VARIATION

Do you want the proposed variation to have effect as soon as possible?

Yes No

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

Yes No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

Variation is for Raglan Golf Club, which is not in close proximity to any residential area so this change will not have any impact on local residents. The main reason for this change to the license is for sales to club members wishing to take alcohol out with them to consume during their 4 hour game of golf. This is the only variation to the current license that we are requesting

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

We ensure all staff understand the laws and regulations involved in serving alcohol, and have sufficient training and confidence to be able to communicate this with all customers. We make sure staff work together, and support each other during times of higher alcohol consumption.

b) The prevention of crime and disorder

We will ensure that staff members are never lone working during peak times of drinking, especially in the afternoons/evenings. Our team are confident in refusing service if they feel a customer has drunk too much and may become disruptive.

c) Public safety

Staff are always on alert and observing customers behaviour and alcohol consumption, to ensure no one becomes overly intoxicated and disruptive to other people's experiences.

d) The prevention of public nuisance

Customers that become disruptive are given a warning by staff members, and if necessary, will be refused service if their behaviour begins to impact other people/staff members.

e) The protection of children from harm

Alcohol is prohibited in specific areas on site that are designed for children, and staff are always aware of customers that are around children, and can move customers on should they become too loud or disruptive in these child-friendly areas.
