf of the Chief Officer Law & Governance and Legal Services to Counsel or nominated officer. The Chief Officer Law & Governance or their nominated officers will make arrangements to ensure that appropriate record is kept of all such instructions or briefs together with a record of Counsel's fee.

3.8 Goods, Services and Works procured by another public body on behalf of, or for the joint benefit of the Council and other parties, and provided, that, in such case, the other public body's procurement / contract rules, all English and Welsh procurement law requirements, and the fundamental principles such as non-discrimination, equal treatment, transparency, mutual recognition and proportionality have been complied with (that is, a collaborative procurement arrangement such as contracts awarded via the

Welsh Government Commercial Procurement Delivery Team, Crown Commercial Services etc. The advice of the Strategic Procurement Lead must be sought before placing reliance on any such arrangement).

3.9 Any other contract that is defined as ‘exempted contract’ under Schedule 2 of the PA 23.

3.10 When placing reliance on the exemptions stated above the **Senior Officer** in the Service Area should ensure that the best possible value for money is obtained for the Council.

4. Conflicts of Interest

4.1 No Elected Member, employee or agent of the Council shall improperly use their position to obtain any personal or private benefit from any contract entered into by the Council.

4.2 The Council must take all reasonable steps to ensure that a conflict of interest and/or potential conflicts of interest does not put a **supplier** at a perceived or actual unfair advantage or disadvantage in relation to a procurement. If any advantage cannot be avoided, or the supplier will not take steps that the Council considers are necessary in order to ensure it is not put at an unfair advantage then the suppliers must be excluded from the procurement.

4.3 The Council must undertake a “conflicts assessment” before publishing a tender or transparency notice or a dynamic market notice. If a conflict of interest or potential conflict of interest is identified the Council must set out the steps it has taken or will take to demonstrate that no such conflict of interest exists. The Council must keep any assessment under review, revise as is necessary and when publishing any notice confirm that a conflicts assessment has been prepared and revised in accordance with the Procurement Act (Part5).

4.4 Elected Members and employees of the Council shall comply with the requirements of section 117 of the Local Government Act 1972 and, as appropriate, the Officers and Members Code of Conduct set out in the Constitution in respect of the declaration of interests in contracts with the Council.

4.5 Such interests must be declared to the Monitoring Officer for inclusion in the appropriate registers, detailing how the conflict has been addressed.

5. Welsh Language Act

5.1 Any invitations to tender for a contract must state that tenders may be submitted in Welsh.

5.2 Any invitations to tender for a contract must be published in Welsh, where the:

- i. Subject matter of the tender for a contract suggests that it should be produced in Welsh, or
- ii. Anticipated audience, and their expectations, suggests that the document should be produced in Welsh.

5.3 Where a tender or quote has been submitted in Welsh, this must be treated no less favourably than a submission in English (including, amongst other matters, in relation to the closing date for receiving submissions, and in relation to timescale for informing bidders of decisions).

5.4 If a tender has been submitted in Welsh, and it is necessary to interview the bidder as part of the assessment process, you must:

- i. Offer to provide a translation service from Welsh to English to enable the bidder to use the Welsh language at the interview; and
- ii. If the bidder wishes to use the Welsh language at interview, provide a simultaneous translation service for that purpose (unless you conduct the interview in Welsh without a translation service).

5.5 When informing a bidder of the decision in relation to a quotation or tender, you must do so in Welsh if the quotation or tender was submitted in Welsh.

5.6 Where relevant to the subject matter of the contract, contracts must contain provision requiring the Contractor to comply with all applicable requirements of:

- i. The Authority's Welsh Language Scheme,
- ii. The Welsh Language (Wales) Measure 2011, and
- iii. The Welsh language standards issued to Monmouthshire County Council (Compliance Notice – Section 44 Welsh Language (Wales) Measure).

6. Procurement Planning

6.1 Before commencing any procurement, the Senior Officer responsible for the proposed procurement, must undertake (or ensure that it is undertaken) the appropriate level of preparation and planning, proportionate to the proposed value and nature of the project. Depending upon the value and nature of the procurement proposed this should include consideration of those matters referred to in clause 6.2 and the timely taking of finance, legal, digital and procurement advice as appropriate.

6.2 The preparation and planning stage of the process is critical. It will influence all future activity on the contract. If this part of the process is done correctly then the rest should flow without difficulty, but the reverse is also true. It is common to underestimate the planning stage or not carry it out at all. The key tasks at the planning stage include:

- i) Any officer that is required to lead a procurement process must be named with relevant approvals within the Councils Authorised Signatory List, which is held by the Strategic Procurement Lead.
- ii) Ensuring the procurement is included on the Contract Forward Plan.
- iii) Engagement with key stakeholders in order to identify and assess needs – what is being procured and why? What is the key driver for the procurement? What are the critical success factors? What outcomes are being sought?
- iv) advice on the procurement of software and licences shall in the first instance be brought to the attention of the Council's Digital Programme team (or its successor) and approval to proceed sought. Any exception to this rule will need to be justified by the relevant Chief Officer where the procurement activity is taking place and approved by the Head of Service with responsibility for Digital Services.
- v) checking that no existing in-house provision exists for the Goods, Services or Works required (see rule10)
- vi) carrying out of options appraisal to look at different ways of meeting, the identified needs (e.g. buy, lease or rent?) and using the Carbon Reduction

Guidance issued by the Strategic Procurement Lead to minimise the carbon impact of the procurement.

vii) determining budget and funding, to define a realistic budget for the contract to achieve the desired results and then securing the funds to finance and manage the contract throughout its duration, including any disposal costs

viii) Selection of the appropriate Procurement Procedure (see Appendix 1)

ix) Using Guidance issued by the Strategic Procurement Lead to consider options to deliver wider well-being objectives including carbon reduction, **community well-being benefits** and fair work

x) Preparing the specification (setting out the requirements)

xi) Where a tender is to be awarded, determining the criteria and evaluation methodology and how to secure the Most Advantageous Tender.

6.3 The results of this planning stage must be properly documented by the Senior Officer responsible for the proposed procurement (or their nominated deputy) and, if used recorded in the Council's **electronic procurement** system.

7. Advice and Risk Assessment

7.1 At the outset of a procurement process, the Senior Officer (or their nominated officer) must ensure all proposed procurements with an estimated value in excess of £75,000 for goods, services and works are recorded on the Council's Contract Forward Plan. In addition to these Rules, the Senior Officer must follow all guidance issued by the Strategic Procurement Lead in respect of the procurement.

7.2 The advice of the Chief Officer Law & Governance (or their nominated officers) must be sought on all procurements with an estimated value in excess of £100,000 (unless a **Call Off Contract** is procured under a framework in line with the requirements of the framework and any advice or guidance from the Strategic Procurement Lead) and for lower value requirements where the complexity of the procurement requires, for example the inclusion of bespoke clauses. If there is any doubt, legal advice should be sought.

7.3 For Procurements with an estimated value in excess of £75,000 for goods, services and works, the Senior Officer shall carry out a risk assessment (proportionate to the nature and value of the proposed contract). The risk assessment shall be prepared at the outset and thereafter maintained and updated throughout the Procurement Process until the end of contract. The decision maker must be informed of any risks identified and of the contingency measures in place.

7.4 When carrying out any risk assessment in respect of a proposed procurement, regard must be had to the requirements to comply with the whole of these Rules.

8. Personal Data

8.1 In carrying out any Procurement, the Senior Officer responsible for the procurement must take all reasonable steps, including incorporation of appropriate provision into tender documentation and Contracts, to ensure that the personal data of individuals is protected in accordance with all legal requirements (including the Data Protection

Legislation) and Codes of Practice from the Information Commissioner's Office (ICO) and as set out in the Council's Information Governance Policies. The Senior Officer must ensure the Councils' obligations and risks, in respect of personal data, are considered and indemnities are sought where appropriate. More information and guidance can be obtained from the Data Protection & Information Manager (or their nominated officers).

9. Other Advice

9.1 As part of the tender planning stage, the Senior Officer responsible for the procurement must ensure that they seek advice in relation to the organisations non procurement related requirements as set out in the Pre-Tender Report (Advice and Further Considerations Section).

10. Use of In-house Service

10.1 Before any external procurement is considered, it is important to check the Supply Directory to ensure that no existing in-house provision exists for the Goods, Services or Works required.

10.2. In-house services must be used unless the Senior Officer of the procuring Service Area and the in-house service provider agree otherwise, evidenced in writing and retained by the procuring Senior Officer.

11. Framework Arrangements and Dynamic Markets

11.1 The Council has entered into a number framework agreements (including Dynamic Markets (formally DPS)) for the supply of various types of goods, services and works.

11.2 The Procurement Team maintain a register of such contracts and framework agreements in the Supply Directory and can provide advice on their use and any exceptions granted.

11.3 It is the responsibility of the Service Area requiring the procurement to ascertain whether there is a framework or other corporate purchasing agreement in place by checking the Supply Directory. If such a framework or corporate purchasing arrangement exists, then Service Areas must use this arrangement or otherwise obtain the prior agreement of the Strategic Procurement Lead.

11.4 The use of frameworks not listed in the Supply Directory is only permissible once the **Procurement Team** has approved its use (including checking that the framework agreement concerned may be relied upon by the Council). The Procurement Team will be able to advise on the use on 'non-Welsh' Frameworks and any additional requirements when using these Frameworks.

11.5 When using framework agreements, all guidance issued in relation to the use of the Framework concerned must be considered by the Service Area and followed. The award criteria, weightings and the terms and conditions of contract specified in the framework agreement must be used. It is the responsibility of the Service Area requiring the procurement to ensure that all supporting documentation necessary is assembled and completed, before placing reliance on a framework agreement. It should be noted that the relevant framework agreement will include terms and conditions governing contract/orders let under it and the Service Area should satisfy themselves that the terms and conditions are suitable for their requirements before using the framework (taking advice as appropriate). Whilst Procurement and Legal Services can provide advice and support, it will be expected

that this provision will be complied with by the Service Area before seeking such advice.

11.6 Where Goods, Services or Works are regularly required, and arrangements described in Rule 11 are not available, consideration must be given to procuring a framework arrangement and the advice of the Strategic Procurement Lead must be obtained.

11.7 Collaborative and Joint working arrangements:

- i. Any consortia procurement arrangements must be approved for use by the Strategic Procurement Lead before reliance is placed on the same.
- ii. Before proceeding with any proposed joint working arrangements, legal advice should be sought from the Chief Officer Law & Governance or their nominated officers

12. Estimating the Contract Value

12.1 The estimated contract value is the maximum value the Council could expect to pay under the contract including where applicable, amounts already paid. The value is **exclusive of value added tax**, up to the PA23 threshold, which the Council expects to be payable over the full duration of the contract (not the annual value and inclusive of any extensions). In estimating the value of a contract, the Council must take into account all of the facts which are material to the estimate and available to the authority at the time it makes the estimate.

12.2 In estimating the contract value the Service Area needs to account for the following:

- i. The value of any goods, services or works provided by the Council under the contract other than for payment.
- ii. Amounts that would be payable if an option in the contract to supply additional goods, services or works were exercised.
- iii. Amounts that would be payable if an option in the contract to extend or renew the term of the contract were exercised.
- iv. Amounts representing premiums, fees, commissions or interest that could be payable under the contract.
- v. Amounts representing prizes or payments that could be payable to participants in the procurement.

12.3 If the Council is unable to estimate the value of a contract in accordance with [Schedule 3](#) of the PA23 threshold (for example because the duration of the contract is unknown), the Council is to estimate the value of the contract as an amount of more than the threshold amount (see Procurement Act Thresholds) for the type of contract. It is recommended that service areas simply undertake the best valuation with the information available on what it expects to pay, following the detailed rules set out in Schedule 3. It is unlawful to exercise any discretion in valuing a contract with a view to avoiding the requirements of the Act. If there is uncertainty over calculating the estimated value of the proposed Contract, then the advice of Legal and Procurement Services should be sought.

12.4 No Works or requirements for Goods or Services may be artificially split to avoid consulting with the Strategic Procurement Lead or avoid compliance with procurement law or these Rules.

12.5 Where the Council has requirements over a period of time for Goods and Services where the contracts have similar characteristics and the Goods and Services are of the

same type, and enters into a series of contracts or a contract which is renewable, then the estimated value shall be calculated by the total spend on such matters over the last 12 months or projected estimated spend for next 12 months or if the contracts have been continuous then the total value of the contracts, whichever is the greater. In estimating this value, the advice of the Strategic Procurement Lead must be sought.

12.6 In considering if the Procurement Act applies, the Council must have regard to the 'Estimating the Value of a Contract' set out in Schedule 3 of the Procurement Act and the advice of the Strategic Procurement Lead sought.

12.7 In estimating the value of a **Framework**, the Council estimate the sum of the value of all contracts that have or may be awarded in accordance with that Framework.

12.8 The Council must estimate the value of a **concession contract** as the maximum amount the supplier could expect to receive under or in connection with the contract including, where applicable, amounts already received. The amount a supplier could expect to receive includes the following—

- i. Amounts representing revenue (whether monetary or non-monetary) receivable pursuant to the exploitation of the works or services to which the contract relates (whether from the contracting authority or otherwise).
- ii. The value of any goods, services or works provided by the contracting authority under the contract other than for payment.
- iii. Amounts that would be receivable if an option in the contract to supply additional services or works were exercised.
- iv. Amounts that would be receivable if an option in the contract to extend or renew the term of the contract were exercised.
- v. Amounts representing premiums, fees, commissions or interest that could be receivable under the contract.
- vi. Amounts received on the sale of assets held by the supplier under the contract.

13. Carbon Reduction

13.1 Service Areas must fully consider the [Circular or Sustainable Procurement Hierarchy](#) principles at the start of a tender process to identify opportunities to buy sustainably, minimise carbon impact, waste and any negative environmental impact. Carbon reduction requirements should be embedded into tenders and contracts in accordance with Guidance issued by the Strategic Procurement Lead.

13.2 Carbon Reduction Plans must be sought in all tenders above £6million (Inc VAT) in accordance with Guidance issued by Strategic Procurement Lead .

14. Community Well-being Benefits

14.1 Community Well-being Benefits (formerly Social Value) are well-being commitments offered by bidders over and above the primary contract requirements i.e. the requirements as stipulated in the specification and/or Terms and Conditions. The Community Well-being Benefits requirements should be used within tenders above £250,000 to capture each tenderers Community Well-being Benefits offer. The successful tenderers offer will form part of the Contract

14.2 The Strategic Procurement Lead will issue Community Well-being Guidance and Templates which must be used and followed, and the delivery of Community Well-being

Benefits managed by the contract manager using the Council's online platform.

14.3 For all contracts below £250,000 in value, the inclusion of community benefits as a contractual obligation is optional but shall be considered.

14.4 In all cases where Community Well-being Benefits are being delivered, there must be a contractual requirement for the successful contractor to provide monitoring information on the community benefits as determined by the Strategic Procurement Lead. More generally, the named contract manager as part of the normal contract management process should monitor the delivery of community benefits.

14.5 Regard must be had to the Welsh Government guidance on Community Well-being Benefits and such other guidance as the Strategic Procurement Lead may issue from time to time on the approaches to delivering community well-being benefits through Council contracts.

15. Procurement Process and Procedures

A Summary of the Council's 4 Procurement Routes is set out in Appendix 3 and Appendix 4 (Governance and Procedures Overview).

16. Quotations - Goods (Supplies), Services and Works

16.1 Where possible, Goods, Services or Works must be obtained via existing approved arrangements including:

- i. firstly, in-house services provision (see Rule 10), and
- ii. secondly, Framework Agreements and consortia arrangements approved for use by the Council's Strategic Procurement Lead (See Rule 11).
- iii. if no in-house service or Framework arrangement available then quotations must be sought.

16.2 Quotations Process

- i. Quotations must not be artificially split (rule 12.5) and rule 12.6 (repeat requirements) to avoid compliance with procurement law or these Rules.
- ii. Any **request for quotation** (RFQ) shall include as a minimum a technical specification, pricing schedule and terms and conditions.
- iii. Bidders should be given sufficient time to submit a response to a request for quotation. Consideration should be given to the complexity of the quote being requested and sufficient time allowed for bidders to provide suitable quotes.
- iv. Quotes should only be accepted, via an email or the Sell2Wales system. If accepted in writing the acceptance should make clear that the Council's standard terms and conditions referred to in the Council's **purchase order** apply. On acceptance of the quotation (written or electronic), a purchase order must be sent via the **Purchase-to-Pay** (P2P) system, which contains reference to the Council's standard terms and conditions.
- v. In the circumstance where not all suppliers respond to the request for quotation with a submission, it is acceptable to evaluate and award the contract based on whatever submissions have been made, even where there is only one submission, provided Value for Money is achieved.

- vi. For quotations above £25,000 a minimum of two people must evaluate the quotations received.

16.3 Quotation Route 1 - Goods, Services and Works up to the value £25,000 (Excluding VAT)

16.3.1 For procurements with an estimated value up to £25,000 the use of the Sell2Wales Quick Quote function is encouraged. As a minimum Service Areas must seek:

- i. At least three written quotes from suitable supplier(s) via email.
- ii. A Quotation Record Form must be used to document the process undertaken for quotations above £10,000 and if 3 quotations are not sought the reasons must be set out along with an explanation of how the recommended approach demonstrates value for money.
- iii. Where spend is less than £10,000 the number of quotes *and documentary evidence to support value for money will need to be proportional to the type and regularity of spend.*
- iv. *For certain types of low value spend, defined as less than £100, one written quote is encouraged and appropriate documentation should be retained e.g. receipts.*
- v. Where the market allows at least **one** quotation should be sought from a local supplier.

16.3.2 The Service Area must retain a copy of the quotation(s) received and make a copy available on request.

16.4 Quotation Route 2 – Goods, Services and Works between the value of £25,000 to £75,000 (Excluding VAT)

16.4.1 For procurements with a value between £25,000 to £75,000 then the requirement **must be managed through the Sell2Wales** website to ensure compliance with the Procurement Act and in particular the requirement to publish a below threshold Tender Notice (if opportunity advertised) and publish a Contract Details Notice **for all** quotations awarded. As a minimum the Service Area must seek:

- i) At least **four** written quotations from suitable suppliers and these should include suppliers who are either micro, small and medium-sized enterprises (SMEs), or voluntary, community and social enterprises (VCSEs). We encourage Service Areas to advertise opportunities through Sell2Wales.
- ii) Where the market allows at least **two** quotations should be sought from local suppliers, and these should include providers who are either micro, small and medium-sized enterprises (SMEs), or voluntary, community and social enterprises (VCSEs).

16.4.2 Note that the option to reserve procurements on the basis of location should **not be used** in relation to procurements which are of cross-border interest to suppliers from EU Member States.

16.4.3 The Service Area must keep an appropriate file record (Quotation Record Form) evidencing matters, including for Works that relevant competency and capability assessments have been undertaken. The Service Area needs to be satisfied, able to

demonstrate compliance and that it has obtained value for money and complied with these Rules.

16.4.4 Where it is not a regulated *Below Threshold Contract* and there are less than four suppliers (but more than one) for the requested goods, services or works on the Sell2Wales system, it is acceptable to request quotations from the number (less than four) of the suppliers registered.

16.4.5 Where it is proposed to Direct Award, it is a requirement to follow the Direct Award authorisation procedures set out in CPR 17.

16.4.6 The quotation must be received electronically using the Sell2Wales system and will automatically be endorsed with the time and date of receipt and “locked” by the system until the closing time and date prescribed in the request for quotation.

16.4.7 All quotations received will be automatically “unlocked” and available for evaluation in the electronic system after the closing time and date prescribed in the request for quotation. The officer in the Service Area running the quotation will open quotations; the electronic procurement system will automatically record all quotation prices. There is no requirement for Legal Services or Procurement Team officers to be present. Following evaluation of the submissions and acceptance of the quotation on the electronic system, a purchase order must be sent via the Purchase-to-Pay (P2P) system or the provision of CPR 24 (Placing of Orders) complied with.

16.4.8 If a quotation is to be openly advertised on the Sell2Wales system, then a Tender Notice will be issued by the Sell2Wales system, and the requirements of the Procurement Act complied with.

16.4.9 The prior consent of the Strategic Procurement Lead must be obtained to the use of an alternative Procurement Procedure or reliance being placed on Rule 17 (‘Direct Awards and Exceptions’). Where reliance is placed on “Exceptions” a Notice **must** be published on Sell2Wales to comply with the Procurement Act.

16.5 Tenders - Goods, Services and Works – general provisions

16.5.1 Where possible Goods, Services and Works must be obtained via existing approved arrangements including:

- i. firstly, in-house services provision (see Rule 10), and
- ii. secondly, Framework Agreements and consortia arrangements approved for use by the Council’s Strategic Procurement Lead (See Rule 11).
- iii. if no in-house service or Framework arrangement available then tenders must be sought. Tenders must not be artificially split (rule 12.5) and rule 12.6 (repeat requirements) to avoid consulting with the Strategic Procurement Lead or avoid compliance with procurement law or these Rules.
- iv. The details of **the tender must be included on the Council’s Contract Forward Plan at the earliest opportunity**. Failure to do this may result in delays in the procurement process.

16.6 Tender Process

16.6.1 The invitation to tender must include details of the Council’s requirements for the particular contract including:

- i. a specification of the Services, Goods or Works being procured and instructions on whether any *variants* are permissible.

- ii. the procurement timetable including the tender return date and time, which shall allow a reasonable period for the applicants to prepare their tenders (including a time for bidders to seek clarifications on the tender documents). Any clarification should also include any clarification on the terms and conditions and a statement included to advise applicants not to raise any changes to terms and conditions as part of their tender submission.
- iii. the Council's terms and conditions of contract.
- iv. the evaluation criteria including attached weightings.
- v. the Form of Tender.
- vi. pricing mechanism and instructions for completion.
- vii. whether the Council is of the view that TUPE may apply and/or whether this is a matter for the contractor to assess (internal advice should be sought prior to tender).
- viii. If personal data being handled as part of the contract that it will be processed in accordance with legal requirements including the General Data Protection Regulation (GDPR) and Data Protection Act.
- ix. form and content of method statements to be provided.
- x. rules for submitting of tenders.
- xi. any further information, which will inform or assist Tenderer(s) in preparing tenders.

16.6.2 Every Tenderer submitting a tender will be required to sign a declaration to the effect that:

- i. they have not and will not inform any other person outside their organisation of the amount of their tender.
- ii. they have not fixed the amount of any tender in accordance with a price fixing arrangement.
- iii. they accept that the Council is entitled to cancel the contract and to recover from them the amount of any loss resulting from such cancellation if it is discovered that there has been any corrupt or fraudulent act or omission by them which in any way induced the Council to enter into the contract.
- iv. acknowledging that the Council is not bound to accept the lowest or any tender submitted, that the tender exercise may be aborted at any stage during the tender process and that they tender at their own cost and expense.
- v. Bidders shouldn't qualify their tender.

16.6.3 In respect of proposed procurements with an estimated value in excess £75,000 for Goods, Services and Works, the Service Areas must use the Pre-Tender Report Form to obtain the prior approval from the Procurement Team to issue the invitation to tender documentation, including specification, evaluation criteria and weightings.

16.6.4 Prior disclosure to Tenderers of the award criteria and weightings is a fundamental requirement that must be complied with for all the Council's procurements. In respect of all quotes/tenders, where the main quote/tender criterion is the most advantageous tender, the Senior Officer must ensure that evaluation criteria or sub-criteria is listed in the Request for Quote or Invitation to Tender documentation, in order of importance. Any particular scoring or weighting attributable to any criteria or sub criteria must be clearly stated.

16.6.5 In developing tender documentation, Service Areas need to consider whether there may be any potential modifications needed and if so, how potential modifications will be made during the operation of the contract and where applicable, provide details for those in the tender documentation.

16.6.6 The prior consent of the Strategic Procurement Lead must be obtained to the use of an alternative Procurement Procedure or reliance being placed on Rule 17 (Direct Awards and Exceptions). Where reliance is placed on “Exceptions” a Notice must be published on Sell2Wales to comply with the Procurement Act.

16.6.7 The procurement of any goods, services or works, including an extension or modification (formerly known as a *variation*) to a contract requires appropriate levels of authority before it can commence and prior to contract award.

16.7 Tender Route 3 – Goods, Services and Works – between the value of £75,000 (Excluding VAT) to Procurement Act Threshold (Including VAT)

16.7.1 For procurements with an estimated value of £75,000 up to the Procurement Act Thresholds amounts, then:

- i. The Service Area must notify the Procurement Team as soon as possible of their requirement and ensure the tender is on the Contract Forward Plan, failure to do this may result in delays in issuing the tender. Where practical, at least 6 months in advance of the need.
- ii. All requirements must be managed on the Council’s electronic procurement system or on Sell2Wales the national procurement website and tenders invited using a Procurement Act procedure.
- iii. The Council’s Pre-Tender Report Form and Contract Award Form must be used to record the procurement actions taken for goods, services and works over £75,000.

16.7.2 As a minimum the Service Area must seek:

i) At least **four** written tenders from suitable providers and these should include providers who are either micro, small and medium-sized enterprises (SMEs), or voluntary, community and social enterprises (VCSEs).

ii) Where the market allows at least **two** tenders should be sought from local suppliers, and these should include providers who are either micro, small and medium-sized enterprises (SMEs), or voluntary, community and social enterprises (VCSEs).

16.7.2 We encourage Service Areas to advertise opportunities through Sell2Wales and seek advice from the Strategic Procurement Lead. If the Tender is to be openly advertised, then a Tender Notice will be issued via the Sell2Wales system, and the requirements of the Procurement Act complied with.

16.8 Tender Route 4 – Goods, Services and Works above the Procurement Act Thresholds.

16.8.1 For all procurements above Procurement Act Threshold:

- i. The Service Area must notify the Procurement Team as soon as possible of their requirement and ensure the tender is on the Contract Forward Plan, failure to do this is likely to result in delays in issuing the tender. Where practical, at least 12-18 months in advance of the need.
- ii. the advice of the Strategic Procurement Lead and, unless using an approved Framework Agreement, the Chief Officer Law & Governance (or their nominated officers) must be sought at the outset to determine the Procurement Procedure to be followed and at all subsequent stages of the procurement process.

- iii. the procurement process will be conducted in accordance with the advice received and where applicable will in any event be in accordance with the requirements of the Procurement Act and *Regulations* for the time being in force.
- iv. All requirements must be managed and advertised on the Council's electronic procurement system and on Sell2Wales the national procurement website and tenders invited using a Procurement Act procedure. This will ensure that the required *Notices* as set out in Appendix 5 are published as required.
- v. In accordance with section 16 of the Procurement Act 2023 Preliminary Market Engagement is encouraged and
- vi. the requirements of such Procurement Act and Regulations will take precedence over any requirements set out in these Rules.

17. Direct Awards and Exceptions

17.1 In exceptional circumstances and subject to the following requirements the rules set out in sections 13 shall not apply and *reduced number of tenders* or a *single tender* may be invited.

- i. This provision (Direct Awards and Exceptions) does not apply to procurements above the Procurement Act Thresholds, in which case compliance with the provisions of the PA 23 and Regulations is mandatory.
- ii. Before proceeding to let any contract the Service Area must state in the Quotation Record Form, Pre-Tender Report and Contract Award Report the reasons why a Direct Award or reduced number of tenders is proposed, why the proposed way forward (reduced number of tenders or Direct Award) represents value for money and is in the Council's best interest.
- iii. Further information on the justification for direct awards can be obtained within [Schedule 5 of the PA2023](#). The Strategic Procurement Lead will issue Guidance on the types of scenarios where a direct award could be made which could include the following:
 - The public contract concerns the creation or acquisition of a unique work of art or artistic performance.
 - Due to an absence of competition for technical reasons, only a particular supplier can supply the goods, services or works required
 - The public contract concerns the supply of goods, services or works by the existing supplier which are intended as an extension to, or partial replacement of, existing goods, services or works in circumstances where, (a) a change in supplier would result in the contracting authority receiving goods, services or works that are different from, or incompatible with, the existing goods, services or works, and (b) the difference or incompatibility would result in disproportionate technical difficulties in operation or maintenance.
 - The goods, services or works to be supplied under the public contract are strictly necessary for reasons of extreme and unavoidable urgency, and as a result the public contract cannot be awarded on the basis of a competitive tendering procedure. Urgency is unavoidable if it, is not attributable to any act or omission of the Council, and could not have been foreseen by the Council.
- iv. Before proceeding with a reduced number of tenders or a Direct Award, the consent of the Strategic Procurement Lead must be obtained on a Pre-Tender Report Form. The Strategic Procurement Lead reserves the right not to sign and approve any request for a Direct Award or reduced number of tenderers, which in their reasonable opinion do not

warrant approval, in which case the proposed procurement should not proceed. It must be appreciated that the Strategic Procurement Lead cannot authorise any direct awards or exceptions, (and Council Service Areas should not proceed with any proposed procurement) that would be in breach of the requirements of the Regulations or any other Legal Requirement. The Strategic Procurement Lead will set out their justification for not approving requests on the Quotation Record Form, Pre-Tender Report and Contract Award Form, in which case the procurement will not have approval to proceed. It should also be noted that there will also be no approval to proceed with award of the contract and accordingly Legal Services will be unable to complete any contract in these circumstances.

- v. Where a direct award or exception has been agreed by the Strategic Procurement Lead , the following approval will need to be obtained.
- Value up to £75,000 – Head of Service
 - Excess of £75,000 – The responsible Chief Officer, S151 Officer and Cabinet Member.

All approved exceptions to these CPR's will be reported to the Councils Governance & Audit Committee on at least a 6 monthly basis.

17.2 The following situation should not arise, and this provision is inserted purely for completeness. If the Strategic Procurement Lead is presented with any Pre Tender Report or Contract Award Report, which contains proposals that are in breach of the Procurement Act, Regulations or any Legal Requirements and following advice the relevant Service Area does not withdraw the proposal, then the matter shall be reported by the Strategic Procurement Lead to the Chief Officer with responsibility for the Service Area concerned, the Council's Chief Financial Officer (S151 officer), and Monitoring Officer for consideration and determination as to the way forward (including the presentations of any reports required to Cabinet and or Council). It must be appreciated that Statutory Officers cannot be expected to authorise any proposed procurements which would be in breach of the requirements of the Procurement Act, Regulations or any other legal requirements. The Chief Internal Auditor will be notified of the above.

18. Electronic Tendering

18.1 All procurement with a value of £25,000 or above (including requests for quotations) **must be conducted using Sell2Wales** or the Council's approved electronic system. It is the responsibility of the Senior Officer of each service to ensure that their staff comply with this rule.

18.2 Any officer required to use the Council's electronic procurement system must notify the system administrator so that they can be registered with the appropriate and required levels of access. Similarly, it is the responsibility of the relevant Senior Officer to notify the Councils Strategic Procurement Lead of changes to any officer's eligibility to use the system (e.g. staff leaving or disciplinary measures) at the earliest opportunity so that the user access can be deactivated.

18.3 Where rule 15.1 applies, all requests for quotations and invitations to tender, along with all associated procurement documentation, must be issued via Sell2Wales and/or the Council's approved electronic procurement system.

18.4 Where rule 15.1 applies, all quotes and tender submissions from bidding organisations, including all supporting documentation, must be received via Sell2Wales or the Council's approved electronic procurement system.

19. Conditions of Participation

19.1 The Council should also consider whether supplier is an excluded /excludable supplier as defined by Schedule 6 of the Procurement Act

19.2 The Council may set conditions of participation which a supplier must satisfy in order to be awarded a public contract.

19.3 The Conditions must only relate to the supplier's:

- i. legal and financial capacity to perform the contract, or
- ii. technical ability to perform the contract, including any necessary Health and Safety and Environmental management measures

19.4 When setting conditions of participation, Officers must ensure they are a proportionate means of assessing the supplier's relevant capacity or ability, having regard to the nature, complexity and cost of the public contract.

19.5 The Council should also consider whether the supplier is an excluded /excludable supplier as defined by Schedule 6 of the Procurement Act

19.6 For Below Threshold contracts the Council has a duty to consider small and medium-sized enterprises and should provide suitable rationale for including conditions of participation.

20. Receipt, Custody and Opening of Electronic Tenders

20.1 Where these rules require and even when the rules do not require but it is practicable the Council's electronic procurement system must be used and all tenders submitted by electronic arrangements via the Council's electronic procurement system. After the tender submission deadline has passed tenders submitted electronically must be opened in accordance with guidance issued by the Strategic Procurement Lead, and the electronic record kept shall, as a minimum meet the requirements set out in the guidance document issued by the Strategic Procurement Lead on the opening and recording of electronic tender submissions.

21. Late Tenders

21.1 Tenders received after the date and time for receipt of tenders will only be opened and considered with the agreement of Strategic Procurement Lead and Chief Officer Law & Governance (or their nominated officers) if this was the result of an identified system wide failure of the Council's e-procurement system (and not the bidders' ICT system) and notification has been received by the Council in advance of the tender deadline.

22. Tender Evaluation

22.1 Evaluation Team - For each Contract with an estimated value above £75,000 in respect of Goods, Services and Works, the Senior Officer of the Service Area requiring the procurement shall form an evaluation team ('Evaluation Team') with responsibility for evaluating tenders. Written records of the membership of the evaluation team and evaluation undertaken must be kept. The minimum number of people in the Evaluation Team is two.

22.2 The Strategic Procurement Lead will issue evaluation guidance to ensure each team member understands their role and responsibility during the evaluation.

22.3 Where the Contract estimated value exceeds the Procurement Act Threshold except as otherwise stated in 7.2), the S151 officer shall be consulted and, where they consider it appropriate, their representatives shall be included on the Evaluation Team. Consideration should also be given to including service users on the Evaluation Team.

22.4 The Evaluation Team shall examine tenders in accordance with the predetermined evaluation criteria for the quotes/tenders and identify quotes/tenders that best meet the criteria. The evaluation criteria shall be strictly observed (and remain unchanged) at all times throughout the contract award procedure.

22.5 As a general rule, no adjustment or qualification to any quote or tender(s) submitted is permitted. Errors found during the examination of quotes or tenders shall be dealt with in one of the following ways:

i) If the error is not arithmetical the tenderer shall be given details of the error(s) and shall be given the opportunity of confirming without amendment or withdrawing the quote or tender; or

ii) If an arithmetical error is found, the responsible officer shall correct the error(s) provided that, apart from these genuine arithmetic error(s), no other adjustment revision or qualification is permitted. An appropriate record shall be kept.

23. Post Tender Clarification

23.1 The Senior Officer, following consultation with the Strategic Procurement Lead and in accordance with any requirements set by the Strategic Procurement Lead (regarding records to be kept) may seek clarification from Tenderers in respect of their tenders provided this does not involve discrimination. Clarifications should be undertaken in the Council's electronic procurement system and a record of all clarifications needs to be maintained within the system including minutes of any clarification interviews. Legal advice should be sought as required.

23.2 At all times during any clarification process the Council shall consider and comply with the principles of non-discrimination, equal treatment, transparency, mutual recognition and proportionality, principles that shall apply to all the Council's Procurements.

24. Standstill, Awarding Contracts and Letters of Intent

24.1 A decision to award a Contract may only be made by:

- i. Subject to Clause 24.2 an officer with the requisite delegated authority to award contracts in accordance with the Council's Scheme of Delegations or
- ii. Otherwise pursuant to a decision of the Council, one of its Committees or Cabinet.

24.2 For all Procurements valued at above £75,000, the decision to award a Contract shall be made by the relevant Head of Service using the Council's pro forma Contract Award report unless the decision is to be made by a Chief Officer or the Cabinet, in which case the Council's standard reporting forms for such decisions shall be used. The Senior Officer must

ensure, prior to seeking such a decision, that sufficient funds are in place to meet all contract payments and if any funding is being obtained from third parties that any conditions attaching to such funding have been complied with.

24.3 A Contract shall only be awarded using the pre-determined tender evaluation criteria and weightings to the most advantageous tender. When a decision is subject to the Council's 'Call in Procedure' (See the Council's Scrutiny Procedure Rules), any decision will be subject to that call in period and the decision to award the contract should not be acted upon until the call in period has expired.

24.4 Before entering into a public contract the Council must publish a contract award notice. Before publishing a contract award notice, the Council must provide an assessment summary to each supplier that submitted an assessed tender. The assessment summary must provide information about the Council's assessment of the tender and if different, the *most advantageous tender* submitted in respect of the contract.

24.5 The Council may not enter into a public contract before the end of the mandatory or voluntary eight working day standstill period, beginning on the day that the contract award notice is published.

24.6 If any additional information is to be disclosed to tenderers, this must be agreed in advance with the Strategic Procurement Lead, taking into account the requirements of any legislation relating to the disclosure of information.

24.7 A letter of intent is not an appropriate substitute for a formal contract but in exceptional circumstances can be issued as an interim measure until a formal contract has been signed. Letters of intent shall only be used with the prior agreement of, and in a form approved by, the Chief Officer Law & Governance (or their nominated officers). It should be noted that letters of intent can be legally binding agreement and accordingly must refer to the relevant contract documents as a minimum.

24.8 Save for exceptional circumstances, no Contractor should be asked to provide any Services, supply any Goods or carry out any Works (including preliminary Works) until the Contract is concluded or the Services, Goods or Works concerned are covered by a letter of intent. Should the Senior Officer for the Service Area concerned make any decision to the contrary, such decision shall contain a full risk assessment as to the possible implications to the Council of the Contractor being allowed to start before the contract terms and conditions have been finalised or a letter of intent issued.

25. Placing of Orders/Completion of Contracts and Retention of Contract Documentation

25.1 Frameworks - Orders placed under Framework Agreements must be placed using the order form prescribed in the Framework Agreement and on the terms and conditions set out in the Framework Agreement. (See Rule 11.5)

25.2 For all other contracts with a value of up to £75,000, orders should be placed using the Council's electronic Purchase to Pay system (P2P) unless the Strategic Procurement Lead otherwise agrees or there is a more applicable form of contract required. The P2P system generates purchase orders, which incorporate by reference the Council's standard terms and conditions of contract.

25.3 For Contracts with a value above £75,000 Service Areas must use the appropriate standard form of contract issued or approved for use by the Chief Officer Law & Governance (or their nominated officers).

25.4 It is essential that the Goods, Services or Works are procured on the Council's standard terms and conditions and not those submitted by the Contractor. A contractor's terms and conditions should only be used following consultation with the Chief Officer Law & Governance or their nominated officers, and the Strategic Procurement Lead.

25.5 Contract documents, along with all associated related documents, must be saved to the Council's electronic procurement system and retained for a minimum of six years from the contract end date and, if the contract is concluded under seal, for a period of twelve years from the contract end date. Where the contract was funded, or partly funded, through some form of external grant then further grant specific conditions, as regard to retention of documents may apply and must be adhered to.

25.6 As minimum contracts must set out:

- i. The work, materials, services or supplies to be carried out or provided and standards required.
- ii. The price to be paid (or, as appropriate, the sums to be received) with a statement of discounts, or other deductions, and where not known, the basis upon which the final contract sum is to be calculated.
- iii. The time or times within which the contract is to be performed; and
- iv. The commencement and termination dates of the contract.
- v. The performance criteria and contract monitoring arrangements

26. Execution (Completion/Signing/Sealing) of Contracts

26.1 Contracts with a value in excess of £75,000 may only be signed on behalf of the Council by a Senior Officer.

26.2 For contracts below the threshold set out in rule 26.1 they can be signed by an Authorised Signatory. However, regardless of who signs there should be consideration in terms of separation of duties and the person who signs the contract on behalf of the Council should not be the same officer who led the offer to market

26.3 The Council's seal may only be affixed to a contract in the presence of the Chief Officer Law & Governance or their nominated officers.

27. After Award, Standstill Periods and Notices

27.1 Contract Award Notices and Assessment Summaries

27.1.1 Before entering into a public contract, the Council must publish a contract award notice setting out that the Council intends to enter into a contract. Before publishing a contract award notice in respect of a contract awarded under section 19 (award following competitive tendering procedure), a contracting authority must provide an assessment summary to each supplier that submitted an assessed tender. An "assessment summary" means, in relation to an assessed tender, not including any tender disregarded in the assessment of tenders, information about the contracting authority's assessment of:

- i. The tender, and
- ii. If different, the most advantageous tender submitted in respect of the contract.

27.2 Standstill

27.2.1 For contracts above Procurement Act Thresholds the Council may not enter into a public contract before:

- i. The end of the mandatory standstill period, or
- ii. If later, the end of another standstill period provided for in the contract award notice.

27.2.2 The “mandatory standstill period” is the period of eight working days beginning with the day on which a contract award notice is published in respect of the contract. These requirements do not apply to contracts awarded:

- i. Under section 41 of the Procurement Act where a direct award has been made due to extreme and unavoidable urgency or to protect life etc.
- ii. Awarded in accordance with a framework.
- iii. Awarded by reference to a dynamic market.
- iv. A light touch contract.

27.2.3 If a contract is of a kind described 25.3, a contracting authority may not enter into the contract before the end of any standstill period (a “voluntary standstill period”) provided for in the contract award notice. A voluntary standstill period may not be less than a period of eight working days beginning with the day on which the contract award notice is published.

27.2.4 For any other notices, please see noticing regime set out in Appendix 5.

27.3 Key performance indicators

27.3.1 Before entering into a public contract with an estimated contract value of more than £5 million, the Council must set at least three key performance indicators in respect of the contract. This does not apply if the Council considers that the supplier’s performance under the contract could not appropriately be assessed by reference to key performance indicators.

27.3.2 A “key performance indicator” is a factor or measure against which a supplier’s performance of a contract can be assessed during the life-cycle of the contract. The Council must publish any key performance indicators.

27.3.3 This section does not apply in relation to a public contract that is:

- i. a framework,
- ii. a concession contract, or
- iii. a light touch contract.

27.3.4 Section 71 of the Procurement Act sets out the provisions about assessing performance against, and publishing information about, key performance indicators.

27.3.5 If any additional information is to be disclosed to tenderers, this must be agreed in advance with the Strategic Procurement Lead, taking into account the requirements of any legislation relating to the disclosure of information.

28. Bonds, Securities, Liquidated and other Damages

28.1 The Senior Officer (of the Service Area requiring the procurement) is responsible for ensuring that a risk assessment is undertaken, to determine if a performance bond or performance guarantee is required. If appropriate, the advice of the Council’s Finance officers should be sought.

28.2 Consideration should also be given to the appropriateness of including in the contract a provision for liquidated damages to be paid by the contractor in case the terms of the contract are not duly performed.

28.3 The above should be considered prior to going out to tender and if it may be required, provision included in the Tender.

29. Parent Company Guarantee

29.1 The Senior Officer (of the Service Area requiring the procurement) is responsible for seeking a Parent Company Guarantee where a contractor is a subsidiary of a parent company and:

- i. The award is based on evaluation of the parent company.
- ii. The financial status of the contractor (having regard, inter alia, to the proposed contract) warrants the same and or
- iii. The S151 Officer recommends.

29.2 The above should be considered prior to going out to tender and if it may be required, provision included in the Tender.

30. Records

30.1 To ensure appropriate records are maintained the Council's electronic procurement system or Sell2Wales must be used for all contracts above £25,000.

30.2 For all Procurements below £25,000 where Sell2Wales or the Council's electronic procurement system is not used, Service Areas must keep appropriate records. As a minimum the records kept must detail:

- i. Which parties were selected to provide a quotation.
- ii. To whom the Contract was awarded and the reasons for so doing (lowest price or offer which represents best value to the Council), so that best value and the integrity of the process can be demonstrated.
- iii. The value of the contract.
- iv. The start and expiry date of the contract; and
- v. Details of whether the contract is a one-off or expected to be renewed

30.3 The Procurement Team shall maintain a Corporate Contract Register, which will record details of all contracts /contracts (above £25,000) awarded by the Council and the Procurement Act requires this Register to be published. Service Areas must use Sell2Wales for all procurements over £25,000 to enable the Council to meet its legal responsibilities.

31. Contract Management

31.1 On the Contract Award Report Form, the Senior Officer (of the Service Area concerned) must identify and nominate an individual (referred to as the 'Contract Manager'), who will manage the day-to-day aspects of the Contract for its term (See rule 34 re Contract End).

31.2 The day-to-day management of the Contract shall be undertaken by the Contract Manager and shall include monitoring and reporting (including making use of the Council's reporting tools on the Council's electronic procurement system) in respect of:

- i. supplier performance
- ii. compliance with quality, specification and contract terms
- iii. compliance with cost
- iv. user experience
- v. risk management
- vi. safeguarding
- vii. delivery of community well-being benefits
- viii. Any other performance measure as prescribed by the Strategic Procurement Lead

31.3 For all contracts where there are key performance indicators the Contract Manager must on an annual basis assess performance against the KPIs and publish this information. This must also be done upon termination of the contracts.

31.4 For all contracts, it is the responsibility of the Contract Manager to raise any incidents of poor performance immediately with the Contractor and seek rectification. In instances of particularly poor performance, or persistent poor performance, the Contract Manager should consider the appropriate course of action to take under the contract, taking advice as appropriate.

32. Modifying a Public Contract (formerly Contract Variation) – basic principles

32.1 Depending upon the nature of the modification proposed, the terms of the contract concerned, and scope of the original procurement exercise undertaken, contract modification have the potential to amount to a new contract and/or procurement, and thus can constitute a single tender award without advertisement and require a new procurement process.

32.2 In all cases of contract modification, careful consideration must be made of the impact of the increased value of the contract on the procurement threshold levels, particularly whether the increase in value will move a contract from below Procurement Act Threshold to above Procurement Act Threshold.

32.3 The advice of the Strategic Procurement Lead and the Chief Officer Law & Governance or their nominated officers must be obtained as to whether a Modification is permissible.

32.4 Contract and framework agreements may be varied without a new procurement procedure where it is a **Permitted Modification** as set out in 32.10.

32.5 In the circumstances detailed in CPR32.10 (permitted modifications) the decision to authorise or not a proposed contract modification shall be made, as appropriate, by Cabinet or the officers listed below, provided that the modification cost can be met within budget and complies with all Legal Requirements. Decisions to authorise modifications shall be recorded in writing and at Senior Officer level and above, and as appropriate, a Cabinet report must be prepared. All modifications shall be entered on the Council's electronic procurement system and the Contracts Register, and an amendment made to the original Purchase Order and/or Contract;

Head of Service - Modification (or aggregate value of all modifications made to the Contract) up to £75,000

Relevant Chief Officer (in agreement with the Council's S151 Officer) - Modification (or aggregate value of all modification made to the Contract) over £75,000 up to £1million

Relevant Chief Officer (in agreement with the Council's S151 Officer and Cabinet Member) - Modification (or aggregate value of all modifications made to the Contract) over £1million up to £5 million

32.6 CPR 32.5 shall not apply to modifications to Works contracts provided the modifications are in line with the Procurement Act, these CPRs and a relevant officer has been authorised to approve such modifications in the original award report. Such modifications shall also only be permissible if they are within the approved budget for the contract. Any such modification shall be recorded the Contract Modification Form and the contract signed by the relevant officer.

32.7 As soon as it becomes known or apparent (whichever is the earlier) to the Contract Manager, that the total cost of a contract, will or is likely to exceed the contract sum, they must inform their service finance manager for financial monitoring purposes. The relevant Finance Manager will advise the Senior Officer and or Contract Manager of any further financial requirements that need to be complied with in order to inform future budget monitoring reports or any further financial governance decisions that need to be taken. In most circumstances a brief report must be prepared, which must address the reasons for increased cost, an analysis of options considered to reduce cost to budget, and the funding options considered to meet any budget shortfall, together with an indication of how any additional costs will be paid for. This brief report will ultimately feed into future budget monitoring or budget preparation reports. This report needs to consider any legal implications and be signed off by the Senior Officer and sent to the finance manager acting on behalf of the Section 151 Officer.

32.8 Any modification to the original Contract must be in the best interests of the Council and continued delivery of services. Section 74 of the Procurement Act sets out when a Contract may be modified. The Council may modify a public contract or a contract that, as a result of the modification, will become a public contract (a "convertible contract") if the modification is:

- i. is a permitted modification under Schedule 8 of the Procurement Act – see 30.8,
- ii. is not a substantial modification – see 30.09, or
- iii. is a below-threshold modification – see 30.10.

32.9 A contracting authority may also modify a public contract or a convertible contract if the contract is a light touch contract.

32.10 **Schedule 8** of the Procurement Act sets out the conditions for a permitted modification and should be referenced for the detail but in summary the key area where a modification is allowed:

- i. **Provided for in the Contract.**
- ii. **Urgency and the protection of life, etc**
- iii. **Unforeseeable circumstances** where the modification would not increase the estimated value of the contract by more than 50 per cent.

- iv. **Materialisation of a known risk**
- v. **Additional goods, services or works** - using a different supplier would result in the supply of goods, services or works that are different from, or incompatible with, those already provided for in the contract. The modification must not increase the estimated value of the contract by more than 50 per cent.
- vi. **Transfer on corporate restructuring** - A *novation* or assignment of a public contract to a supplier that is not an *excluded supplier* is a permitted modification if it is required following a corporate restructuring or similar circumstance.

32.11 A substantial modification is a modification which would:

- i. increase or decrease the term of the contract by more than 10 per cent of the maximum term provided for on award,
- ii. materially change the scope of the contract, or
- iii. materially change the economic balance of the contract in favour of the supplier.

32.12. Below threshold Modifications

32.12.1 A modification is a **below-threshold modification** if:

- i. The modification would not itself increase or decrease the estimated value of the contract by more than—
 - i. In the case of a contract for goods or services, 10 per cent.
 - ii. In the case of a contract for works, 15 per cent.
- ii. The aggregated value of below-threshold modifications would be less than the threshold amount for the type of contract.
- iii. The modification would not materially change the scope of the contract, and
- iv. The modification is not listed within Schedule 8 or defined as a substantial modification.

32.13. Contract change notices

32.13.1 Before modifying a public contract or a convertible contract (see section 74(1)), the Council must publish a contract change notice. This does not apply if:

- i. The modification increases or decreases the estimated value of the contract by:
 - i. in the case of a contract for goods or services, 10 per cent or less,
 - ii. in the case of a contract for works, 15 per cent or less, or
- ii. The modification increases or decreases the term of the contract by 10 per cent or less of the maximum term provided for on award, unless the modification is a novation or assignment on corporate restructuring.

32.13.2 A “contract change notice” is a notice setting out that the Council intends to modify the contract. It is not required for ‘light touch’ contracts.

33. Assignments and Novations

33.1 Any proposals to assign or novate a contract must be referred to the Chief Officer Law & Governance or their nominated officers at the earliest possible instance for advice.

34. Termination of Contract

34.1 For any Contract exceeding £25,000 in value early termination shall be approved by the appropriate decision maker and for any contract over £75,000 the advice of the Chief Officer Law & Governance or their nominated officers and Strategic Procurement Lead must be first sought. Contracts of a lesser value may be terminated early (prior to the expiry date) by agreement with the Contractor or in accordance with the termination provisions set out in the Contract. Legal advice should be sought as appropriate. The Senior Officer must inform the Strategic Procurement Lead when any Contract is terminated early and the reasons for the same.

34.2 For any Contract exceeding £5,000,000 in value, early termination shall be approved by Cabinet unless the matter relates to a Council function in which case matters shall be reported to Council.

34.3 If required by the Procurement Act then a contract termination notice will need to be published.

35. Payments on Account and Contract Payments

35.1 Payments on account should only be made upon certification by the person designated under the Contract for that purpose ('the appropriate person'). The appropriate person will keep detailed records of any such payment, which shall be open to inspection by the Strategic Procurement Lead and S151 officer.

35.2 The Senior Officer of the relevant service area shall make arrangements to retain adequate details relating to all contract payments made to allow for a proper audit of all such payments. All payments made must comply with the process as set out in Financial Procedure Rules.

36. Contract End

36.1 For contracts with a duration of more than 12 months, then at an appropriate point but generally at least six months prior to the end of the contract term, the Contract Manager should review the Contractor's performance and consider what, if any, replacement arrangements are required.

36.2 Some contracts may require active steps to be taken to end the contract (e.g. serving of notices) and or steps to be taken to decommission the contract arrangements. The Senior Officer of the Service Area concerned is responsible for ensuring that where appropriate, matters are diarised and appropriate steps taken to bring contracts to an end and sufficient time allowed to put in place any replacement arrangements that may be required.

37. Transitional Arrangements

37.1 For any procurements commenced before the Procurement Act 2023 comes into force, further advice should be sought from the Strategic Procurement Lead and Chief Officer Law & Governance (or their nominated officers).

36 PLANNING CODE OF PRACTICE

1.0 Introduction

- 1.1 This Code of Practice is intended to guide the procedures by which Councillors ('Members') and Officers of the Council deal with planning matters and to set standards of probity and conduct expected of them. Monmouthshire County Council will seek to adopt best practice in its administration of the planning process. It recognises that the public expects the Council to subscribe to the principles of fairness, consistency and objectivity. Members of the Planning Committee have a key role in ensuring that these principles are followed and the Council has stated that the Planning system must be fair and open. Elected Members are critically important in arbitrating between competing arguments.
- 1.2 The Town and Country Planning system involves the Council taking decisions about private proposals for the development and use of land, but in the public interest. Planning law requires that all planning applications be determined in accordance with the adopted development plan unless material planning considerations indicate otherwise. The Council must also take account of representations made by members of the public, in as far as they relate to material planning considerations.
- 1.3 As the planning system affects people's lives and private interests it can be very contentious. It is therefore important that members of the public understand the system and has confidence in its integrity and transparency, and that Members and Officers avoid impropriety or even the suspicion of impropriety.
- 1.4 Members and Officers must not only ensure that their conduct accords with the Code of Conduct for Members and professional standards for officers (which cover such matters as declarations of interests, gifts and hospitality), but, when dealing with planning matters, also act in accordance with this Planning Code of Practice.
- 1.5 A breach of this code, while not usually amounting to a breach of criminal law, may adversely affect the standing and reputation of the Council. It could result in a decision being judicially reviewed and the planning permission being quashed by the Court or in a complaint of maladministration or an allegation of a breach of the Code of Conduct for Members being made to the Public Services Ombudsman for Wales.
- 1.6 If Members or Officers are in doubt about the application of this Code, they should seek advice from the Council's Monitoring Officer.

2.0 Elected Members

2.1 Planning Committee Members

Planning Committee Members should:

- act fairly and openly and avoid any actions which would give rise to an impression of bias
- avoid inappropriate social contact with applicants and their agents, objectors and other interested parties.

It is a matter for each individual member to decide what constitutes inappropriate contact, however, it is important that any contact is not out of the ordinary and does not give the impression to others that the nature of the contact is inappropriate.

- approach each planning application/issue with an open mind
- not organise support or opposition to a planning application
- carefully weigh up all relevant planning issues before making a decision
- make decisions purely on planning grounds in the public interest and not favour, or appear to favour, any person, company, group or locality. In this respect, while Committee Members have a special duty to their Ward constituents, including those who did not vote for them, their over-riding duty is to the whole community.
- not decide how to vote on applications on the basis of a political 'whip', but on the planning merits of each case. (The view of the Ombudsman is that subjecting a planning decision to the discipline of the political whip could amount to maladministration)
- ensure that the reasons for their decisions are clearly stated
- With the coming into force of section 25 of the Localism Act 2011 if a member does or says anything prior to the planning committee considering the planning application, the member will not be judged to have a closed mind just because of what the member says or does. However, it is essential that the member when attending the planning committee takes into account all relevant planning considerations before making a decision on the planning application.

2.2 Members of the Planning Committee who are also Members of Community/Town Councils

Membership of a Community/Town Council provides an opportunity to listen to local views and does not of itself give rise to a conflict of interest for a Planning Committee Member provided he/she complies with the requirements of this code of practice particularly when considering all the evidence and arguments presented to the Planning Committee.

If the Member is present at a meeting of the Community/Town Council (or one of its committees) when a planning application/matter is under consideration, he/she can play a full part including entering into discussion, asking questions and even voting.

However, regardless of the planning committee member's previous statements and actions, the member must make the decision at planning committee taking into account only relevant material planning considerations.

2.3 Local Ward Members who are not Members of Planning Committee

Where an application is considered by Planning Committee Local Ward Members have the right to attend the Planning Committee (or Delegation Panel and site inspections by committee or panel) to speak on any planning matter (subject to declarations of interest) but may not vote. Such Members do not act in the decision-making role performed by planning committee members.

In appropriate circumstances the local ward member of an adjacent ward may also have the same rights as if they were the local ward member. Where an application has wider implications, the Chairman may exercise discretion and allow other members to address committee.

When attending meetings of the Planning Committee, Councillors who are not members of the Committee shall sit separately from Committee Members - whether or not they intend to address the Committee - and unless invited to do so by the Chairman shall not communicate with the Committee Members during the meeting.

Non-Committee Members can address the Committee after the officer has introduced the application and before any other speakers.

2.4 All Members

Local Ward Members represent their electoral division and the County as a whole. Any member can make representations on planning applications. Where the local ward member in whose division the application is located wishes an application to be considered by Planning Committee or the Delegation Panel they shall inform officers in writing either by letter or email to that effect and give relevant material planning reasons for the request. The views of the Local Ward Member will be included in the application report. "Planning reasons" in relation to the Local Ward Member request means a brief statement outlining the material considerations that justify the application being considered by Planning Committee or the Delegation Panel.

Members shall not pressure Officers to make particular recommendations in reports. This will be a clear breach of the Code of Conduct for Members.

3.0 Officers

3.1 The function of Officers is to carry out the administrative and executive functions in support of the planning process and to give professional advice to the public and Councillors.

3.2 The Chief Officer – Communities & Place makes decisions on the majority of planning applications under officer delegated powers and makes recommendations on more significant and contentious applications and other planning matters for decision by the Planning Committee of the Council. The local member in whose ward the application site is located can ask for any planning application to be referred to the Planning Committee for a decision rather than by officer delegated powers but must give material planning reasons for doing so. Some of the decisions under officer delegated powers are exercised in consultation with the Delegation Panel.

3.3 In considering applications and in advising Members and the public on planning policy, the determination of planning applications, enforcement and other planning matters, Planning Officers shall:

- act fairly and openly and avoid any actions which would give rise to an impression of bias
- avoid inappropriate social contact with applicants and their agents, objectors and other interested parties
- carefully weigh up all relevant planning issues
- make decisions purely on planning grounds having regard to the development plan and

other material considerations

- give professional, objective and consistent planning advice
- provide a comprehensive and accurate analysis of the planning issues
- Give a clear recommendation
- carry out the decisions of the Committee
- not be allocated a planning application to case manage if they are considered to have a personal interest in, or have a perceived personal interest in that application
- abide by the Royal Town Planning Institute's Code of Professional Conduct.

3.4 The Council's Legal Officers advise Members on legal and procedural matters. In doing so, they must:

- act fairly and openly and avoid any actions which would give rise to an impression of bias
- avoid inappropriate social contact with applicants and their agents, objectors and other interested parties
- give professional, objective and consistent advice
- carry out the decisions of the Committee so far as they relate to the completion of any legal agreement, institution/defence of proceedings etc.

4.0 Operation of the Delegation System and the Role of the Delegation Panel

- 4.1 The Council will operate a scheme of delegation of decisions to officers. The scheme defines matters to be determined by officers in consultation with the Delegation Panel (Chairman, Vice Chairman and Opposition Spokesperson of Planning Committee) and those wholly delegated to officers.
- 4.2 The published lists of applications and application details will not indicate whether an application is to be dealt with under delegated powers as the status of an application may change during the processing stages. In addition, the Chief Officer or Head of Service may specify that an application be put to Committee if it involves controversial issues.
- 4.3 Panel meetings will be arranged regularly to consider applications that fall to be considered by the Delegation Panel. A list of applications or other matters that are proposed to be determined under delegated powers will be presented to the Delegation Panel. This will be known as the Delegation List. There should be a minimum of two members present at the Delegation Panel meeting.
- 4.4 The Delegation List shall specify the detail of the application with the officer recommendation.
- 4.5 There will be a report prepared on each application or other matter to be determined under officer delegated powers. The report shall include a description of the proposal,

planning history, an adequate summary of objections/representations, relevant policies, a professional appraisal and recommendation. Any comments by Community or Town Councils, which are counter to the recommendation, should be specifically addressed in the professional appraisal, under the title: '*Response to Town/Community Council Representations*'.

The Relevant Officers: Officer recommendations and decisions on delegated decisions can only be authorised by:

- Chief Officer – Communities & Place
- Head of Placemaking, Housing, Highways and Flood
- Head of Planning
- Development Services Manager (DSM)
- Heritage Manager
- Development Management (DM) Area Manager

- 4.6 The Delegation Panel cannot determine planning matters. Officers consult with the Panel on those matters identified in the Delegation Scheme. The Panel can require that an application or other matter is presented to Planning Committee and will identify any application or other matter that is not to be delegated. The DSM, DM Area Manager or where appropriate, the case officer shall present each application on the agenda to the Panel. The Panel Members may ask the officers questions for clarification. The Panel Members will then come to a view on the proposal and decide whether a) the application can be delegated to officers to determine as per the recommendation, or b) be referred to Planning Committee for determination.
- 4.7 The meeting outcomes shall be delivered verbally at the meeting and the recording of this saved on the DM Team's IT system.
- 4.8 Where the Council receives objections and officers recommend approval before an application is determined officers will:
- Provide a copy of the officer evaluation to the Panel members, the local ward member and the local community or town council
 - The local member may attend the Panel but should contact the Chair and officers to agree and arrange this
 - At the discretion of the Chair, the Panel may agree to meet an applicant and a third party on site where it is considered that certain planning issues warrant more detailed, direct discussion. This will, however, be the exception rather than the norm in that the officer report and presentation should normally be sufficient in setting out the planning issues and in coming to a balanced recommendation. If this circumstance applies, the applicant and third parties will be invited to make their views to the Panel Members separately before the Panel Members debate the proposal and make a decision
- 4.9 The Delegation Panel will also form a Design Panel to allow members to contribute to the design process of a development at an early stage. The Panel will convene as and when required and will consider applications for 10 or more dwellings or non-residential development of 1,000 sq.m. or more and other applications that may raise important design issues. The applicant/agent will be invited to attend as will any other relevant parties. The local ward member will be invited to attend. The role of the Design Panel

will be to advise on design aspects of the application. The Design Panel will not give any indication on the outcome of the application.

5.0 Discussions Before and During Applications and on Enforcement Matters

- 5.1 Discussion and negotiation are essential in the planning process as they can bring about improvements that can make an application acceptable or otherwise remedy problems. The Council encourages this discussion and negotiation.
- 5.2 Such discussions will normally take place at officer level and Members shall, wherever possible, refer requests for such advice to the Officers.
- 5.3 Where Members feel that a formal meeting would be useful in clarifying the issues, they should never seek to arrange that meeting themselves but should request the Head of Planning or the Development Services Manager to organise it. The officer(s) will then ensure that those present at the meeting are advised from the start that the discussions will not bind the authority to any particular course of action. The meeting can be attended by the Delegation Panel depending on the scale and/or implications of the proposal and the Local Ward Member for the ward in which the application site is located (see par.4.8 above). Other Ward Members in the locality may attend where the application has wider implications.
- 5.4 Members may also attend presentations by applicants or developers but should either have an officer present or have made officers aware of it and officers have discussed it with Members or briefed them on it.
- 5.5 At all times Members should have regard to the Council's Code of Conduct for Members and the Planning Code of Practice.
- 5.6 All Officers taking part in discussions shall:
 - make clear whether or not they are the decision maker for the purposes of the application/issue under discussion
 - make clear that only personal and provisional views can be expressed which will not bind the Council to reach a particular decision when determining an application
 - express views in the context of the development plan and other material planning considerations
 - be consistent in interpreting planning policies
 - advise applicants and neighbours/objectors on procedural matters.
- 5.7 Occasionally local people or Community/Town Councils will arrange public meetings to discuss a current application and may invite the applicants, Members and Officers to attend. Given the need to avoid giving commitments and ensuring that an open mind on proposals is retained, Members of the Committee and Officers who attend such meetings shall use them for fact-finding, shall not express a final opinion for or against the proposal and shall otherwise act in accordance with the guidance in this Code.

6.0 Lobbying of Members of the Planning Committee

- 6.1 Lobbying is the process by which applicants and their agents, neighbours, non-Committee Members and other interested parties seek to persuade Council Members on the Planning Committee to come to a particular decision. It is a legitimate part of the planning process for them to approach Members of the Planning Committee as these discussions can help Members to understand the issues and concerns. As stated in the Nolan Committee Third Report: "it is essential for the proper operation of the Planning system that local concerns are adequately ventilated".
- 6.2 In responding to approaches of this kind, Committee Members shall follow the nine principles outlined in Paragraph 2.1 above and may wish to make a record of the discussion, but may also:
- i) Explain the potentially conflicting position they are in if they express a final opinion on a proposal before consideration at the Committee/ by the Chief Officer
 - ii) Explain the procedures by which representations can be made; that the public can speak at the Committee (subject to a number of conditions within the Public Speaking protocol being met) should the application come to the Committee for decision, and that a decision will be taken only when all relevant planning considerations have been taken into account
 - iii) Explain the kinds of planning issues that the Council can take into account
 - iv) Report issues raised to the Officers or direct the public to the Officers so that their views can be considered
 - v) Advise the public to contact non-Committee Members who may be able to represent local views with less restraint.
- 6.3 Where a Committee Member feels that they have been unreasonably or excessively lobbied on a particular proposal they shall make a declaration at Planning Committee on that application that they have been lobbied. However, that Member shall still be able to speak and vote on the application if the guidance in Section 2 is adhered to.

7.0 Planning Applications Submitted by Members, Community/Town Councils and Officers

- 7.1 Where a Planning Application is submitted by or on behalf of the following:
- a. an Officer of the Council who works within the Planning Department or who has an involvement in the Planning Application process (except in any instance where the application has been submitted in their capacity as an employee of the Council)
 - b. an elected or co-opted Member of the Council; or
 - c. c.by an individual who has a close personal relationship with either of the above; the application shall be considered by Planning Committee.
- 7.2 The Member that is affected shall declare an interest and take no part in the decision.

- 7.3 The Officer that is affected shall record his/her interest and take no part in the decision.
- 7.4 Where a Community/Town Council submits a planning application, the County Council Members who are also Members of that Community/Town Council should disclose their interest and withdraw from further consideration of the matter.

8.0 Planning Applications Submitted by the Council

- 8.1 It is critical that the Council is seen to be treating applications for its own development (or a development involving the Council and another party) on an equal footing with all other applications as well as actually doing so.
- 8.2 All such proposals will be subject to the same administrative processes, including consultation, as all other applications with consideration being made in accordance with policy and any other material planning consideration.
- 8.3 The following applications will be considered under the Delegation Panel process:
- (i) where the application is by or on behalf of the Council and *there are no material planning objections to the proposed development*; and
 - (ii) the application is for development on Council-owned land or in which the Council has a direct interest and *there are no material planning objections to the proposed development*

Where any applications by or on behalf of the Council receive one or more material planning objections they shall be considered by Planning Committee.

- 8.4 Where a Member of Planning Committee has a Cabinet portfolio responsibility relating to an application, they shall declare that interest and not take part in the discussion or vote.

9.0 Officers' Reports to the Planning Committee

- 9.1 All Planning matters considered by the Planning Committee will be the subject of full evaluation by officers and will include a recommendation. Such reports shall be comprehensive, but succinct in setting out the key planning (and legal) issues to be considered (in terms of the provisions of the development plan and other material planning considerations), the substance of any representations received and any relevant planning history.
- 9.2 Any comments by Community or Town Councils, which are counter to the recommendation, should be specifically addressed in the professional appraisal, under the title: '*Response to Town/Community Council Representations*'. Local Ward Member representations will also be addressed.
- 9.3 A summary of late correspondence received since the report was prepared will be made available to the Committee and dispatched electronically to Members by close of business the day before Planning Committee meets. Late correspondence will be accepted for consideration up to a deadline of noon on the Friday before the Planning Committee after which it will not normally be taken into account unless it raises material planning or legal issues that have not already been considered in the officer report.

“Received” means received by Planning Department staff at County Hall by post or electronically.

- 9.4 When applications are presented to Planning Committee the Council’s Democratic Services Team will publish the agenda on the Council’s web site five clear working days before the meeting itself. In addition, the Planning Department will publish the officer evaluation for each application that is on the agenda on the respective electronic application file before the committee meeting itself to enable these to be viewed by the public.

10.0 Procedure at Planning Committee

10.1 The following procedure will be followed at Planning Committee:

- The quorum for a Planning Committee is 50% of its membership in accordance with the Local Authorities (Standing Orders) (Wales) (Amendment) Regulations 2017
- The Chairman will identify the application to be considered
- An officer will present a brief summary of the application and issues with the recommendation
- The Local Member, if not a member of Planning Committee will be invited to speak for a maximum of 4 minutes by the Chairman. The Local Member, at the discretion of the Chairman may be allowed to use their additional 2 minute summing up time at this point, if this is requested.
- The representative of the community or town council will then be invited to speak for a maximum of 4 minutes by the Chairman
- The Chairman will then invite, in turn, the objector and/or supporter to speak for a maximum of 4 minutes each
- The Chairman will invite the Applicant or Appointed Agent (if applicable) to speak for a maximum of 4 minutes.
- Time limits will normally be strictly adhered to although the Chair will have discretion to amend the time having regard to the circumstances of the application or those speaking
- Speakers may speak only once
- Committee Members may then raise questions with officers
- Planning Committee Members will then debate the application, commencing with the Local Member if a member of Planning Committee. Officers will not take any further questions unless it is to advise Members about a procedural or legal issue, or where they consider Members are deviating from material planning considerations.
- Immediately before the application is put to the vote, the Local Member will be invited to sum up, speaking for no more than 2 minutes provided that they have not already used their 2 minute summing up time.
- The community or town council representative or objector/supporter or applicant/agent may not take part in the Members’ consideration of the application and may not ask questions unless invited to by the Chair

- Where an objector or supporter or applicant/agent or community or town council has spoken on an application, no further speaking by or on behalf of that group will generally be permitted in the event that the application is considered again at a future meeting of the committee, however regard will be had to special circumstances that may justify an exception. The final decision lies with the Chairman.
- The Chairman's decision regarding a procedural matter is final
- When proposing a motion either to accept the officer recommendation or to make an amendment the Member proposing the motion shall state the motion clearly
- When the motion has been seconded the Chairman shall identify the Members who proposed and seconded the motion and repeat the motion proposed. The names of the proposer and seconder shall be recorded
- Members shall decline to vote in relation to any planning application unless they have been present in the meeting of the Planning Committee throughout the full presentation and consideration of that application. Where Members attend remotely, they shall be on camera at all times during the consideration of the application to be eligible to vote.
- Any Member who abstains from voting shall consider whether to give a reason for their abstention
- The Legal Officer shall count the votes and announce the decision.

10.2 Public speaking at Planning Committee will be allowed strictly in accordance with the protocol attached in Appendix 1. The invitation to speak and the conduct of the meeting is at the discretion of the Chairman of Planning Committee.

11.0 **Planning Committee Site Inspections**

11.1 Committee site inspections are fact-finding exercises which allow the Planning Committee to make a more informed decision than would otherwise be possible from only reading the officer's report, listening to the officer presentation and considering the views expressed at the Committee meeting by interested parties.

11.2 The purpose of a site inspection is to clarify issues of fact and such visits should only be held where the Committee cannot make an informed decision without seeing the site for themselves and the inspection would have substantial benefit. Examples of this include:

- Where there are accusations that a plan is misleading
- Overlooking into other people's property
- Visual prominence
- Understanding the topography of the area

Examples where a site visit would not normally be appropriate include where:

- purely policy matters or issues of principle are at issue
- the Member simply disagrees with the conclusion reached in the report

- the Member wishes to consider boundary or neighbour disputes
- issues of competition
- loss of property values
- any other issues which are not material planning considerations.

11.3 Members of Planning Committee will carry out the inspections with the local ward member being invited. The applicant (or agent) and objectors/supporters may attend but may only draw attention to matters of fact relating to the site, and at the Chairman's discretion. The community or town council shall be invited to attend the site inspection. An officer shall attend to advise on the application.

11.4 Members of Planning Committee shall not discuss the application, other than to clarify issues of fact, and shall not make a decision while on site.

11.5 If a Member finds it necessary to visit a site alone (perhaps because it was not possible to attend the Committee inspection), they shall view it from public vantage points only, seek to avoid discussion with interested parties, and, if discussion occurs, make it clear that a decision will be taken when it has been discussed by the Committee.

12.0 Planning Committee Decisions Contrary to Officer Recommendation

12.1 Where the Committee does not accept the recommendation made by the Officers the application shall be deferred to the following Planning Committee and brought back with reasons for refusal or conditions of approval as the case may be.

12.2 It is important that full clear and convincing reasons are set out when any planning decision is made. Where an application is determined in accordance with the officer recommendation the officer report meets this requirement. However, when Members determine an application against the officer recommendation the primary record of the debate are the minutes together with the recording of the livestream of the meeting. It is essential that Members' reasons are recorded and that the minutes of the meeting incorporate a full, clear and accurate statement of the reasons.

12.3 Where planning permission is refused contrary to officer advice, Members should be aware of the risk of an award of costs being made against the Council at a subsequent appeal. Advice on the award of costs is contained in the Welsh Government's 'Development Management Manual Section 12 Annex: Awards of Costs'. Of particular relevance to this protocol is the following advice in par. 3.9:

"Local planning authorities are not bound to adopt, or include as part of their case, the professional or technical advice given by their own officers or received from statutory consultees. However, they are expected to show that they had reasonable planning grounds for taking a decision contrary to such advice and that they are able to produce relevant evidence to support their decision. If they fail to do so, costs may be awarded against the authority."

13 Appeals against Council Decisions

13.1 Officers will normally organise the administration of an appeal but in a case where there is a refusal of planning permission contrary to the officer recommendation and the appellant seeks an informal hearing or public inquiry Members will be expected to help formulate

and to present the Council's case at the appeal. This is because under the Royal Town Planning Institute (RTPI) Code of Professional Practice planning officers who are members of the Institute must not make statements purporting to be their own, but which are contrary to their bona fide professional opinion. At a case determined by written representations a link to the live stream of the debate and the minutes will normally be sufficient to summarise the Council's case.

- 13.2 Once the appeal has been lodged then at the next available Planning Committee, individual Members will be nominated to represent the Council's case at the appeal. Other Members may attend to contribute or listen to the debate at the appeal hearing or inquiry. This is good practice in all appeals whether the decision was against officer advice or not. Members have an important role to play in appeals. The local ward member will be informed of the appeal. They and any other member may, within set deadlines, make written representations to the Inspector and may also appear at informal hearings or as a witness at inquiries. In doing so they should state whether they are acting in their capacity as the local Councillor or representing the Council's case.
- 13.3 Officers shall support Members who wish to attend the appeal and/or make representations and advise them on preparing and delivering evidence as well as on legal aspects. Where appropriate a nominated officer will be designated to assist and guide members before attending a hearing or inquiry and attend the hearing or inquiry with the member(s). However, the officer will not be able to prepare or give evidence where that would be contrary to their professional views.

14 Community and Town Councils

- 14.1 Officer reports will specifically address community and town council objections.
- 14.2 Community and town council clerks are notified by email when the agenda for Planning committee is published. It is the community or town council's responsibility to register to speak in cases where they wish to address committee Members.
- 14.3 Representatives of community and town councils will be permitted to attend planning committees and committee site inspections.
- 14.4 A representative will be permitted to address the Committee on an application, at the discretion of the Chairman and in accordance with the Protocol on Public Speaking.
- 14.5 Representatives will be expected to uphold the following principles:-
- To observe the National Code of Local Government Conduct, particularly in the context of declarable interests.
 - Not to introduce information that is not a material planning consideration.

15.0 Member Training

- 15.1 The Council has decided that all members of the Council, not just those Members of the Planning Committee, shall undertake training. No Member shall sit on Planning Committee unless they agree to undertake such training.
- 15.2 Members will be offered core training within three months of appointment to the Committee. This will cover planning procedures, the development plan and material

planning considerations, probity and other subjects determined from time to time by Officers in consultation with the Members.

- 15.3 Other training will be available in the form of additional sessions such as seminars on specific subjects.

16.0 Review of Decisions

- 16.1 To assess and improve the quality and consistency of decisions and thereby strengthen public confidence and assist in reviewing planning policy the Planning Committee will undertake an annual review of a sample of planning decisions made by the Committee. The review will include examples from a range of development types and shall include visits to the sites.
- 16.2 The Planning Committee will formally consider the results of the review and decide whether it gives rise to the need for new policies, procedures and practices.
- 16.3 The outcome of appeals against the decisions of the Council will be reported regularly to Planning Committee so that any lessons can be learned. The outcome of enforcement cases and legal proceedings will also be reported regularly to Members, including the local Member, to keep them abreast of progress.
- 16.4 The Delegation Panel may from time to time review decisions made under officer delegated powers.

Appendix 1

Protocol on Public Speaking at Planning Committee

Public speaking at Planning Committee will be allowed strictly in accordance with this protocol. You cannot demand to speak at the Committee as of right. The invitation to speak and the conduct of the meeting is at the discretion of the Chair of the Planning Committee and subject to the points set out below. The conventional protocol has been modified to allow public speaking via pre-recorded videos or to attend the meeting in person and address the Planning Committee.

Who Can Speak?

Community and Town Councils

Community and town councils can address Planning Committee via a pre-recorded video or in person at the meeting. Only elected members of community and town councils may speak. Representatives will be expected to uphold the following principles:

- (i) To observe the National Code of Local Government Conduct.
- (ii) Not to introduce information that is not:
 - consistent with the written representations of their council, or
 - part of an application, or

- contained in the planning report or file.

When a town or community councillor has registered to speak in opposition to an application, the applicant or agent will be allowed the right of reply.

Members of the Public

Speaking will be limited to one member of the public opposing a development and one member of the public supporting a development. Where there is more than one person in opposition or support, the individuals or groups should work together to establish a spokesperson. The Chair of the Committee may exercise discretion to allow a second speaker, but only in exceptional cases where a major application generates divergent views within one 'side' of the argument (e.g. a superstore application where one spokesperson represents residents and another local retailers). Members of the public may appoint representatives to speak on their behalf.

Where no agreement is reached, the right to speak shall fall to the first person/organisation to register their request. When an objector has registered to speak the applicant or agent will be allowed the right of reply.

Speaking will be limited to applications where, at the date the Planning Committee agenda is published letters of objection/support or signatures on a petition have been submitted to the Council from 5 or more separate households/organisations (in this context organisations would not include community or town councils or statutory consultees which have their own method of ensuring an appropriate application is considered at Committee).

The number of objectors and/or supporters will be clearly stated in the officer's report for the application contained in the published agenda.

The Chair may exercise discretion to allow speaking by members of the public where an application may significantly affect a sparse rural area but less than 5 letters of objection/support have been received.

Applicants

Applicants or their appointed agents will have a right of response where members of the public or a community/town council, have registered to address committee in opposition to an application. This will also be via a pre-recorded video or in person at the Planning Committee meeting.

When is speaking permitted?

Public speaking will normally only be permitted on one occasion where applications are considered by Planning Committee. When applications are deferred and particularly when re-presented following a committee resolution to determine an application contrary to officer advice, public speaking will not normally be permitted. Regard will however be had to special circumstances on applications that may justify an exception. The final decision lies with the Chair.

Registering Requests to Speak

Speakers must register their request to speak as soon as possible, between 12 noon on the Tuesday and 12 noon on the Friday before the Committee. To register a request to speak, objectors/supporters must first have made written representations on the application.

Anyone wishing to speak must notify the Council's Democratic Services Officers of their request by

calling 01633 644219 or by email to registertospeak@monmouthshire.gov.uk

Please leave a daytime telephone number. Any requests to speak that are emailed through will be acknowledged prior to the deadline for registering to speak. If you do not receive an acknowledgement before the deadline, please contact Democratic Services on 01633 644219 to check that your registration has been received.

Parties are welcome to address the Planning Committee in English or Welsh, however if speakers wish to use the Welsh language, they are requested to make this clear when registering to speak and are asked to give at least 5 working days' notice to allow the Council the time to procure a simultaneous translator.

Applicants/agents and objectors/supporters are advised to stay in contact with the case officer regarding progress on the application. It is the responsibility of those wishing to speak to check when the application is to be considered by Planning Committee by contacting the Planning Office, which will be able to provide details of the likely date on which the application will be heard. The procedure for registering the request to speak is set out above.

The Council will maintain a list of persons wishing to speak at Planning Committee. Once the request to speak has been registered by the Council the speaker, if not attending in person, must submit their pre-recorded video by midday on Monday before the Committee meeting. The video content must comply with the terms below and be no more than 4 minutes in duration.

If the third party does not wish to record a video, they will need to submit a script to the Council by the deadline above, that will be read out by an officer to the Committee Members at the meeting. The script shall contain no more than 500 words and shall also comply with the terms below. Speakers will also have the option to attend the meeting in person and addressing Planning Committee.

Content of the Speeches

Comments by the representative of the town/community council or objector, supporter or applicant/agent should be limited to matters raised in their original representations and be relevant planning issues. These include:

- Relevant national and local planning policies
- Appearance and character of the development, layout and density
- Traffic generation, highway safety and parking/servicing;
- Overshadowing, overlooking, noise disturbance, odours or other loss of amenity.

Speakers should avoid referring to matters outside the remit of the Planning Committee, such as:

- Boundary disputes, covenants and other property rights
- Personal remarks (e.g. Applicant's motives or actions to date or issues about members or officers)
- Rights to views or devaluation of property.

The procedure for dealing with public speaking is set out below:

- The Chairman will identify the application to be considered
- An officer will present a brief summary of the application and issues with the recommendation

- Time limits will normally be strictly adhered to although the Chair will have discretion to amend the time having regard to the circumstances of the application or those speaking
- Speakers may speak only once
- Committee Members may then raise questions with officers
- Planning Committee Members will then debate the application, commencing with the Local Member if a member of Planning Committee. Officers will not take any further questions unless it is to advise Members about a procedural or legal issue, or where they consider Members are deviating from material planning considerations.
- Immediately before the application is put to the vote, the Local Member will be invited to sum up, speaking for no more than 2 minutes provided that they have not already used their 2 minute summing up time.
- The community or town council representative or objector/supporter or applicant/agent may not take part in the Members' consideration of the application and may not ask questions unless invited to by the Chair
- Where an objector or supporter or applicant/agent or community or town council has spoken on an application, no further speaking by or on behalf of that group will generally be permitted in the event that the application is considered again at a future meeting of the committee, however regard will be had to special circumstances that may justify an exception. The final decision lies with the Chairman.
- The Chairman's decision regarding a procedural matter is final
- When proposing a motion either to accept the officer recommendation or to make an amendment the Member proposing the motion shall state the motion clearly
- When the motion has been seconded the Chairman shall identify the Members who

proposed and seconded the motion and repeat the motion proposed. The names of the proposer and seconder shall be recorded

- Members shall decline to vote in relation to any planning application unless they have been present in the meeting of the Planning Committee throughout the full presentation and consideration of that application. Where Members attend remotely, they shall be on camera at all times during the consideration of the application to be eligible to vote.

- 38.2.1 Monmouthshire County Council adopted this revised version of the Code of Conduct at its Annual Meeting on 12th May 2016.

39 CODE OF CONDUCT FOR EMPLOYEES

39.1 The Statutory Employee Code of Conduct

39.1.1 The following code of conduct is the model code of conduct set out in The Code of Conduct (Qualifying Local Government Employees) (Wales) Order 2001 as updated. As such, it is repeated here verbatim with original layout, referencing and content.

General Principles

1. The public is entitled to expect the highest standards of conduct from all qualifying employees of relevant authorities. The role of such employees is to serve their employing authority in providing advice, implementing its policies, and delivering services to the local community. In performing their duties, they must act with integrity, honesty, impartiality and objectivity.

Accountability

2. Qualifying employees of relevant authorities work for their employing authority and serve the whole of that authority. They are accountable to, and owe a duty to that authority. They must act in accordance with the principles set out in this Code, recognising the duty of all public sector employees to discharge public functions reasonably and according to the law.

Political Neutrality

3. Qualifying employees of relevant authorities, whether or not politically restricted, must follow every lawfully expressed policy of the authority and must not allow their own personal or political opinions to interfere with their work. Where qualifying employees are politically restricted (by reason of the post they hold, the nature of the work they do, or the salary they are paid), they must comply with any statutory restrictions on their political activities.

Relations with members, the public and other employees

4. Mutual respect between qualifying employees and members is essential to good local government, and working relationships should be kept on a professional basis.
5. Qualifying employees of relevant authorities should deal with the public, members and other employees sympathetically, efficiently, and without bias.

Equality

6. Qualifying employees of relevant authorities must comply with policies relating to equality issues, as agreed by the authority, in addition to the requirements of the law.

Stewardship

7. Qualifying employees of relevant authorities must ensure that they use public funds entrusted to them in a responsible and lawful manner, and must not utilise property, vehicles or other facilities of the authority for personal use unless authorised to do so.

Personal Interests

8. Whilst qualifying employees' private lives are their own concern, they must not allow their private interests to conflict with their public duty. They must not misuse their official position or information acquired in the course of their employment to further their private interests, or the interests of others. In particular, they must comply with:

- (1) any rules of their relevant authority on the registration and declaration by employees of financial and non - financial interests,
- (2) any rules of their relevant authority on the declaration by employees of hospitality or gifts offered to or received by them, from any person or organisation doing or seeking to do business, or otherwise benefiting or seeking to benefit from a relationship with the authority. Qualifying employees must not accept benefits from a third party unless authorised to do so by their relevant authority.

Whistleblowing

9. In the event that a qualifying employee becomes aware of activities which that employee believes to be illegal, improper, unethical or otherwise inconsistent with this Code, the employee should report the matter, acting in accordance with the employee's rights under the Public Interest Disclosure Act 1998, and with the relevant authority's confidential reporting procedure, or any other procedure designed for this purpose.

Treatment of Information

10. Openness in the dissemination of information and decision making should be the norm in relevant authorities. However, certain information may be confidential or sensitive and therefore not appropriate for a wide audience. Where confidentiality is necessary to protect the privacy or other rights of individuals or bodies, information should not be released to anyone other than a member, relevant authority employee or other person who is entitled to receive it, or needs to have access to it for the proper discharge of their functions. Nothing in this Code can be taken as overriding existing statutory or common law obligations to keep certain information confidential, or to divulge certain information.

Appointment of Staff

11. Qualifying employees of relevant authorities involved in the recruitment and appointment of staff must ensure that appointments are made on the basis of merit. In order to avoid any possible accusation of bias, such employees must not be involved in any appointment, or any other decisions relating to discipline, promotion or pay and conditions for any other employee, or prospective employee, to whom they are related, or with whom they have a close personal relationship outside work.

Investigations by Monitoring Officers

12. Where a monitoring officer is undertaking an investigation in accordance with regulations made under section 73(1) of the Local Government Act 2000 a qualifying employee must comply with any requirement made by that monitoring officer in connection with such an investigation.

39.2 The MCC Code of Conduct for Employees

- 39.2.1 To the extent that its provisions do not conflict with the foregoing statutory code, the Council has adopted (after appropriate consultation) the following Code of Conduct for Employees.

39.3 Introduction

- 39.3.1 The public is entitled to expect the highest standards of conduct from all employees who work for local government. This Code of Conduct is based on the recommendations of the Committee on the Standards of Conduct in Public Life. It applies to employees' conduct both within the council and when dealing with other organisations as a representative of the council. The principles detailed below are the basic ones governing all council employees.
- 39.3.2 The Code does not affect an employee's rights and responsibilities under the law; its purpose is to provide clear and helpful advice but all employees must comply with the Code.
- 39.3.3 This Policy should be read in conjunction with the council's Whistle Blowing procedure, the Dignity at Work policy and the Social Media Policy. This allows employees to disclose any wrong doing on the part of any employee or Councillor under The Public Interest Disclosure Act 1998. A breach of this Code may give rise to disciplinary action, which will be taken in accordance with the Council's Disciplinary Procedure.

39.4 Nolan Principles

39.4.1 The Code incorporates "The Seven Principles of Public Life":

- (a) selflessness. Employees shouldn't take decisions which will result in any financial or other benefit to themselves, their family, or their friends. Decisions should be based solely on the Council's best interests;
- (b) integrity. Employees shouldn't place themselves under any financial or other obligation to an individual or an organisation which might influence them in their work with the Council;
- (c) objectivity. Any decisions that employees take in the course of their work, including making appointments, awarding contracts, or recommending individuals for rewards or benefits must be based solely on merit;
- (d) accountability. Employees are accountable to the council as their employer. The council, in turn, is accountable to the public;
- (e) openness. Employees should be as open as possible in all the decisions and actions that they take. They should give reasons for their decisions and shouldn't restrict information unless this is clearly required by council policy or by the law;
- (f) honesty. Employees have a duty to declare any private interests, which might affect their work with the council;
- (g) leadership. Employees in a leadership or managerial position should promote and support these principles by their leadership and example.

39.5 Standards

39.5.1 The aim of this code is to apply standards for all Monmouthshire County Council employees on the understanding that the citizens of Monmouthshire are entitled to expect the highest standards of conduct and where it is part of their duties, to provide appropriate advice to Councillors and fellow employees with impartiality.

- 39.5.2 Employees will be expected to bring any deficiency in the provision of service or any impropriety or breach of procedure which would have a detrimental impact on the Council to the attention of the appropriate level of management.
- 39.5.3 The standards laid down in this Code are considered to be fundamental to the reputation of the Council. Any uncertainty about the meaning of this code is not accepted as a reason for failing to comply with it. If employees are in doubt they should seek advice from a Chief Officer.

39.6 Social Media

- 39.6.1 It's your own personal choice whether or not you participate in any kind of social media activity in your own time – the views and opinions that you express are your own. However, as a council employee you should be aware that any information which you post about Monmouthshire County Council cannot be kept entirely separate from your working life.
- 39.6.2 What you say openly online can be accessed around the world within seconds, it might be shared or re-published elsewhere (online or in print) and it will continue to be available for all to see in the future. You must be willing to take personal responsibility for anything that you say online.
- 39.6.3 The council would expect staff to make a distinction between their own views and those where they represent their employer. It may be appropriate to add a disclaimer to your personal blog or social media profile to make it clear that your personal accounts are your own – for example: "These views are my own not my employers".
- 39.6.4 Think about what capacity you're speaking in, particularly if you are commenting about Monmouthshire County Council. Make sure you avoid misunderstandings about whether you're speaking as part of your work or not. Seek further advice if you're unsure.
- 39.6.5 Check your online privacy settings so that you understand who can see the information you publish and who can view your personal information.
- 39.6.6 Respect privacy and confidentiality – make sure you don't publish any information that should be kept private.
- 39.6.7 Stay safe – don't give out personal details such as your address or phone number. Make sure that you're familiar with the council's policy about personal use of electronic communications in the workplace.

39.7 Relationships

- 39.7.1 The Local Community and Service Users. Employees should always remember the responsibilities to the citizens they serve and ensure courteous, efficient and impartial service delivery to all groups and individuals within that community.
- 39.7.2 Councillors. Employees are responsible to the Council through its senior managers and leaders. For some, their role is to give advice to councillors and senior managers and all are there to carry out the Council's work. Mutual respect between employees and councillors is essential to good local government. Close personal familiarity between employees and individual councillors can damage the relationship and prove embarrassing to other employees and councillors and should therefore be treated with caution.

39.7.3 Contractors:

- (a) all relationships of a business or private nature with external contractors, or potential contractors, should be made known to the appropriate manager. Orders and contracts must be awarded on merit, by competition against other tenders, and no favour should be shown to businesses run by, for example, friends, partners or relatives in the tendering process. No part of the local community should be discriminated against. At all times the requirements of the Council's Contract Standing Orders must be applied;
- (b) employees should let their Chief Officer know if they appoint or supervise contractors with whom they have a current or previous relationship in a private or domestic capacity;
- (c) all members of the public, citizens, customers, colleagues and Elected Members should be dealt with fairly, equitably, with dignity and respect in line with the principles of the Equality Act 2010 and the policies of the Council.

39.8 Appointment and Employment

39.8.1 All appointments will be made on merit. It is unlawful for an employee to make an appointment which was based on anything other than the ability of the candidate to undertake the duties of the post.

39.8.2 In order to avoid any possible accusation of bias, employees should not be involved in an appointment where they are related to an applicant, or have a close personal relationship outside work with them.

39.8.3 Similarly, employees should not be involved in decisions relating to discipline promotion or pay for any employee who is a relative, partner, etc.

39.8.4 Candidates will be disqualified if they canvass members or employees of the council directly or indirectly in connection with any appointment within the Council. Employees can give a written reference of a candidate's suitability for appointment, but they can't solicit for them or recommend them for appointment or promotion.

39.9 Politically Restricted Posts

39.9.1 The effect of including a local authority employee on the list of 'politically restricted posts' is to prevent that individual from having any active political role either in or outside the workplace. Politically restricted post holders will automatically be disqualified from:

- (a) standing for or holding elected office;
- (b) acting as an election agent or sub agent;
- (c) being an officer of a political party or of any branch of such a party or a member of any committee or sub-committee of such a party;
- (d) canvassing on behalf of a political party or on behalf of a person who is, or proposes to be, a candidate for election;

- (e) speaking to the public at large or to a section of the public with the apparent intention of affecting public support for a political party.

39.9.2 These restrictions are incorporated as terms in the employee's contract of employment.

39.9.3 Politically restricted posts fall into two broad categories: specified posts and sensitive posts.

39.9.4 Specified posts:

- (a) Head of the Paid Service (Chief Executive);
- (b) Statutory Chief Officers;
- (c) s151 Officer;
- (d) non-statutory Chief Officers (officers reporting to the Chief Executive);
- (e) Deputy Chief Officers (officers designated as a Deputy);
- (f) the Monitoring Officer;
- (g) Officers exercising delegated powers, i.e. persons whose posts are for the time being specified by the authority.

39.9.5 Sensitive posts. A sensitive post is one which meets one or both of the following duties-related criteria:

- (a) giving advice on a regular basis to the Council, to any committee or sub-committee of the Council or to any joint committee on which the Council is represented; or where the Council operates executive arrangements, to the executive of the authority; to any committee of that executive; or to any member of that executive who is also a member of the authority;
- (b) speaking on behalf of the authority on a regular basis to journalists or broadcasters.

39.9.6 Teachers and Head Teachers are exempt from political restrictions and are not regarded as holding politically restricted posts whatever their role.

39.10 Political Neutrality

39.10.1 Employees work for the Council as a whole, including Elected Members and must ensure that the individual rights of all members are respected.

39.10.2 If employees are required to advise political groups, they must do so in a way which does not compromise their political neutrality.

39.10.3 Employees, whether or not politically restricted, must follow every lawful expressed policy of the authority and must not allow their own personal or political opinions to interfere with their work.

39.11 Outside Commitments

39.11.1 Employees on Band G and above will need to obtain written consent from their Chief Officer prior to taking on any outside employment. All employees should be clear about their contractual obligations and should not take outside employment which could conflict with the authority's interests or use Council premises or equipment for other than Council business.

39.12 Personal interests

39.12.1 Employees must declare in writing to their Chief Officer any financial or non-financial interests which could conflict with the Council's interests. A copy of this declaration should be sent to the Chief Executive.

39.12.2 Employees should tell their Chief Officer if they are a member of any organisation that isn't open to the public without formal membership and commitment or allegiance and which has secrecy about rules or membership or conduct.

39.13 Disclosure of Information

39.13.1 The Council's decision making process must be transparent and open. The Council must provide the public with clear and accessible information about how it operates. It must also ensure that there is an effective complaints procedure in place for the public to use when things go wrong.

39.13.2 The Council is committed to ensuring that all data collected, held or obtained under its control is dealt with in an ethical and legally responsible manner. Failure to do so would jeopardise the credibility of the council and may cause the council to breach disclosure legislation.

39.13.3 The Council's policy is that information will be made open and available. There are exceptions to this principle of openness where confidentiality is involved. Information may be withheld if, for example, it would compromise a right of personal or commercial confidentiality. This doesn't apply where there is a legal duty to provide information. Employees must not break the law in this area.

39.13.4 In particular, information mustn't be supplied about employees to any person outside the Council unless the consent of the employee is obtained first. This won't apply where there is a statutory duty to provide information, e.g. HMRC, DWP etc. or in the process of prevention or detection of fraud, as detailed below. If there is any doubt employees should raise the matter with their line manager.

39.13.5 Breaches of confidentiality will constitute a breach of this code which could result in disciplinary action, including dismissal. Under the Data Protection Act 2018, breaches of confidentiality can lead in certain circumstances, to legal proceedings against employees as individuals.

39.13.6 In order to ensure a co-ordinated approach to the Council's external relations, requests for information from the media should be dealt with by the Communications Manager or an employee authorised by a Chief Officer.

39.13.7 If in any doubt as to whether to divulge information to anyone the relevant line manager should be consulted.

39.14 Separation of roles during Tendering

- 39.14.1 Employees involved in the tendering process and dealing with contractors should be clear on the separation of client and contractor roles within the Council. Senior employees who have both a client and contractor responsibility must be aware of the need for accountability and openness and must exercise fairness and impartiality when dealing with all customers, suppliers, other contractors and sub-contractors.
- 39.14.2 Employees who are privy to confidential information on tenders or costs for either internal or external contractors should not disclose that information to any unauthorised party or organisation.
- 39.14.3 Employees contemplating a management buyout or similar arrangement should, as soon as they have formed a definite intent, inform their Chief Officer and withdraw from the contract awarding processes.
- 39.14.4 Employees should ensure that no favour is shown to current or recent former employees or their partners, close relatives or associates in awarding contracts to businesses run by them or employing them in a senior or relevant managerial capacity.

39.15 Bribery and Corruption

- 39.15.1 Under the Bribery Act 2010 employees must be aware that it is a serious criminal offence to;
- (a) bribe a person to induce or reward them to perform a relevant function improperly;
 - (b) request, accept or receive a bribe as a reward for performing a relevant function improperly;
 - (c) use a bribe to influence a foreign official to gain a business advantage.

39.16 Surveillance

- 39.16.1 There may be circumstances that warrant the authority to carry out covert surveillance. This will only be in situations where all other investigative options have been exhausted.

39.17 Use of Financial Resources

- 39.17.1 Employees must ensure that they use public funds entrusted to them in a responsible and lawful manner. They should strive to ensure value for money to the local community and to avoid legal challenge to the authority.

39.18 Hospitality

- 39.18.1 Employees should only accept offers of hospitality if there is a genuine need to impart information or represent the local authority in the community. Offers to attend purely social or sporting functions should be accepted only when these are part of the life of the community or where the authority should be seen to be represented. They should be properly authorised by Chief Officers and recorded.

- 39.18.2 People making the offer of hospitality should be courteously but firmly declined and they should be informed of the procedures and standards operating within the authority.
- 39.18.3 Employees should not accept significant personal gifts from contractors and outside suppliers, although insignificant items of token value such as pens, diaries, etc. are acceptable.
- 39.18.4 When receiving authorised hospitality, employees should be particularly sensitive as to its timing in relation to decisions which the authority may be taking affecting those providing the hospitality.

39.19 Sponsorship - Giving and Receiving

- 39.19.1 Where an outside organisation wishes to sponsor or is seeking to sponsor a Council activity, whether by invitation, tender, negotiation or voluntarily, the basic conventions concerning acceptance of gifts or hospitality apply. Particular care must be taken when dealing with contractors or potential contractors.
- 39.19.2 Where the authority wishes to sponsor an event or service an employee nor any partner, spouse or relative must benefit from the sponsorship in a direct way without there being full disclosure to their Chief Officer of their interest. Similarly, where the authority through sponsorship, grant aid, financial or other means, gives support in the community, employees should ensure that impartial advice is given and that there is no conflict of interest involved.
- 39.19.3 The Council and the citizens of Monmouthshire expect the highest standards of conduct from all employees, therefore we encourage employees and others with serious concerns about any aspect of the Council's work to come forward and voice those concerns. You can do this through the Whistle Blowing policy if you want. Remember that if you fail to inform us it may result in disciplinary action being taken against you for failing to tell us.

40 WHISTLEBLOWING POLICY

- (c) ensure that you receive a response to your concerns and that you are aware of how to pursue them if you are not satisfied;

40.5 Policy Scope

40.5.1 This policy is intended to enable those who become aware of wrongdoing in the Council/School affecting some other person or service, to report their concerns at the earliest opportunity so that they can be properly investigated. The Whistleblowing Policy is not intended to replace existing procedures:

- (a) if your concern relates to your own treatment as an employee, you should raise it under the existing grievance or harassment procedures;
- (b) if a client has a concern about services provided to him/her, it should be raised as a complaint to the Council (Tel: 01633 644 644);

- (b) employees of contractors working for the Council/School;
- (c) those providing services under a contract or other agreement with the Council/School;

40.7 Safeguarding Whistleblowers – Our Assurances To You

40.7.1 The Chief Executive is committed to this policy. If you raise a genuine concern under this policy you will not be at risk of losing your job, or suffer any form of retribution, victimisation or detriment as a result. It won't matter if you are mistaken provided you genuinely believe that you are acting in the public interest. Of course we cannot extend this assurance to an individual who maliciously raises a matter they know to be untrue.

40.8 Your Legal Rights

40.8.1 This policy has been written to take account of the Public Interest Disclosure Act 1998 (PIDA) which protects workers making disclosures about certain matters of concern, when those disclosures are made in accordance with the Act's provisions and in the public interest. The Act makes it unlawful for the Council/School Governing Body to dismiss anyone or allow them to be victimised on the basis that they have made an appropriate lawful disclosure in accordance with the Act.

40.9 Harassment and Victimisation

40.9.1 The Council/School Governing Body is committed to good practice and high standards and to being supportive of you as an employee/worker.

40.9.2 The Council/School Governing Body recognises that the decision to report a concern can be a difficult one to make. If you honestly and reasonably believe what you are saying is true, you should have nothing to fear because you will be doing your duty to your employer, your colleagues and those for whom you are providing a service.

40.9.3 The Council/School Governing Body will not tolerate any harassment or victimisation of a whistle-blower (including informal pressures) and will take appropriate action to protect you when you raise a concern in accordance with the PIDA provisions, and will treat such harassment and victimisation as a serious disciplinary offence or in the case of contractors, a breach of contract.

40.10 Confidentiality

40.10.1 Whilst a qualifying disclosure is expected to have substance, it is not expected that the employee raising the disclosure will need to prove it is true. It is the responsibility of the Designated Officer.

40.10.2 All disclosures will be treated in confidence and every effort will be made not to reveal your identity if that is your wish, unless disclosure is required by law.

40.10.3 In some circumstances, for example in disciplinary processes, it may not be possible to take action as a result of your disclosure without your help, so you may be asked to come forward as a witness. If you agree to this, you will be offered advice and support.

40.10.4 The Council/School Governing Body will not place employees under pressure to give their name and will give due consideration to proceeding with investigating the concern on the basis of an anonymous allegation.

40.11 Anonymous Allegations

40.11.1 This policy encourages you to put your name to your allegation whenever possible - anonymous concerns are much less powerful and it will be much more difficult to provide feedback to you. Nonetheless anonymous concerns will be considered under this whistleblowing policy especially concerns raised relating to the welfare of children or vulnerable adults. In relation to determining whether an anonymous allegation will be taken forward the Council / School Governing Body will take the following factors into account:

- (a) the seriousness of the issue raised;
- (b) the credibility of the concern;
- (c) the likelihood of confirming the allegation from attributable sources, and obtaining information provided.

40.11.2 The provisions of the Data Protection Act 2018 must be observed during the process, particularly in disclosure, use and processing of personal information.

40.12 Untrue Allegations

40.12.1 If an allegation is made which it is believed to be in the public interest but it is not confirmed by further enquiry or by an investigation, no action will be taken against the person who raised the initial concern. If, however, the enquiry/investigation shows that untrue concerns were malicious and/or vexatious or made frivolously or made for personal gain, then the Council / School Governing Body will consider taking appropriate action which could include disciplinary action.

40.13 Support For You

40.13.1 The Council/School Governing Body have a duty of care to their employees. Support for the individuals involved in this process is key to fulfilling this duty. Any concern that is raised will be taken seriously.

40.13.2 For those individuals who raise concerns and for those individuals who may have concerns raised about them, the Council/School Governing Body will do all it can to help you throughout the process. Support for employees will include the offer of access to welfare counselling and medical advice and support. Individuals will be advised to contact their Trade Union representative, or a work place colleague (not involved in the area of work to which the concern relates) for additional support. Individuals will also be offered an additional point of contact for support during the process.

40.13.3 Any meetings that may be required as part of the process can be arranged away from the workplace if necessary and individuals have the right to be accompanied by their trade union representative or work based colleague.

40.13.4 Unless there are legal reasons why this cannot be done, you and the person against whom allegations are made will be kept informed of the progress and outcome of any investigation by the Designated Officer.

- (a) the background and history of the concern;
- (b) names, dates and places where possible;
- (c) an explanation of the reason for the concerns.

40.15.2 If you feel unable to put the matter in writing you can still raise your concern verbally. 40.15.3 If the concern needs to have Police or other statutory authority involvement, the whistleblowing process will be halted until the statutory authorities have completed their investigations and confirmed that it is appropriate to continue with the whistleblowing process. This must take place even if the statutory authorities take the decision not to pursue a criminal investigation.

40.15.4 Normally, the person who the concern is raised with, or reported to, becomes the Designated Officer. The Designated Officer is responsible for making initial enquiries about the matter and for keeping all parties informed of progress and advising of the outcome. It may be necessary for the Council/School Governing Body to appoint a person other than the person to whom the allegation or concern was raised with/reported to.

40.16 What the Council/School Governing Body Will Do

40.16.1 A key principle for the Council/School Governing Body will be the public interest. In order to be fair to all employees, initial enquiries will be made by the Designated Officer / person appointed to decide whether an investigation is appropriate and if so what form it should take.

40.16.2 The concern raised may require the following:

- (a) an enquiry internally in the Council/School;
- (b) the need to be passed to the Police if it relates to alleged criminal activity;
- (c) the need to be passed to Internal Audit, if the complaint is about financial management or financial propriety;
- (d) the need to be referred through established child protection/POVA procedures.

40.16.3 At this stage concerns / allegations are neither considered founded or unfounded pending the investigation if deemed necessary.

40.17 Timescales

40.17.1 The Designated Officer or person appointed by the Council / School Governing Body to look into whistleblowing allegation will normally provide a written acknowledgement to you within 5 working days (except in the case of anonymous allegations):

- (a) acknowledging the concern has been received;
- (b) indicating how it is proposed to deal with the matter;
- (c) giving an estimate of how long it will take to provide a final response;

- (d) advising of the support available whilst matters are looked into;
- (e) telling you whether further investigations will take place and if not, why not.

40.17.2 The Designated Officer or person appointed will write to you and the individual against whom the concern has been raised to acknowledge receipt and to indicate that the procedures have been commenced.

40.17.3 Depending on the nature of the allegation/concern, provision of a final response may take longer than 5 working days. If this is the case, the Designated Officer or person appointed will notify all individuals in writing providing an indication when the enquiry will be completed.

40.17.4 Where possible, enquiries will be completed within 10-15 working days from the date of receipt of the initial written response from the Designated Officer/person appointed.

40.17.5 If the enquiry extends beyond the timescales above all individuals concerned will be notified in writing by the Designated Officer or person appointed, providing an indication when the enquiry will be completed.

40.17.6 The Designated Officer/person appointed might investigate the concerns raised themselves or the Designated Officer might appoint an independent investigator to do so. As part of this process, the person who investigates the concerns raised will:

- (a) look into the concern - seeking evidence and interviewing witnesses as necessary;
- (b) maintain confidentiality wherever possible (but there is not a 100% guarantee that the whistle-blower can remain anonymous);
- (c) if appropriate, refer the matter to Audit, if the complaint is about financial management or financial propriety in schools;
- (d) if appropriate, for concerns of criminal behaviour refer the matter to the Police;
- (e) if appropriate, for concerns of child protection or vulnerable adults, refer the matter through the established child protection/POVA procedures.

40.17.7 The amount of contact time between you and the Designated Officer or person appointed to consider and/or investigate the issues will depend on the nature of the matters raised, the potential difficulties involved and the clarity of your information. It is likely that you will be interviewed to ensure that your disclosure is fully understood.

40.17.8 Any meeting with you can be arranged away from the workplace, if needs be, and a trade union representative or work based colleague may accompany you for support. You need to be assured that your disclosure has been properly addressed. Unless there are legal reasons why this cannot be done, you will be kept informed of the progress and outcome of any investigation.

40.17.9 Following completion of the enquiry/investigation process, the Designated Officer or independent investigator will make a written report normally within 5 working days. This report will contain findings and make recommendations for the Designated Officer (if an independent investigator has been appointed) or the appropriate committee of the School Governing Body to consider.

40.17.10 The report will not contain your name as the whistleblower, unless you have expressly stated that you wish to be named.

40.17.11 On conclusion of any investigation, you and the person against whom the allegation is made, will be told the outcome of the investigation and what action has been done/proposed. If no action is to be taken, the reason for this will be explained. In addition, matters raised as part of the investigation may:

- (a) be referred to the Police;
- (b) be referred to the External Auditor;
- (c) form the subject of an independent inquiry;
- (d) be referred to an alternative policy (e.g., Disciplinary Policy or Grievance Policy);
- (e) be resolved as an agreed action without the need for investigation.

40.18 How the Matter can be Taken Further

40.18.1 This policy is intended to provide you with a route within the Council/School to raise concerns. However, if you do not wish to raise concerns internally or if the concern has not been dealt with satisfactorily, the following are possible contact points. If you take the matter outside the Council/ School, you should ensure that you do not disclose confidential information unless that disclosure is privileged and relevant to the concern raised. Anyone proposing external disclosure should seek independent legal advice or contact the Public Concern at Work organisation.

- (c) periodic internal audits of the effectiveness of the whistleblowing arrangements will be undertaken, including:
 - (i) recording of the number and types of concerns and the outcome of investigations;
 - (ii) feedback from individuals who have used the arrangements including staff awareness, trust and confidence in the arrangements;
 - (iii) any complaints of victimisation;
 - (iv) any complaints of failures to maintain confidentiality;

41 SCRUTINY AND EXECUTIVE PROTOCOL

41.1 Introduction

The Scrutiny and Executive protocol is a guide for elected Members and other parties outlining the interface between Scrutiny and the Executive and the procedural elements that underpin the relationship. Further information on Scrutiny will be provided in the Scrutiny handbook

41.2 Monmouthshire County Council's Scrutiny Arrangements

41.2.1 Scrutiny will act as a 'critical friend' to the Cabinet and other decision makers in order to promote better services, policies and decisions. Through their work, Scrutiny and Cabinet will agree to operate within the values of the Council: Openness, Teamwork, Flexibility, Fairness and Kindness. In compliance with s21 Local Government Act 2000 and Paragraphs 8 and 9 of Schedule 1 to the Act, Scrutiny Committees will:

- (a) consider reports and make recommendations to inform and advise the Cabinet or Council or other decision-making bodies on improvements to policies and service delivery;
- (b) hold the Cabinet to account for decisions, performance, risk management and budget management;
- (c) enable the public to engage in the work of the Council by holding public meetings to inquire into matters of local concern.

Monmouthshire has 4 Scrutiny Committees, each with distinct terms of reference, which are detailed earlier in the Constitution.

41.3 General Roles

41.3.1 Within their terms of reference Scrutiny Committees will:

- (a) review and/or scrutinise:
 - (i) decisions or actions taken;
 - (ii) policies or processes;in connection with the discharge of any of the Council's functions;
- (b) make reports and/or recommendations to the Council meeting and /or the Cabinet on the discharge of any of the Council's functions;
- (c) consider any matter affecting the area or its inhabitants and make recommendations to any decision making body as appropriate.

41.4 Specific Functions

41.4.1 Scrutiny Committees may:

- (a) assist the Council in reviewing service delivery and performance through in-depth analysis;
- (b) review and scrutinise the decisions made by and the performance of the Cabinet and/or Committees and/or other Constitutional Bodies and the Council and/or any Chief Officers both in relation to individual decisions and over time;
- (c) review and scrutinise the performance of the Council in relation to its policy objectives, performance targets and/or particular service areas;
- (d) conduct research, community and other consultation in the analysis of service or policy issues and possible options;

- (e) consider and implement mechanisms to encourage and enhance community participation in the development of policy or the improvement of services;
- (f) question Members of the Cabinet and/or Committees and/or other Constitutional bodies and appropriate Officers about their proposed policies, decisions and performance;
- (g) make recommendations to the Cabinet and / or appropriate Committee and/or other constitutional bodies and/or Council arising from the outcome of the Scrutiny process;
- (h) review and scrutinise the performance of other public bodies in the area and invite reports from them by requesting them to address the Scrutiny Board and local people about their activities and performance;
- (i) question and gather evidence from any person outside of the Authority (with their consent);
- (j) assist the Council and the Cabinet in the review of its budget and policies by in-depth analysis of policy issues;
- (k) liaise with other external organisations operating in the area, whether national, regional or local, to ensure that collaborative working enhances the interests of local people.

41.5 Setting the Work Programme and Agenda

- 41.5.1 At the beginning of the Scrutiny year (September), each Scrutiny Committee will agree an outline work programme for the year in consultation with the relevant senior Officers and take into account the views of the public and of partner agencies. Topics suggested for Scrutiny should be considered in line with the Scrutiny work programme topic selection criteria, the aim being to identify significant topics that will address a significant concern, will deliver a specific outcome and will add value to the work of the Council.
- 41.5.2 The most recent version of the Scrutiny Committee work programme will be reported to each Scrutiny Committee meeting to enable the Committee to review its content and include new items and to define the arrangements required for the next meeting. The updated Scrutiny Forward Work Programme will be presented by the Scrutiny Committee Chairs to meetings of the Council's Co-ordinating Board for the purpose of ensuring the clarity of topics being scrutinised and to avoid potential duplication in efforts. All Scrutiny work programmes will be made publicly available.
- 41.5.3 Individual agenda items, other than standing items, are to be determined in the first instance by the work programme that is agreed by the relevant Scrutiny Committee. The Scrutiny Committees agree their work programmes and the decisions to consider additional items or defer planned are made at the discretion of the chair in consultation with the Scrutiny Team.
- 41.5.4 The purpose of Scrutiny is to add value to the work of the Council. For this reason any items 'to note' i.e. that do not require a specific response from the Scrutiny Committee will be emailed to the Scrutiny Committee Members 'For Information', instead of being included on the agenda.

41.6 Evidence Gathering

- 41.6.1 Scrutiny Committees are entitled to gather evidence in connection with any review or inquiry they undertake as part of their agreed work plan. The Scrutiny Committee shall adopt methods of gathering evidence to inform their deliberations. These include, but are not limited to, task and finish groups, holding enquiries, going on site visits, conducting public surveys, holding public meetings, commissioning research, hearing from witnesses and appointing advisors and assessors. The knowledge of Councillors is also a valuable source of evidence and should be considered as part of each review / inquiry.
- 41.6.2 Scrutiny Committees shall be entitled to pay the reasonable fees and/or expenses of any individual or organisation assisting it, with the exception of Officers or Members of the Authority. Evidence gathering activity should not duplicate any other similar activity being undertaken by the authority or by other local agencies.

41.7 Attendance at Scrutiny Committees

- 41.7.1 A large part of evidence gathering will be through witnesses invited to give account directly to the Scrutiny Committee. Cabinet Members and Officers will not be expected to attend all Scrutiny Committee meetings, however, Scrutiny Committees are entitled under s21 of the Local Government Act 2000 to require any Member of the Executive or any Senior Officer to appear before it to give account for any matter within their responsibility or remit, particularly relating to:
- (a) any particular decision;
 - (b) the extent to which the actions have been taken to implement Council policy;
 - (c) their performance
- and it is the duty of those persons to attend if so required. Where in exceptional circumstances, the Member or Officer is unable to attend on the required date; the Scrutiny Committee shall in consultation with the Member or Officer arrange an alternative date for attendance.
- 41.7.2 When a Scrutiny Committee wishes to invite a Cabinet Member, Officer or another individual to a meeting, it will:
- (a) offer a minimum notice of 2 weeks;
 - (b) clearly outline the reason that the individual has been requested to attend and the likely areas upon which they are expected to answer questions;
 - (c) identify whether any papers are required to be produced.
- 41.7.3 Where individuals are required to attend before the Scrutiny Committee, as in the case of Officers or Members, the Chair shall ensure that those assisting the Scrutiny Committee by giving evidence are treated with courtesy and respect.
- 41.7.4 Witnesses contributing evidence to Scrutiny Committees will be provided with feedback and whether further information is required as part of the Scrutiny.

41.8 Scrutiny Committee Meeting Procedure

41.8.1 Robust Scrutiny depends on effective questioning which relies on effective preparation. The meetings of Scrutiny Committees will operate as follows:

- (a) main agenda items will be identified at the previous meeting in line with the agreed work programme. At this point potential witnesses and broad themes should be considered;
- (b) prior to the meeting all Scrutiny Committee Members should be engaged in raising and discussing possible questions by email. The chair and vice chair of the Committee will facilitate this process;
- (c) a pre-meeting for all Scrutiny Committee Members will be held typically 30 minutes immediately before the Scrutiny Committee meeting. The purpose is to ensure that Members are fully prepared for the Scrutiny Committee meeting and that the questioning strategy is clear;
- (d) during the Scrutiny Committee meeting, the chair will be responsible for ensuring that questioning is effective and that the Scrutiny Committee achieves its objective;
- (e) officers are invited to attend for their item and shall not be expected to remain at the meeting unless agreed with the Chair;
- (f) at the close of the meeting, witnesses will be asked to leave to enable Scrutiny Committee Members to discuss their conclusions any recommendations arising from the meeting. These conclusions and recommendations will be reported to the relevant Cabinet Member(s) in the form of a Chairs' Letter. The session should also be used to review the effectiveness of the meeting and identify ways that future meetings could be improved.

41.9 Attending Call-in Meetings

41.9.1 The following arrangements apply to Call-in meetings:

- (a) the Committee will invite the relevant Cabinet Member and/or Officer i.e. (the decision-taker) and any other Senior Officers the Committee considers appropriate to the meeting;
- (b) in line with the Call-in Mechanism outlined in the constitution, the Committee is required to meet within 15 working days of the publication of the decision;
- (c) the Committee will endeavour to offer appropriate notice to witnesses required to attend and will as far as possible ensure the scheduling of the Call-in meeting facilitates their attendance;
- (d) in inviting Officers to attend, the relevant Chief Officer responsible will be consulted as a matter of courtesy;
- (e) Scrutiny Committees welcome the views of additional Officers, however, to ensure consistency, transparency and openness, such Officers should indicate in advance of the agenda despatch (i.e. 3 working days prior to the meeting) that they wish to attend, with reasons for their attendance;

- (f) additional Officers should advise the Scrutiny Manager that they wish to attend, which will be discussed and agreed with the Chair of the Scrutiny Committee. It is the discretion of the Committee to allow such Officers to take part in the meeting.

41.10 Responding to Scrutiny's Recommendations

- 41.10.1 Chairs Letters. Scrutiny Committees will agree outcomes of their meetings and detail the conclusions and any recommendations arising from any Scrutiny Committee meeting. The Scrutiny Committee may recommend amendments to a strategy or policy at their meeting and the Cabinet Member or Officer may accept the amendments at the meeting, which will be formally minuted.
- 41.10.2 The Chair may also formally raise concerns via a Chairs Letter directed to the relevant Cabinet Member(s) in person after the meeting has closed. In this instance, the Cabinet Member should respond in writing to the Scrutiny Committee within one month indicating whether the recommendation needs to be referred and what action (if any) they intend to take.
- 41.10.3 Scrutiny Workshops. Scrutiny Committees may undertake an in-depth review, which will normally take a number of months and be conducted according to an agreed terms of reference, with the findings being shared publicly in a findings report.
- 41.10.4 Scrutiny Committees will abide by the following principles when conducting in-depth reviews or workshops:
 - (a) involve the Cabinet Member at the commencement/early stages of a review to inform them of the terms of reference of the Task and Finish Group and the lines of inquiry that will be pursued;
 - (b) additional opportunities to involve the Cabinet Member throughout the review if felt appropriate;
 - (c) recommendations will follow logically from conclusions which will be clearly evidenced by reference to the findings of the review. Recommendations should not reflect unsupported personal opinion or political views. At this stage advice will be sought from the relevant Officers about the legal and financial implications of draft recommendations;
 - (d) when a review is nearing completion, invite the Cabinet Member to a meeting to discuss preliminary findings and if the Scrutiny Committee feels appropriate, test the viability of recommendations they wish to make;
 - (e) when a Scrutiny report has been agreed by Members of the Task and Finish Group, convene meeting with Cabinet Member to discuss the report's key findings and recommendations prior to the report being discussed at a public meeting (i.e. Scrutiny Committee).
- 41.10.5 If a Scrutiny Committee cannot agree on one single final report to the Executive then up to one minority report may be prepared and submitted for consideration with the majority report.

- 41.10.6 Once a Scrutiny Committee report has been agreed by the appropriate Scrutiny Committee, it will be submitted to the relevant Cabinet Member and published on the Council's website.
- 41.10.7 The report will then be scheduled in the Cabinet Forward Planner to be presented to a meeting of Cabinet within 6 weeks of it being agreed by the Scrutiny Committee.
- 41.10.8 The Chair of the relevant Scrutiny Committee will present the Report and accompanying recommendations to Cabinet. The relevant Cabinet Member will receive the Report on behalf of Cabinet but will not be required to respond to each of the recommendations individually at Cabinet.
- 41.10.9 Cabinet will be requested to "receive the report and consider the key findings and recommendations, responding to the relevant Scrutiny Committee within a 3 month period as to whether they accept (in part) or reject (in part) the Committee's recommendations together with rationale and actions that will be taken".
- 41.10.10 The Cabinet Member is responsible for:
- (a) meeting with Officers once they have received the Scrutiny report to draft a response to the Scrutiny Committee based upon the Cabinet Response Template (detailed in Appendix A);
 - (b) after agreeing a draft response with Officers, reporting the draft response to the Cabinet for adoption;
 - (c) forwarding the Cabinet response to the Scrutiny Committee (following adoption by the Cabinet) and attending a Scrutiny Committee to discuss their response.
- 41.10.11 Scrutiny Committees will be responsible for monitoring progress against the recommendations and ensuring the return of the Cabinet Member to the Scrutiny Committee within a defined timescale.

42 PROTOCOL ON MEMBER AND OFFICER RELATIONS

42.1 Introduction

- 42.1.1 The purpose of this Protocol is to guide Members and Employees of the Council in their relations with one another.

42.1.2 Mutual respect between Members and Employees is essential to good local government. However, close personal familiarity between individual Members and Employees can damage this relationship and prove embarrassing to other Members and Employees.

42.1.3 The relationship has to function without compromising the ultimate responsibilities of Employees to the Council as a whole, and with due regard to such technical, financial, professional and legal advice that Employees can legitimately provide to Members. The Protocol seeks to set a framework that assists the working relationships between Members and Employees.

42.2 Roles of Members

42.2.1 Members undertake many different roles. Broadly, Members will:

- (a) express political values and support the policies of the party or group to which they belong (if any);
- (b) represent their electoral division and are advocates for the citizens who live in the area;
- (c) be involved in active partnerships with other organisations as community leaders;
- (d) contribute to the decisions taken in Full Council and in its various bodies on which they serve, as well as joint committees, outside bodies and partnership organisations;
- (e) help develop and review policy and strategy;
- (f) monitor and review policy implementation and service quality;
- (g) be involved in quasi-judicial work through their Membership of regulatory committees.

42.3 Roles of Employees

42.3.1 Briefly, Employees have the following main roles:

- (a) managing and providing the services for which the Council has given them responsibility and being accountable for the efficiency and effectiveness of those services;
- (b) providing advice to the Council and its various bodies and to individual Members in respect of the services provided;
- (c) initiating policy proposals;
- (d) implementing agreed policy;
- (e) ensuring that the Council always acts in a lawful manner.

42.4 Respect and Courtesy

42.4.1 For the effective conduct of Council business there must be mutual respect, trust and courtesy in all meetings and contacts, both formal and informal, between Members and Employees. This plays a very important part in the Council's reputation and how it is seen in public. It is very important that both Members and Employees remember their respective obligations to enhance the Council's reputation and to do what they can to avoid criticism of other Members, or other Employees, in public places.

42.5 Undue Pressure

42.5.1 It is important in any dealings between Members and Employees that neither should seek to take unfair advantage of their position.

42.5.2 In their dealings with Employees (especially junior Employees), Members need to be aware that it is easy for them to be overawed and feel at a disadvantage. Such feelings can be intensified where Members hold senior official and/or political office.

42.5.3 A Member should not apply undue pressure on an Employee either to do anything that they are not empowered to do or to undertake work outside normal duties or outside normal hours. Particular care needs to be taken in connection with the use of Council property and services.

42.5.4 Similarly, an Employee must neither seek to use undue influence on an individual Member to make a decision in their favour, nor raise personal matters to do with their job, nor make claims or allegations about other Employees. (The Council has formal procedures for consultation, grievance and discipline, and Employees have the right to report possible wrongdoing under the Council's Confidential Reporting Code.)

42.6 Familiarity

42.6.1 Close personal familiarity between individual Members and Employees can damage the principle of mutual respect. It could also, intentionally or accidentally, lead to the passing of confidential information or information which should not properly be passed between them, such as personal details.

42.6.2 Such familiarity could also cause embarrassment to other Members and/or other Employees and even give rise to suspicions of favouritism.

42.6.3 For these reasons close personal familiarity must be avoided.

42.7 Breach of Protocol

42.7.1 If a Member considers that they have not been treated with proper respect or courtesy they may raise the issue with the Employee's line manager. If direct discussion with the manager does not resolve the complaint it should be referred to the Head of Service or Chief Officer responsible for the employee concerned. Breach of the Protocol may give rise to disciplinary proceedings against an Employee if the circumstances warrant it.

42.7.2 If an employee considers that a Member has contravened the protocol they should consult their line manager who will if necessary involve the Head of Service or Chief Officer. In certain circumstances breach of the Protocol may also constitute a breach of the Members' Code of Conduct. If the breach is sufficiently serious this may warrant a formal reference to the Monitoring Officer as a complaint to be considered for potential investigation by the Standards Committee. Many complaints will be capable of informal resolution. The Monitoring Officer or the Chief Executive will assist in this process if necessary.

42.8 Provision of Advice and Information to Members

- 42.8.1 Members are free to approach Employees of the Council to provide them with such information and advice as they may reasonably need in order to assist them in discharging their role as a Member of the Council. This can range from a request for general information about some aspect of the Council's activities to a request for specific information on behalf of a constituent.
- 42.8.2 Employees should always endeavour to respond to requests for information promptly and should in any event inform the Member if there is likely to be any appreciable delay in dealing with an enquiry. As a minimum the timescale for responding to correspondence should be observed i.e. either a full response or, if this is not possible, an acknowledgement that fully explains what is happening within [five] working days of the receipt of the enquiry.
- 42.8.3 The legal rights of Members to inspect Council documents are covered partly by statute and partly by common law.
- 42.8.4 The Access to Information Procedure Rules of this Constitution explain the position with regard to access to papers relating to the business of a Council body.
- 42.8.5 The exercise of the common law right depends upon a Member's ability to demonstrate a "need to know". In this respect a Member has no right to "a roving commission" to examine any documents of the Council. Mere curiosity is not sufficient.
- 42.8.6 The information sought by a Member should only be provided by the respective Service as long as it is within the limits of the Service's resources. For their part, Members should seek to act reasonably in the number and content of the requests they make.
- 42.8.7 It is important for Services and their staff to keep Members informed both about the major issues concerning the Council and, more specifically, about issues and events affecting the area that they represent. Local Members should be informed about proposals that affect their electoral division and should also be invited to attend Council initiated events within their electoral division. (Further details are contained in the Local Member Consultative Charter, which is annexed to this Protocol).
- 42.8.8 If a Member asks for specific information relating to the work of a particular Service, and it appears possible or likely that at a subsequent meeting an issue could be raised or question asked on the basis of the information provided, then the appropriate Cabinet Member or Committee Chair concerned should be advised about the information provided.

42.8.9 Officers have to advise Members from time to time that a certain course of action cannot be carried out. Members sometimes assume that this is a case of Officers deliberately obstructing the wishes of politicians. In fact this is hardly ever the case. Officers are employed to give unbiased professional advice even if it is not what Members want to hear. They do this as much for the protection of Members as for any other reason. However, the mark of an effective Officer is that if they do have to give negative advice, this will be accompanied by suggestions as to how Members might achieve some or all of their objectives in other ways. Such Officers are invaluable to any Council.

42.8.10 Members may be entitled under the Freedom of Information Act 2000 to receive information which falls outside their common law rights based on the "need to know". Employees are encouraged to supply documents to Members without the need for a formal FOI request if it is apparent from the Member's enquiry that any individual would be entitled to receive such documentation. The Council's Information Officer will be able to advise in consultation if necessary with the Monitoring Officer on whether any request would fall within the Freedom of Information Act.

42.9 Confidentiality

42.9.1 In accordance with the Code of Conduct for Members, a Member must not disclose information given to them in confidence by anyone, or information acquired which they believe, or ought reasonably to be aware, is of a confidential nature, except where:

- (a) they have the consent of a person authorised to give it;
- (b) they are required by law to do so;
- (c) the disclosure is made to a third party for the purpose of obtaining professional advice provided that the third party agrees to be subject to an agreement as directed by the Monitoring Officer not to disclose the information to any other person; or
- (d) the disclosure is:
 - (i) reasonable and in the public interest; and
 - (ii) made in good faith and in compliance with the reasonable requirements of the authority.

42.9.2 Confidential Committee papers (pink papers) are to be treated as confidential information unless the relevant Committee resolves not to exclude press and public. Members are reminded that the author of the report makes the initial decision as to whether or not the papers are to be treated as confidential. The decision as to whether they remain confidential is for the Committee. Other information may be confidential because to disclose it would be against the Council's or the public interest. Information may also be confidential because of the circumstances in which it was obtained.

42.9.3 Information and correspondence about an individual's private or business affairs will normally be confidential.

- 42.9.4 Officers should make it clear to Members if they are giving them confidential information. If a Member is not sure whether information is confidential, they should ask the relevant Officer, but treat the information as confidential in the meantime.
- 42.9.5 Any Council information provided to a Member must only be used by the Member in connection with the proper performance of the Member's duties as a Member of the Council.
- 42.9.6 If a Member receives confidential information and considers it should be disclosed to another person because it is reasonable and in the public interest to do so then they must first consult with the Monitoring Officer and shall not disclose the information without having regard to any advice given by that Officer.

42.10 Provision of Support Services to Members

- 42.10.1 The only basis on which the Council can lawfully provide support services (e.g. stationery, word processing, printing, photocopying, transport, etc.) to Members is to assist them in discharging their role as Members of the Council. Such support services must therefore only be used on Council business. They should never be used in connection with party political or campaigning activity or for private purposes.
- 42.10.2 Correspondence. Official letters on behalf of the Council should be sent in the name of the appropriate Employee, rather than over the name of a Member. There are circumstances where a letter sent in the name of a Member is perfectly appropriate, for example, in response to a letter of enquiry or complaint sent direct to that Member. Letters which, for example, create obligations or give instructions on behalf of the Council should never be sent out in the name of a Member.
- 42.10.3 Media. Communication with the media can be an important part of a Member's workload. In general, Members provide comment and views while Employees provide factual information. If a Member is unsure about the circumstances of a particular issue they should contact the appropriate Chief Officer or Head of Service concerned or ask the Press Office to do so.

42.11 The Council's Role as Employer

- 42.11.1 In their dealings with Officers, Members should recognise and have regard to the Council's role as employer. Members should be aware that Officers could rely on inappropriate behaviour of a Member in an employment case against the Council.

42.12 Political Activity

- 42.12.1 There are a number of constraints that apply to an employee who occupies a post that is designated as "politically restricted" under the terms of the Local Government and Housing Act 1989. Such employees are prevented from:
- (a) being a Member of Parliament, European Parliament or local authority;
 - (b) acting as an election agent or sub-agent for a candidate for election as a Member of any the bodies referred to in (a);

- (c) being an Officer of a political party or any branch of a political party or a Member of any committee or sub-committee of such a party or branch, if their duties would be likely to require them to:
 - (i) participate in the general management of the party or branch; or
 - (ii) act on behalf of the party or branch in dealings with persons other than Members of the party;
- (d) canvassing on behalf of a political party or a candidate for election to any the bodies referred to in (a);
- (e) speaking to the public with the apparent intent of affecting public support for a political party; and
- (f) publishing any written or artistic work of which they are the author (or one of the authors) or acting in an editorial capacity in relation to such works, or to cause, authorise or permit any other person to publish such work or collection - if the work appears to be intended to affect public support for a political party.

42.12.2 It is common for party groups to give preliminary consideration to matters of Council business in advance of such matters being considered by the relevant decision making body. Employees may properly be called upon to support and contribute to such deliberations by party groups provided they maintain a stance which is politically impartial. Support may include a range of activities including briefings for Members relating to their roles, e.g. chairperson or spokesperson. Employees should be required to give information and advice to political groups on Council business only and not on matters which are purely of a party political nature. Such advice should be available to all party groups and not solely to the majority group. It is important that the political neutrality of Employees is preserved and that group confidentiality is maintained by Employees.

42.12.3 Usually the only Employees involved in attending group meetings will be the Chief Executive, Chief Officers and Heads of Service and they will generally leave the meeting after making their presentation and answering questions.

42.12.4 Employees are employed by the Council as a whole. They serve the Council and are responsible to the Chief Executive and their respective Chief Officers/Heads of Service, and not to individual Members of the Council whatever office they might hold.

42.12.5 Both Members and Employees are subject to their own Codes of Conduct which can be found in the Constitution. This Protocol provides guidance on working relationships between Members and Employees. It is essential that both are familiar with the detailed obligations in their respective Codes of Conduct which will prevail in the event of any conflict between the Codes and this Protocol.

42.13 Sanctions

42.13.1 Complaints about any breach of this Protocol by a Member may be referred to the Monitoring Officer. It should be noted that certain breaches may also amount to breaches of the Code of Conduct for Members.

42.13.2 Complaints about any breach of this protocol by an Officer may be referred to the relevant Chief Officer, the Chief Executive or the Monitoring Officer.

42.14 Conclusion

- 42.14.1 It is hoped that, by following good practice and securing sensible and practical working relationships between Members and Employees, we can provide one of the cornerstones of a successful local authority and thereby enhance the delivery of high value quality services to the people of the area. Mutual understanding, openness and respect are the greatest safeguard of the integrity of the Council, its Members and Employees.

44 PROTOCOL FOR SELF REGULATION OF MEMBER CONDUCT

44.1 General Principles

- 44.1.1 To promote high standards of conduct and behaviour as a means of strengthening respect and trust amongst members.
- 44.1.2 The protocol does not replace the Member-Officer Relations Protocol set out in the Council's Constitution.
- 44.1.3 It is not intended to replace the Code of Conduct rather it is intended to sit alongside it, enabling behaviour which may not reach the Ombudsman's threshold to be dealt with.
- 44.1.4 Members will make all reasonable attempts to resolve disputes through agreed internal processes subject to their obligations under the Members' Code of Conduct.
- 44.1.5 Members will avoid personal confrontation in any public forum, especially full Council and through the media.
- 44.1.6 These commitments will not stifle legitimate political debate or scrutiny.
- 44.1.7 Group discipline will become the cornerstone of self-regulation with Group Leaders taking responsibility for their own members.
- 44.1.8 Group Leaders individually and collectively will work to ensure compliance with this protocol.
- 44.1.9 Members will commit to training and development in support of this protocol.

44.2 Working to avoid problems

- 44.2.1 To minimise the number of instances of alleged breaches all Group Leaders are asked to commit to:
- (a) a Member Learning and Development Strategy – to which they will seek to secure the commitment of their group members. All reasonable endeavours will be made to

ensure that the Learning and Development Strategy identifies and responds to the needs of members;

- (b) attending relevant Member training events - in particular those relating to the Code of Conduct or probity courses within the scope of their role;
- (c) support the provision made by the County Council for complying with sections 5 and 7 of the Local Government Measure 2011 (Annual reports & Training and development)

44.3 Role of Group Leaders

44.3.1 There is a general duty on the leader of a political group to:

- (a) take reasonable steps to promote and maintain high standards of conduct by the members of the group; and
- (b) co-operate with the council's standards committee (and any sub-committee of the committee) in the exercise of the standards committee's functions.

In complying the a) and b) above, you must have regard to any guidance issued by the Welsh Ministers.

44.3.2 A complaint by a member relating to a member of the same group will be referred to the Group Leader. A complaint by a member concerning the activities of a member of a different political group will be discussed with the complainant's own Group Leader, who will then refer the issue to the Group Leader with responsibility for the member against whom the complaint is made.

44.3.3 Upon receiving a complaint, it is the role of Group Leaders to take responsibility for discipline within their groups. Group discipline should seek to be informal, resolved through face to face meetings. Group Leaders will need to retain some records but the process will not be "document heavy". The emphasis should be on training, education, mediation and conciliation.

44.3.4 When appropriate, a sanction such as removal from a committee or an outside body, may be used in extreme cases or after persistent breaches and the matter will be referred to the Public Services Ombudsman for Wales.

44.3.5 Prior to considering any sanction, or training, the relevant Group Leader may consult with a member of the Standards Committee in conjunction with the Monitoring Officer or Deputy Monitoring Officer. The Standards Committee will seek to ensure fairness and consistency in the discipline imposed within each Group.

44.3.6 At the next available Group Leaders' meeting any issue of discipline which has been referred to a Group Leader will be discussed with the group and with the objective of seeking to ensure that fair and consistent sanctions are applied.

44.4 Unaffiliated Members

- 44.4.1 As far as unaffiliated members are concerned, the Chair of the Council will fulfil the role of Group Leader. Concerns regarding the conduct of an unaffiliated member should be referred to the Chair who will apply the same principles and standards as those of the Group Leaders in terms of training/mediation/conciliation.
- 44.4.2 In the event that an unaffiliated member refuses to provide reasonable co-operation to the Chair of the Council, or if the breach is significant, or in the event of repeated breaches, then the Council may remove the unaffiliated member from any committee seats allocated by the full Council. Such a proposal should be put to the Council jointly by the Group Leaders. In the case of persistent breaches the matter shall be referred to the Ombudsman by the Monitoring Officer.

44.5 Persistent Breaches

- 44.5.1 In the case of persistent breaches, or areas where the Group Leaders have concerns that the conduct of an individual member or members is damaging to relations between political groups or to the reputation of the Council, then the Group Leaders will meet with the Chief Executive and Monitoring Officer to agree a way forward. Consideration will be given to joint references to the Ombudsman, by the Group Leaders, for persistent low level breaches. The collective Group Leaders will also assume this responsibility in relation to unaffiliated members.

44.6 Standards Committee

- 44.6.1 The Standards Committee Members will play a supporting/advisory role to the Group Leaders. This process will be initiated at the request of the Group Leader, in a particular case.
- 44.6.2 Such meetings will be private and informal. Any documentation, attendance notes, file notes or advisory notes passing between a Group Leader (or as appropriate the Chair of the Council) and the members of the Standards Committee shall remain private and confidential.
- 44.6.3 When acting in an advisory role to the Group Leaders/Chair of the Council, the Standards Committee has no right of sanction. However, it shall be open to the Group Leader to request that the Standards Committee, as a last resort, issue a public censure against a group member. Where this is to be considered, the member who may be subject to censure will be provided with a reasonable opportunity to make submissions to the Standards Committee members, either in person or in writing.
- 44.6.4 The recommendations available to the Standards Committee will include a recommendation that a Group Leader takes action against one of their members, including removal from committee or outside body.

44.7 Protocol - Standard of Conduct Expected of Members

- 44.7.1 This protocol sets out the standards of conduct expected from Members within Monmouthshire County Council in dealing with each other. It should be read in conjunction with the Members Code of Conduct. It adds to these documents and does not detract from them.
- 44.7.2 Members are expected to:

- (a) public behaviour:
 - (i) show respect to each other;
 - (ii) not to make personal abusive comments about each other;
